

42/42. Review of the implementation of the recommendations and decisions adopted by the General Assembly at its tenth special session

A

NON-USE OF NUCLEAR WEAPONS AND PREVENTION
OF NUCLEAR WAR

The General Assembly,

Recalling that, in accordance with paragraph 20 of the Final Document of the Tenth Special Session of the General Assembly,¹¹ the first special session devoted to disarmament, effective measures of nuclear disarmament and the prevention of nuclear war have the highest priority and that this commitment was reaffirmed by the Assembly at its twelfth special session, the second special session devoted to disarmament,

Recalling also that, in paragraph 58 of the Final Document, it is stated that all States, in particular nuclear-weapon States, should consider as soon as possible various proposals designed to secure the avoidance of the use of nuclear weapons, the prevention of nuclear war and related objectives, where possible through international agreement, and thereby ensure that the survival of mankind is not endangered,

Reaffirming that the nuclear-weapon States have the primary responsibility for nuclear disarmament and for undertaking measures aimed at preventing the outbreak of nuclear war,

Convinced that it is possible and necessary for mankind to block the way to a nuclear catastrophe and that the renunciation of the first use of nuclear weapons is a most urgent measure to this end,

Stressing that a nuclear war cannot be won and must never be fought,

Recalling that in the Political Declaration adopted at the Eighth Conference of Heads of States or Government of Non-Aligned Countries, held at Harare from 1 to 6 September 1986, all nuclear-weapon States were called upon to enter early into an internationally binding commitment not to be the first to use or to threaten to use nuclear weapons,⁹⁰

Emphasizing that for the sake of international peace and security, military concepts and doctrines must be of a strictly defensive character,

1. *Considers* that the solemn declarations by two nuclear-weapon States made or reiterated at the twelfth special session of the General Assembly, concerning their respective obligations not to be the first to use nuclear weapons, offer an important avenue to decrease the danger of nuclear war;

2. *Expresses the hope* that those nuclear-weapon States which have not yet done so would consider making similar declarations with respect to not being the first to use nuclear weapons;

3. *Requests* the Conference on Disarmament to commence negotiations on the item "Prevention of nuclear war" of its agenda and to consider, *inter alia*, the elaboration of an international instrument of a legally binding character laying down the obligation not to be the first to use nuclear weapons;

4. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Non-use of nuclear weapons and prevention of nuclear war".

REVIEW OF THE IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS ADOPTED BY THE GENERAL ASSEMBLY AT ITS TENTH SPECIAL SESSION

The General Assembly,

Recalling its resolutions 39/148 L of 17 December 1984, 40/152 J of 16 December 1985 and 41/86 J of 4 December 1986,

Taking note of the report of the Secretary-General on this subject submitted pursuant to resolution 41/86 J,⁹¹

Noting with concern that the problem identified in the above-mentioned resolutions has not been alleviated,

Firmly convinced that all States have a vital interest in the success of disarmament negotiations,

Bearing in mind paragraph 28 of the Final Document of the Tenth Special Session of the General Assembly,¹¹ in which it affirmed that all States have the duty to contribute to efforts in the field of disarmament and that all States have the right to participate in disarmament negotiations, as well as paragraphs 120 (g) and (h) of the Final Document,

Recalling further its resolution 38/183 F of 20 December 1983, in which it called upon the Governments of all States to contribute substantially, *inter alia*, to halting and reversing the arms race, particularly in the nuclear field, and thus to reducing the danger of nuclear war,

1. *Reiterates once more* the right of all States not members of the Conference on Disarmament to participate in the work of the plenary meetings of the Conference on substantive questions;

2. *Urges* States members of the Conference on Disarmament not to misuse the rules of procedure of the Conference so as to prevent States not members from exercising their right to participate in the work of the Conference;

3. *Requests* the Secretary-General to report to the General Assembly at its forty-third session on the progress made in the implementation of the present resolution.

C

CESSATION OF THE NUCLEAR-ARMS RACE
AND NUCLEAR DISARMAMENT

The General Assembly,

Recalling that, in paragraph 11 of the Final Document of the Tenth Special Session of the General Assembly,¹¹ the Assembly stated that the nuclear-arms race, far from contributing to the strengthening of the security of all States, on the contrary weakens it and increases the danger of the outbreak of a nuclear war and that existing

⁹¹ A/42/552.

arsenals of nuclear weapons are more than sufficient to destroy all life on Earth,

Recalling also that, in paragraph 47 of the Final Document, the Assembly expressed the belief that nuclear weapons pose the greatest danger to mankind and to the survival of civilization, that it is essential to halt and reverse the nuclear-arms race in all its aspects in order to avert the danger of war involving nuclear weapons, and that the ultimate goal in this context is the complete elimination of nuclear weapons,

