

## O

## INVESTMENTS IN SOUTH AFRICA

*The General Assembly,*

*Recalling* its resolution 31/6 K of 9 November 1976,

*Having considered* the report of the Special Committee against *Apartheid*,<sup>94</sup>

*Convinced* that a cessation of new foreign investments in South Africa would constitute an important step in the struggle against *apartheid*, as such investments abet and encourage the *apartheid* policies of that country,

*Noting with regret* that the Security Council has been unable to reach agreement on steps to achieve the cessation of such investments in South Africa,

*Welcoming* as positive steps the decisions of those Governments which have taken measures to achieve the cessation of further investments from their countries in South Africa,

*Noting* that while there has been some decrease in the flow of new foreign investments into South Africa since resolution 31/6 K was adopted, a number of foreign economic and financial interests have continued and increased their investments,

*Urges* the Security Council, when studying the problem of the continued struggle against the *apartheid* policies of South Africa, to consider again steps to achieve, at an early date, the cessation of further foreign investments in South Africa.

16 December 1977*
