Reaffirming its full support for the armed struggle of the Namibian people under the leadership of the South West Africa People's Organization,

Noting with satisfaction the persistent opposition of the Namibian people to South Africa's illegal presence in the Territory and to its oppressive racist policies and, in particular, the progress of their struggle in all its forms for national liberation under the leadership of the South West Africa People's Organization,

Strongly condemning, as an act of colonial expansion, the decision of South Africa to annex Walvis Bay and to claim sovereignty over the Penguin and other off-shore islands, thereby undermining the unity and territorial integrity of Namibia,

Strongly deploring the policies of those States which, despite the relevant decisions of the United Nations and the advisory opinion of the International Court of Justice of 21 June 1971, continue to maintain diplomatic, economic, consular and other relations with South Africa, purporting to act on behalf of or concerning Namibia, as well as military or strategic collaboration, all of which have the effect of supporting or encouraging South Africa in its defiance of the United Nations,

Strongly condemning the racist régime of South Africa for its efforts to develop a nuclear capability for military and aggressive purposes,

Deeply concerned by the increasing militarization of Namibia and by the continuing acts of aggression against neighbouring independent African countries, particularly Angola and Zambia, which have caused extensive loss of human lives and destruction of economic infrastructures,

Reaffirming that the resources of Namibia are the inviolable heritage of the Namibian people and that the exploitation of those resources by foreign economic interests under the protection of the repressive racist colonial administration, in violation of the Charter of the United Nations, of the relevant resolutions of the General Assembly and the Security Council and of Decree No. 1 for the Protection of the Natural Resources of Namibia, enacted by the United Nations Council for Namibia on 27 September 1974, 7/ is illegal and contributes to the maintenance of the illegal occupation régime,

12. Strongly condemns the manoeuvres of South Africa in Namibia aimed at transferring power to illegitimate groups subservient to its interests in order to maintain its policies of domination and exploitation of the people and natural resources of the Territory;

13. Strongly condemns the illegal South African administration for its decision to establish compulsory military service for all Namibians between the ages of 16 and 25, a decision which will increase the suffering of the Namibian people by disrupting their lives and forcing many to seek refuge in neighbouring countries and will thus impose an additional burden on United Nations programmes of assistance designed to ensure adequate shelter and support for Namibian refugees;

14. Declares that all measures by the illegal occupation régime to enforce military conscription in Namibia are illegal, null and void;

15. Solemnly reaffirms that genuine independence of Namibia can be achieved only with the direct and full participation of the South West Africa People's Organization, the sole and authentic representative of the Namibian people, in all efforts to implement United Nations resolutions on Namibia and that the only parties to the conflict in Namibia are, on the one hand, South Africa, which is illegally occupying the Territory and committing aggression against the people, and, on the other, the Namibian people, under the leadership of the South West Africa People's Organization, supported by the United Nations, which has direct responsibility for the Territory until independence;

16. Calls upon the international community, especially all Member States, to continue to refrain from according any recognition to or co-operation with any régime which the illegal South African administration may impose upon the Namibian people in disregard of the provisions of Security Council resolutions 385 (1976), 435 (1978) and 439 (1978) and other relevant resolutions of the General Assembly and the Council;

19. Strongly condemns the illegal South African administration for its massive repression of the people of Namibia and their national liberation movement, the South West Africa People's Organization, with the intention of establishing an atmosphere of intimidation and terror for the purpose of imposing upon the Namibian people a political arrangement aimed at subverting the territorial integrity and unity of Namibia as well as perpetuating the systematic plunder of the natural resources of the Territory;

20. Demands that South Africa immediately release all Namibian political prisoners, including all those imprisoned or detained under the so-called internal security laws, martial law or any other arbitrary measures, whether such Namibians have been charged or tried or are being held without charge in Namibia or South Africa;

21. Strongly condemns South Africa for its ever-increasing military build-up

in Namibia, its recruitment and training of Namibians for tribal armies and the use of other agents to carry out its policy of military attacks against independent African States, particularly Angola and Zambia, its threats and acts of subversion and aggression against these countries and the forcible and massive displacement of Namibians from their homes for military and political purposes;

22. Calls upon all States to take effective legislative measures to prevent the recruitment, training and transit of mercenaries for service in Namibia;

23. Declares that South Africa's consistent defiance of the United Nations, its illegal occupation of the Territory of Namibia and its war of repression against the Namibian people, its persistent acts of aggression launched from bases in Namibia against independent African countries, its present policy of colonial expansion, its policy of apartheid and its development of nuclear weapons constitute a serious threat to international peace and security;

Strongly condemns the activities of all foreign economic interests operating in Namibia under the illegal South African administration which are exploiting illegally the resources of the Territory and demands that transnational corporations and others engaged in such exploitation comply with all relevant resolutions of the United Nations by immediately abstaining from any new investment or activities in Namibia, by withdrawing from the Territory and by putting an end to their co-operation with the illegal South African administration;

26. Strongly condemns South Africa for obstructing the implementation of Security Council resolutions 385 (1976), 435 (1978) and 439 (1978) and for its manoeuvres, in contravention of those resolutions, designed to consolidate its colonial and neo-colonial interests at the expense of the legitimate aspirations of the Namibian people for genuine self-determination, freedom and national independence in a united Namibia;

27. Demands that South Africa urgently comply fully and unconditionally with the resolutions of the Security Council, in particular resolution 385 (1976) and subsequent resolutions of the Council relating to Namibia;

28. Calls upon the Security Council to act decisively against any dilatory manoeuvres and fraudulent schemes of the illegal occupation régime aimed at frustrating the legitimate struggle of the Namibian people, under the leadership of the South West Africa People's Organization, for self-determination and national liberation, as well as at negating the achievements of their just struggle;

### International Conference in Support of the Struggle of the Namibian People for Independence

#### The General Assembly,

Deeply concerned at the continued refusal of South Africa to comply with the resolutions of the General Assembly and the Security Council demanding the withdrawal of its illegal administration from Namibia,

Mindful of its solemn commitment to the people of Namibia, expressed in its resolution 2145 (XXI) of 27 October 1966, by which it decided to terminate the Mandate of South Africa over Namibia and assume direct responsibility for the Territory until independence,

Deeply conscious of the urgent and continuing need to press for the withdrawal of South Africa from Namibia and the termination of its illegal occupation of Namibia as well as to put an end to South Africa's repression of the Namibian people and its colonialist and racist domination of the Territory,

Bearing in mind the constructive results achieved by the International Conference in Support of the Peoples of Zimbabwe and Namibia, held at Maputo from 16 to 21 May 1977, 31/

Having approved the report of the United Nations Council for Namibia, 32/ including, in particular, the Algiers Declaration and Programme of Action on Namibia, adopted by the Council at its extraordinary plenary meeting held at Algiers on 1 June 1980, 33/

Recalling Security Council resolutions 264 (1969) of 20 March 1969, 269 (1969) of 12 August 1969, 276 (1970) of 30 January 1970, 283 (1970) of 29 July 1970 and 301 (1971) of 20 October 1971,

Recalling the advisory opinion of the International Court of Justice of 21 June 1971, 34/

31/ See A/32/109/Rev.1-S/12344/Rev.1, annex V. For the printed text, see Official Records of the Security Council, Thirty-second Year, Supplement for July, August and September 1977.

34/ Legal Consequences of States of the Continued Presence of South Africa in Namibia (South West Africa) notwithstanding Security Council Resolution 276 (1970), Advisory Opinion, I.C.J. Reports 1971, p. 15.

Recalling the enactment by the United Nations Council for Namibia, on 27 September 1974, of Decree No. 1 for the Protection of the Natural Resources of Namibia, 35/

Recalling its request, contained in its resolution 3295 (XXIX) of 13 December 1974, that all States should comply with Decree No. 1 for the Protection of the Natural Resources of Namibia,

Taking into consideration the Algiers Declaration and Programme of Action on Namibia, adopted at its extraordinary plenary meeting held at Algiers by the United Nations Council for Namibia on 1 June 1980, 36/

Having examined the report of the United Nations Council for Namibia on the hearings on Namibian uranium conducted by the Council from 7 to 11 July 1980, 37/

Recalling its resolution 35/28 of 11 November 1980 on the activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Namibia and in all other Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa,

1. Approves the report of the United Nations Council for Namibia on the hearings on Namibian uranium and the conclusions and recommendations contained therein;

2. Reaffirms that the natural resources of Namibia are the inviolable heritage of the Namibian people and that the rapid depletion of the natural resources of the Territory as a result of the systematic plunder by foreign economic interests, in collusion with the illegal South African administration, is a grave threat to the integrity and prosperity of an independent Namibia;

3. Declares that any State which deprives the Namibian people of the exercise of their legitimate rights over their natural resources or subordinates the right and interests of that people to foreign economic and financial interests violates the solemn obligations it has assumed under the Charter of the United Nations;

4. Declares that, by their depletive exploitation of natural resources and the continued accumulation and repatriation of huge profits, the activities of foreign economic, financial and other interests operating at present in Namibia constitute a major obstacle to its political independence;

5. Calls once again upon all Governments which have not yet done so to take legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in Namibia to put an end to such enterprises and to prevent new investments or prospecting in the Territory;

---

35/ Official Record of the General Assembly, Thirty-fifth Session, Supplement No. 24 (A/35/24), vol. I, annex II.

36/ Ibid., vol. I, para. 91.

37/ Ibid., vol. III.

6. Draws the attention of the Security Council to the fact that the hearings on Namibian uranium have shown serious violations of Council resolutions 276 (1970), 283 (1970) and 301 (1971) and requests the Council to take appropriate action;

7. Also draws the attention of the Security Council to the increased threat to international peace and security caused by the development by South Africa of a nuclear capability using Namibian uranium and the dangers of nuclear proliferation arising from the sale of Namibian uranium without safeguards by South Africa, and requests the Council to take action to ensure that South Africa does not continue to acquire nuclear technology from other countries;

8. Requests the Governments of States whose corporations are involved in Namibian uranium, in particular the Governments of Canada, France, Germany, Federal Republic of, Japan, Switzerland, the United Kingdom of Great Britain and Northern Ireland and the United States of America, to take measures to prohibit their State-owned corporations and other corporations together with their subsidiaries, from all dealings in Namibian uranium and all prospecting activities in Namibia;

9. Notes that the exploitation of Namibian uranium by Western countries, in particular the members of the European Atomic Energy Community, the nature of South Africa's policies regarding Namibian uranium, the collaboration with South Africa by certain Western countries, the transfer of nuclear technology to South Africa and South Africa's large-scale participation in the export of natural and enriched uranium seriously impede the early attainment of independence by Namibia;

10. Notes with grave concern the participation of foreign Governments and State-controlled corporations in the extraction and processing of Namibian uranium and their collaboration with South Africa in the nuclear field, which contributes directly to the development of South Africa's nuclear capability, thus hindering international efforts to secure South Africa's withdrawal from the Territory;

11. Condemns all activities regarding Namibian uranium being carried out in the Territory by State-owned or State-controlled corporations, activities which constitute a clear violation by the Governments concerned of binding resolutions of the Security Council and are thus violations of Article 25 of the Charter of the United Nations;

12. Strongly condemns the collusion of France, Germany, Federal Republic of, Israel and the United States of America with South Africa in the nuclear field, and calls upon all States to refrain from supplying the South African régime, directly or indirectly, with installations that might enable it to produce uranium, plutonium and other nuclear materials, reactors or military equipment;

13. Requests the United Nations Council for Namibia to continue to gather information on Namibian uranium and to take action as appropriate.

## II. ACTIVITIES INVOLVING FINANCIAL IMPLICATIONS

2. Bearing in mind the foregoing recommendations contained in the draft resolution and subject to further directives that might be given by the General Assembly at its thirty-fifth session, the United Nations Council for Namibia will continue to carry out its mandate as the Legal Administering Authority for Namibia until independence, established by the Assembly in its resolution 2248 (S-V).
3. The Algiers Declaration and Programme of Action on Namibia adopted by the United Nations Council for Namibia at its 328th meeting, held at Algiers on 1 June 1980, recalling the Maputo Declaration of 1977, recommended that the General Assembly should request the Secretary-General, in co-operation with the Council and in consultation with the OAU, to organize an international conference in support of the struggle of the Namibian people for self-determination, freedom and national independence in a united Namibia. For this purpose, the Council will hold meetings early in 1981 to review the political scope and the organizational requirements of such a conference.
4. The Council will meet in continuous session throughout the year to endeavour to fulfil its responsibilities to the utmost with respect to Namibia. The Council will continue its policy of sending missions comprised of small groups of members to consult with Governments on the most effective means of implementing United Nations resolutions on Namibia. The Council has actively represented Namibia to ensure that the rights and interests of Namibia are protected in all United Nations and other intergovernmental organizations, bodies and conferences. During 1981, the Council will participate in all such conferences when matters of direct interest and concern to Namibia are involved.
5. The Council will furthermore formulate a programme of co-operation with non-governmental organizations which are actively engaged in supporting the struggle of the Namibian people under the leadership of SWAPO, their sole and authentic representative, in order to intensify international activities in support of the liberation struggle of the Namibian people.
6. The Council also proposes to take appropriate initiatives to continue to inform leading opinion makers, media leaders and members of political and academic institutions about the objectives and functions of the Council and the struggle of the Namibian people under the leadership of SWAPO and to seek their co-operation by inviting them on special occasions to participate in the Council's deliberations.
7. The Council will continue to include in its missions a representative of SWAPO.
8. The Council will consider holding hearings on major issues related to Namibia in order to obtain relevant information and promote international awareness of activities by South Africa and its allies in any area detrimental to the interests of the Namibian people.

9. The Council intends to formulate and direct a world campaign of dissemination of information, to be known as the World Campaign to Support United Nations Resolutions for a Free and Independent Namibia. In co-operation with the appropriate organs of the United Nations, the Council will formulate a Programme of activities on dissemination of information.

10. The general policies referred to above are derived from the draft resolutions submitted to the General Assembly (see para. 1 above) and would imply the following activities involving administrative and financial implications during 1981 as indicated below.

11. The activities and level of expenditure under each of the items mentioned will be kept under the direct control of the Council.

#### A. Missions of consultation of the Council

12. During 1981 the Council will undertake missions to conduct political consultations with Governments as follows: one mission each to Asia, Africa, Eastern Europe, Latin America and Western Europe.

13. It is anticipated that each mission will normally consist of five members in addition to a representative of SWAPO, and four staff members of the Secretariat and that each mission will visit several countries in the region and will stay approximately three days in each country.

#### B. Representation of Namibia in international conferences

14. The Council will represent Namibia at meetings of OAU, which at the seventeenth ordinary session of the Assembly of Heads of State and Governments held at Freetown from 1 to 4 July 1980, decided to grant to the Council permanent observer status in OAU.

15. The Council will participate in meetings of international organizations and conferences according to the priorities of its programmes of work. It is anticipated that there will be 25 to 30 missions of approximately five days' duration each.

16. The Council will also represent Namibia at meetings of the non-aligned countries. In 1981, it is anticipated that the Council will receive an invitation to attend the Conference of the Ministers for Foreign Affairs of Non-Aligned Countries.

17. These missions will include up to three Council members, a representative of SWAPO and not more than two staff members of the Secretariat.

#### C. Activities of the Council regarding non-governmental organizations

18. In conformity with its decision contained in the Algiers Declaration and Programme of Action on Namibia, the Council intends to develop a systematic programme of co-operation with non-governmental organizations which are actively

engaged in supporting the struggle of the Namibian people under the leadership of SWAPO, their sole and authentic representative.

19. In order to ensure this objective, the Council will continue contacts with approximately 20 of the major non-governmental organizations active in this area. For this purpose, up to three members of the Council, accompanied by not more than two staff members of the Secretariat, are expected to travel to Western Europe approximately five times during the year.

20. The Council proposes that the General Assembly should allocate from the regular budget of the United Nations the sum of \$US 200,000 to attend conferences in solidarity with Namibia organized by non-governmental organizations, to disseminate information on the conclusions of such conferences and to engage in such other activities that will promote the cause of the liberation struggle of the Namibian people.

#### D. Support of the South West Africa People's Organization

21. In accordance with the recommendations contained in the draft resolutions, the General Assembly would decide to continue to defray the expenses of the SWAPO office in New York in order to ensure the due and proper representation of the people of Namibia through SWAPO at the United Nations. SWAPO's requirements for 1981 will remain at the same level as that for 1980, 34/ taking into account the inflation correction factor established for the regular budget of the United Nations, for the following items: (a) salaries; (b) rent; (c) telex; (d) telephone; (e) news agency service; (f) utilities (electricity, water, etc.); (g) rental of copying equipment; (h) stationery; (i) postage; (j) printing; (k) films, books, newspapers and periodicals (information purposes); (l) supply and delivery of official United Nations documents to SWAPO office; and (m) official travel (expenses of the Permanent Observer and his Deputy as well as travel and subsistence of other SWAPO members to New York, for the purpose of representing Namibia at the United Nations, to the extent not otherwise covered by the proposed budget of 1981 with regard to representation of SWAPO in missions of the Council).

22. The Council will continue to invite, whenever necessary, SWAPO officials based outside Headquarters to attend meetings dealing with matters of interest to the liberation struggle of the Namibian people. It is expected that approximately 20 persons will be invited to New York, each for an approximate duration of one week.

#### E. Contacts with leading opinion-makers and political and academic institutions

23. During 1981, the Council will endeavour to contact leading opinion-makers and political and academic institutions in member countries. In its programme of work, the Council envisages 20 such contacts by members of the Council assisted, when necessary, by a staff member of the Secretariat.

25. The President of the Council or his representative, the Vice-Chairman and Rapporteur of the Committee on the United Nations Fund for Namibia and two members of the Council represent the Council on the Senate of the United Nations Institute for Namibia at Lusaka. During 1981, it is anticipated that delegations of the Council, accompanied by appropriate staff members of the Secretariat, will participate in two annual meetings of the Senate in order to continue to provide the policy guidance necessary to ensure the effectiveness of the Council in the exercise of its responsibilities with respect to the Institute.

G. Implementation of Decree No. 1 for the Protection of the Natural Resources of Namibia

26. During 1981, the Council intends to obtain increasing support of the international community for the implementation of Decree No. 1 for the Protection of the Natural Resources of Namibia.

27. The activities of the Council in this regard would include the following initiatives:

(b) Carrying out consultations on modalities of legal activities to be undertaken by Member States in connexion with the Decree;

(c) Continuing in-depth, its investigations relating to the exploitation and trade of Namibian uranium, including the services of a consultant for a period of approximately three months.

28. In this connexion, the Council will require budgetary allocations to cover expenditures related to five days of hearings in New York; the production of verbatim records of those hearings as well as for the production of documentation before, during and after the hearings; and the cost of inviting approximately 20 witnesses to New York for an estimated stay of three days each.

H. Hearings on other major issues related to Namibia

29. The Council intends to hold hearings in order to obtain relevant information and promote international awareness of the activities of South Africa and its allies which are detrimental to the interests of the Namibian people. The Council is concerned, among other issues, with:

(a) The increasing militarization of the Territory of Namibia by South Africa;

(b) The extent of South Africa's manoeuvres to annex Walvis Bay and the Penguin and other off-shore islands; and

(c) South Africa's illegal attempts to establish a territorial sea and economic zone off Namibia for its own benefit.

