**Note 1:** All proposals should be received by the secretariat at the latest by 22 September 1995.

**Note 2:** Submissions should be concise and as short as possible; they should include a justification. The number of proposals in a single document should be limited; they should all relate to the same subject under one agenda item.

**Note 3:** A provisional timetable is reproduced in the annex hereto.

**Note 4:** The following working groups should meet during the session :

Item 3: Working Group on Multimodal Tanks

Item 10 (b): Working Group on the harmonization of classification criteria for reactive substances

Item 10 (c): Working Group on the harmonization of classification criteria for flammable substances

The two working groups on the harmonization of classification criteria will be convened in accordance with the decisions taken by the Committee at its eighteenth session (see ST/SG/AC.10/21, paras. 144 to 154) i.e. in the context of global harmonization of classification of criteria, cooperation with the International Labour Organization (ILO) and the Inter-Organization Program on Sound Management of Chemicals (IOMC) and follow-up to the United Nations Conference on Environment and Development (UNCED). Therefore these groups should be composed of experts familiar with transport legislation and other relevant legislations (work safety, environment, consumer protection).

The Working Group on Multimodal Tanks will meet separately room during the first week.

The working groups on the harmonization of classification criteria will meet in the Plenary room with interpretation during the second week, i.e. there will be no plenary session when these working groups on harmonization meet.

**Note 5:** An annotated agenda will be circulated at a later stage on the basis of proposals received by 22 September 1995.

**Note 6** The following documents were carried forward from the tenth session of the Sub-Committee to the eleventh session of the Sub-Committee:
