

within the area, as envisaged in the Declaration of the Indian Ocean as a Zone of Peace, and respect for the independence, sovereignty and territorial integrity of the littoral and hinterland States,

*Calling* for the renewal of genuinely constructive efforts through the exercise of the political will necessary for the achievement of the objectives of the Declaration of the Indian Ocean as a Zone of Peace,

*Deeply concerned* at the danger posed by the grave and ominous developments in the area and the resulting sharp deterioration of peace, security and stability which particularly seriously affect the littoral and hinterland States, as well as international peace and security,

*Convinced* that the continued deterioration of the political and security climate in the Indian Ocean area is an important consideration bearing on the question of the urgent convening of the Conference and that the easing of tension in the area would enhance the prospect of success being achieved by the Conference,

3. *Emphasizes* its decision to convene the Conference on the Indian Ocean at Colombo as a necessary step for the implementation of the Declaration of the Indian Ocean as a Zone of Peace adopted in 1971;

5. *Requests* the *Ad Hoc* Committee, taking into account the political and security climate in the region, to complete preparatory work relating to the Conference on the Indian Ocean during 1987 in order to enable the opening of the Conference at Colombo at an early date soon thereafter, but not later than 1988, to be decided by the Committee in consultation with the host country, with a clear understanding that if preparatory work is not completed in 1987 serious consideration will be given to ways and means of more effectively organizing work in the *Ad Hoc* Committee to enable it to fulfil its mandate;

6. *Emphasizes* that the Conference called for in resolution 34/80 B and subsequent resolutions and the establishment and maintenance of the Indian Ocean as a zone of peace require the full and active participation and cooperation of all the permanent members of the Security Council, the major maritime users and the littoral and hinterland States;

7. *Decides* that preparatory work would comprise organizational matters and substantive issues, including the provisional agenda for the Conference, rules of procedure, participation, stages of the Conference, level of representation, documentation, consideration of appropriate arrangements for any international agreements that may ultimately be reached for the maintenance of the Indian Ocean as a zone of peace and the preparation of the draft final document of the Conference;

8. *Requests* the *Ad Hoc* Committee at the same time to seek the necessary harmonization of views on remaining relevant issues;

9. *Requests* the Chairman of the *Ad Hoc* Committee to consult the Secretary-General at the appropriate time on the establishment of a secretariat for the Conference;

10. *Renews* the mandate of the *Ad Hoc* Committee as defined in the relevant resolutions, and requests the Committee to intensify its work with regard to the implementation of its mandate;

11. *Requests* the *Ad Hoc* Committee to hold two preparatory sessions in 1987 each of a duration of two weeks for completion of preparatory work;

12. *Requests* the *Ad Hoc* Committee to submit to the Conference a report on its preparatory work;

14. *Requests* the *Ad Hoc* Committee to submit to the General Assembly at its forty-second session a full report on the implementation of the present resolution;

15. *Requests* the Secretary-General to continue to render all necessary assistance to the *Ad Hoc* Committee, including the provision of summary records, in recognition of its preparatory function.