Noting that, in the Political Declaration adopted by the Seventh Conference of Heads of State or Government of Non-Aligned Countries, held at New Delhi from 7 to 12 March 1983, it was stated that the renewed escalation in the nuclear-arms race, as well as reliance on doctrines of nuclear deterrence, had heightened the risk of the outbreak of nuclear war and led to greater insecurity and instability in international relations, and that it was also stated that nuclear weapons were more than weapons of war, that such weapons were instruments of mass annihilation,⁹²

Noting further that, in the Political Declaration adopted by the Eighth Conference of Heads of State or Government of Non-Aligned Countries, held at Harare from 1 to 6 September 1986, it was stated that the idea that world peace could be maintained through nuclear deterrence, a doctrine that lay at the root of the continuing escalation in the quantity and quality of nuclear weapons, was the most dangerous myth in existence,⁹³

Believing that all nations have a vital interest in negotiations on nuclear disarmament because the existence of nuclear weapons in the arsenals of a handful of States directly and fundamentally jeopardizes the vital security interests of both nuclear and non-nuclear-weapon States alike,

Welcoming proposals on the complete elimination of nuclear weapons throughout the world,

Considering that it is necessary to halt all testing, production and deployment of nuclear weapons of all types and versions and their delivery systems as a first step in the process that should lead to the achievement of substantial reductions in nuclear forces, and welcoming in this context the Joint Declaration issued on 22 May 1984 by the heads of State or Government of Argentina, Greece, India, Mexico, Sweden and the United Republic of Tanzania,⁹⁴ which was reaffirmed in the Delhi Declaration⁹⁵ and the Mexico Declaration⁹⁶ issued by the leaders of those States on 28 January 1985 and 7 August 1986, respectively,

Noting that in the Conference on Disarmament, at its 1987 session, several proposals were presented for the consideration of practical measures,

Regretting, however, that the Conference on Disarmament was unable to reach agreement on the establishment of an *ad hoc* committee on the cessation of the nuclear-arms race and nuclear disarmament,

Convinced of the imperative need to take constructive action towards halting and reversing the nuclear-arms race,

1. *Reaffirms* that the existence of bilateral negotiations on nuclear and space arms in no way diminishes the urgent need to initiate multilateral negotiations in the Conference on Disarmament on the cessation of the nuclear-arms race and nuclear disarmament;

2. *Believes* that efforts should be intensified with a view to initiating, as a matter of the highest priority, multilateral negotiations in accordance with the provisions of paragraph 50 of the Final Document of the Tenth Special Session of the General Assembly;¹¹

3. *Again requests* the Conference on Disarmament to establish an *ad hoc* committee at the beginning of its 1988 session to elaborate on paragraph 50 of the Final Document and to submit recommendations to the Conference as to how it could best initiate multilateral negotiations of agreements, with adequate measures of verification, in appropriate stages for:

(a) Cessation of the qualitative improvement and development of nuclear-weapon systems;

(b) Cessation of the production of all types of nuclear weapons and their means of delivery, and of the production of fissionable material for weapons purposes;

(c) Substantial reduction in existing nuclear weapons with a view to their ultimate elimination;

4. *Requests* the Conference on Disarmament to report to the General Assembly at its forty-third session on its consideration of this subject;

5. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Cessation of the nuclear-arms race and nuclear disarmament".

D

PREVENTION OF NUCLEAR WAR

The General Assembly,

Alarmed by the threat to the survival of mankind posed by the existence of nuclear weapons and the continuing nuclear-arms race,

Deeply concerned by an increased danger of nuclear war as a result of the intensification of the nuclear-arms race and the serious deterioration of the international situation,

Conscious that removal of the threat of nuclear war is the most acute and urgent task of the present day,

Reiterating that it is the shared responsibility of all Member States to save succeeding generations from the scourge of another world war, which would inevitably be a nuclear war,

Recalling the provisions of paragraphs 47 to 50 and 56 to 58 of the Final Document of the Tenth Special Session of the General Assembly¹¹ regarding the procedures designed to secure the avoidance of nuclear war,

Recalling also that at the Seventh Conference of Heads of State or Government of Non-Aligned Countries, held at New Delhi from 7 to 12 March 1983, it was stated that nuclear weapons were more than weapons of war, they were instruments of mass annihilation,⁹² and that at the Eighth Conference of Heads of State or Government of Non-Aligned Countries, held at Harare from 1 to 6 September 1986, it was stated that the accumulation of weapons, in particular nuclear weapons, constituted a threat to the survival of mankind and that, therefore, it had become imperative that States abandon the dangerous goal of uni-

lateral security through armament and embrace the objective of common security through disarmament.⁹⁷

Recalling further its resolutions 36/81 B of 9 December 1981, 37/78 I of 9 December 1982, 38/183 G of 20 December 1983, 39/148 P of 17 December 1984, 40/152 Q of 16 December 1985 and, in particular, its resolution 41/86 G of 4 December 1986, in which it expressed its conviction that, in view of the urgency of the matter and the inadequacy or insufficiency of existing measures, it was necessary to devise suitable steps to expedite effective action for the prevention of nuclear war, and once more requested the Conference on Disarmament to undertake, as a matter of the highest priority, negotiations with a view to achieving agreement on appropriate and practical measures for the prevention of nuclear war,

Having considered that part of the report of the Conference on Disarmament on its 1987 session relating to this question,⁹⁸

Noting with grave concern that the Conference on Disarmament was once again unable to start negotiations on the question during its 1987 session,

Taking into account the deliberations on this item at its forty-second session,

Convinced that the prevention of nuclear war and the reduction of the risk of nuclear war are matters of the highest priority and of vital interest to all people of the world,

Also convinced that the prevention of nuclear war is a problem too important to be left to the nuclear-weapon States alone,

1. *Notes with regret* that, despite the fact that the Conference on Disarmament has discussed the question of the prevention of nuclear war for several years, it has been unable even to establish a subsidiary body to consider appropriate and practical measures to prevent it;

2. *Reiterates its conviction* that, in view of the urgency of the matter and the inadequacy or insufficiency of existing measures, it is necessary to devise suitable steps to expedite effective action for the prevention of nuclear war;

3. *Again requests* the Conference on Disarmament to undertake, as a matter of the highest priority, negotiations with a view to achieving agreement on appropriate and practical measures that could be negotiated and adopted individually for the prevention of nuclear war and to establish for that purpose an *ad hoc* committee on the subject at the beginning of its 1988 session;

4. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Prevention of nuclear war".

INTERNATIONAL CO-OPERATION FOR DISARMAMENT

The General Assembly,

Stressing again the urgent need for an active and sustained effort to expedite the implementation of the recommendations and decisions unanimously adopted at its tenth special session,¹¹ the first special session devoted to disarmament,

Recalling the Declaration on International Co-operation for Disarmament of 11 December 1979⁹⁹ and its resolutions 36/92 D of 9 December 1981, 37/78 B of 9 December 1982, 38/183 F of 20 December 1983, 39/148 M of 17 December 1984, 40/152 I of 16 December 1985 and 41/86 K of 4 December 1986,

Stressing the vital need to proceed to balanced, mutually acceptable, comprehensively verifiable and effective measures towards halting the arms race and attaining disarmament, particularly in the nuclear field, for the preservation of peace and the strengthening of comprehensive international security,

Bearing in mind the vital interests of all States in the adoption of concrete effective disarmament measures, which would, through conversion, release considerable material, financial and human resources to be used for peaceful purposes and, with the assistance of the respective international machinery, particularly for overcoming economic underdevelopment in the developing countries,

Convinced of the need to strengthen constructive international co-operation based on the political goodwill of States for successful negotiations on disarmament, and on the increased openness in military matters in accordance with the priorities established in the Final Document of the Tenth Special Session of the General Assembly,¹¹

Stressing that international co-operation for disarmament should, as a matter of priority, be aimed at averting nuclear war through the gradual elimination of nuclear weapons and other weapons of mass destruction, the discontinuation of nuclear-weapon tests, the prevention of an arms race in outer space and conventional disarmament on a global scale, taking into account the characteristics of the different regions, and at confidence-building as an indispensable component of relations among States,

Considering that the progress towards a nuclear-weapon-free world can be executed stage by stage in terms of both participation and armaments to be covered, with the steady strengthening of international security and stability,

Believing that a broader internationalization of all disarmament negotiations would be an important factor contributing to their success,

Noting with satisfaction an increased dynamism of the efforts of the international community to avert the nuclear threat and to make a genuine breakthrough in the field of disarmament,

Emphasizing that the two nuclear-weapon States possessing the most important nuclear arsenals should continue and further expedite their negotiations with a view to curbing the nuclear-arms race while mutually refraining from launching weapons into outer space,

Believing that all nuclear-weapon States should make their national contributions to the establishment of a nuclear-weapon-free world,

Conscious that in the nuclear space age the reliable security of all countries in all spheres of international relations can be ensured only by political means, through the joint efforts of all States,

1. *Invites* all States further to increase co-operation and to strive actively for meaningful disarmament negotiations on the basis of reciprocity, equality, undiminished security and the non-use of force in international relations, so that they may prevent the qualitative enhancement and quantitative accumulation of weapons,

⁹⁷ See A/41/697-S/18392, annex, sect. I, para. 31.

as well as the development of new types and systems of weaponry, especially weapons of mass destruction, and secure a meaningful and all-embracing disarmament process;

2. *Stresses* the importance of strengthening the effectiveness of the United Nations in fulfilling its central role and primary responsibility in the sphere of disarmament;

