Geneva, 2 May 1994
Item 5 of the provisional agenda

FACILITATING TRADE

DRAFT GUIDELINES ON BETTER BUSINESS PRACTICES

Corrigendum

Page 13, paragraph 15.6, amend the Guidelines to read as follows:

interim
inspection
inspection
be used.

Guidelines: Preshipment inspection should be regarded as an
measure. Governments which require preshipment
for imports should be encouraged to simplify the
process. Random sampling techniques and periodic
inspections for regular, approved exporters should
