A

The General Assembly,

Referring to its resolution 3190 (XXVIII) of 18 December 1973, by which it decided to include Arabic among the official and working languages of the General Assembly and its Main Committees,

Referring also to its resolution 34/226 of 20 December 1979, by which the Arabic language establishment was put on a par with the establishments for all the other official and working languages,

2. *Requests* the Security Council to include Arabic among its official and working languages and the Economic and Social Council to include Arabic among its official languages, no later than 1 January 1983;

3. *Requests* the Secretary-General to take the necessary measures to that end and to report to the General Assembly at its thirty-sixth session on the implementation of the present resolution.
