#### Report of the Fifth Committee (Part V)

Rapporteur: Mr. Mahbub KABIR (Bangladesh)

#### I. INTRODUCTION

1. The previous recommendations made by the Fifth Committee to the General Assembly under agenda item 136 appear in the reports of the Committee contained in documents A/48/819 and Add.1, 2 and 3.
2. At its 72nd and 74th meetings, on 11 and 19 July 1994, the Fifth Committee considered the item entitled "Financing of the United Nations Protection Force". Statements and observations made in the course of the Committee's consideration of the item are reflected in the relevant summary records (A/C.5/48/SR.72 and 74).

#### II. CONSIDERATION OF DRAFT RESOLUTION A/C.5/48/L.82

3. At the 74th meeting, on 19 July 1994, the representative of Australia introduced a draft resolution entitled "Financing of the United Nations Protection Force" (A/C.5/48/L.82), which was submitted on the basis of informal consultations.
4. At the same meeting, the Committee adopted draft resolution A/C.5/48/L.82 without a vote (see para. 5).

#### III. RECOMMENDATION OF THE FIFTH COMMITTEE

5. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

Financing of the United Nations Protection Force

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Protection Force 1/ and the related report of the Advisory Committee on Administrative and Budgetary Questions, 2/

Bearing in mind Security Council resolutions 727 (1992) of 8 January 1992 and 740 (1992) of 7 February 1992, in which the Council endorsed the sending of a group of military liaison officers to Yugoslavia to promote maintenance of the cease-fire,

Bearing in mind also Security Council resolution 743 (1992) of 21 February 1992, by which the Council established the United Nations Protection Force and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 908 (1994) of 31 March 1994,

Recalling its resolutions 46/233 of 19 March 1992 on the financing of the Force and the subsequent resolutions and decisions, the latest of which were resolution 48/238 of 24 March 1994 and decision 48/470 C of 14 April 1994,

Reaffirming that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Force by certain Governments,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

---

1/ A/48/690/Add.3.

2/ A/48/961.