30. For each programme of hearings the Council will require budgetary allocations to cover expenditures related to five days of hearings in New York; the production of verbatim records of those hearings and the production of documentation before, during and after the hearings; and the cost of inviting approximately 20 witnesses to New York for an estimated stay of three days each.

I. World Campaign to Support United Nations Resolutions for a Free and Independent Namibia

31. During 1981, the Council will determine specific projects relating to the dissemination of information on the question of Namibia in the following areas, among others:

(a) Preparation of publications on the political, economic, military and social consequences of the illegal occupation of Namibia by South Africa;

(b) Production of economic maps on Namibia;

(c) Production of radio programmes in English, French, German and Spanish designed to draw the attention of world public opinion to the current situation in Namibia;

(d) Production of material for publicity through radio and television broadcasts;

(e) Preparation and publication of six issues of the Namibia Bulletin in English, French, German and Spanish;

(f) Placement of advertisements in newspapers and magazines;

(g) Production of films on Namibia;

(h) Production of posters;

(i) Full utilization of the resources related to press releases, press conferences and press briefings in order to maintain a constant flow of information to the public on all aspects of the question of Namibia.

32. The objectives of the World Campaign to Support United Nations Resolutions for a Free and Independent Namibia are the following:

(a) To ensure the availability in all United Nations information centres of an ample supply of publications on Namibia and of films, posters and exhibits on the situation in Namibia as defined by the Council;

(b) To ensure that the specialized agencies and other organizations within the United Nations system are fully informed of the question of Namibia and, within their policies and programmes, recognize the special position of the Council as the legal Administering Authority for Namibia;

(c) To ensure that the major non-governmental organizations receive an adequate supply of material from the Council in support of its policies for self-determination, freedom and national independence for the Namibian people under the leadership of SWAPO, their sole and authentic representative.

J. Review of the requirements of the Secretariat unit which services the Council as the legal Administering Authority for Namibia

33. The intensification of the efforts of the Council in support of self-determination, freedom and national independence for the Namibian people have greatly expanded the activities of the Council with respect to consultations with Governments, participation in international organizations and conferences, preparation of documentation and contacts with leading personalities in the information media as well as with the non-governmental organizations actively supporting the cause of the liberation struggle of the Namibian people. To meet the current workload of the Council, the staffing of its secretariat should be kept at a level not less than that established at the previous sessions of the General Assembly. The Council therefore recommends that the General Assembly should decide to maintain during 1981 the temporary posts created at its thirty-third session, namely two Professional posts at the P-4 level and one General Service post at the G-4 level, as well as the post temporarily redeployed from another division of the Department.

K. Activities related to the Nationhood Programme for Namibia

34. The Council requests the General Assembly to authorize funds for the publication of an information booklet on the Nationhood Programme.

L. United Nations Fund for Namibia

35. The Council proposes that the General Assembly should allocate the sum of \$US 500,000 from the regular budget of the United Nations to the United Nations Fund for Namibia as a temporary measure for 1981.

36. In conformity with the recommendations contained in the report of the Vice-Chairman and Rapporteur on the activities of the United Nations Fund for Namibia, the Council requests that the General Assembly approve one temporary G-5 post to assist the United Nations Commissioner for Namibia in the administrative tasks of his office.

37. The Council intends to organize as required not more than three missions to undertaking fund-raising consultations with major donors and potential contributors to the Fund. Such missions would be led by the Vice-Chairman and Rapporteur of the Committee on the Fund for Namibia and would include at most two additional members of the Office of the United Nations Commissioner for Namibia.

M. Contribution of the Council to the specialized agencies

38. Namibia, represented by the Council, has become a full member of UNESCO, FAO and the ILO. Appropriate allocations are therefore required on an annual basis to meet the cost of membership in those organizations.

N. International conference in support of the struggle of the Namibian people for independence

39. In order to advance preparations for an international conference in support of the struggle of the Namibian people, the General Assembly should authorize the Secretary-General to undertake all administrative and publicity tasks required for the full success of the conference.