3. *Emphasizes* the necessity of refraining from the dissemination of any doctrines and concepts that may endanger international peace and security by justifying nuclear war;

4. *Invites* all States to consider, in a spirit of co-operation, ways and means to achieve a broader internationalization of the current disarmament negotiations;

5. *Declares* that the use of force in international relations as well as in attempts to prevent the full implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples¹⁰⁰ constitutes a phenomenon incompatible with the idea of international co-operation for disarmament;

6. *Reiterates its profound conviction* that outer space should be excluded from the sphere of military preparation and used exclusively for peaceful purposes, for the benefit of all mankind;

7. *Appeals* to States members of military groupings to promote, on the basis of the Final Document of the Tenth Special Session of the General Assembly and in a spirit of co-operation and openness, the gradual mutual limitation of their military activities as well as the reduction of their armed forces and armaments, thus creating conditions for their dissolution;

8. *Calls upon* all Member States and the international organizations concerned to continue to cultivate and disseminate, particularly in connection with the World Disarmament Campaign, launched by the General Assembly at its twelfth special session, the second special session devoted to disarmament, the idea of international co-operation for disarmament;

9. *Calls upon* the Governments of all States to contribute substantially to halting and reversing the arms race, particularly in the nuclear field, and thus to reducing the danger of nuclear war and to strengthening international peace and security.

VERIFICATION IN ALL ITS ASPECTS

The General Assembly,

Recalling its resolutions 40/152 O of 16 December 1985 and 41/86 Q of 4 December 1986,

Conscious of the urgent need to reach agreements on arms limitation and disarmament measures capable of contributing to the maintenance of peace and security,

Convinced that, if such measures are to be effective, they must be fair and balanced and acceptable to all parties, their substance must be clear and compliance with them must be evident,

Noting that the critical importance of verification of and compliance with agreements is universally recognized,

Reaffirming its conviction, as expressed in paragraph 91 of the Final Document of the Tenth Special Session of the General Assembly,¹¹ adopted by consensus at that session, its first special session devoted to disarmament, that in order to facilitate the conclusion and effective implementation of disarmament agreements and to create confidence, States should accept appropriate provisions for verification in such agreements.

Reiterating its view that:

(a) Disarmament and arms limitation agreements should provide for adequate and effective measures of verification satisfactory to all parties concerned in order to create the necessary confidence and to ensure that they are being observed by all parties;

(b) The form and modalities of the verification to be provided for in any specific agreement depend upon and should be determined by the purposes, scope and nature of the agreement;

(c) Agreements should provide for the participation of parties directly or through the United Nations system in the verification process;

(d) Where appropriate, a combination of several methods of verification as well as other compliance procedures should be employed;

Recalling that:

(a) In the context of international disarmament negotiations, the problem of verification should be further examined and adequate methods and procedures in this field should be considered;

(b) Every effort should be made to develop appropriate methods and procedures that are non-discriminatory and that do not unduly interfere with the internal affairs of other States or jeopardize their economic and social development,

Believing that verification techniques should be developed as an objective means of determining compliance with agreements and appropriately taken into account in the course of disarmament negotiations,

Noting with satisfaction that part of the report of the Disarmament Commission relating to this question,¹⁰¹

1. *Calls upon* Member States to increase their efforts towards achieving agreements on balanced, mutually acceptable, comprehensively verifiable and effective arms limitation and disarmament measures;

2. *Encourages* all States that have not already done so to communicate to the Secretary-General, not later than 31 March 1988, their views and suggestions on verification principles as invited by the General Assembly in its resolution 41/86 Q;

3. *Urges* individual Member States and groups of Member States possessing verification expertise to consider means by which they can contribute to, and promote the inclusion of, adequate and effective verification measures in arms limitation and disarmament agreements;

4. *Requests* the Disarmament Commission to conclude its consideration of verification in all its aspects at its 1988 substantive session, in the context of pursuing general and complete disarmament under effective international control, as a matter of critical importance in the negotiation and implementation of arms limitation and disarmament, with a view to the elaboration of concrete recommendations and proposals, as appropriate, regarding verification in all its aspects, including principles, provisions and tech-

niques to promote the inclusion of adequate verification in arms limitation and disarmament agreements and the role of the United Nations and its Member States in the field of verification, and to report on its deliberations, conclusions and recommendations to the General Assembly at its third special session devoted to disarmament and at its forty-third session;

5. *Requests* the Secretary-General to prepare for the Disarmament Commission at its 1988 substantive session a compilation of the views received from Member States on the issue;

6. *Also requests* the Secretary-General to bring the present resolution to the attention of the General Assembly at its third special session devoted to disarmament;

7. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Verification in all its aspects".

Taking into account the relevant sections of the Concluding Document of the Twelfth Special Session of the General Assembly,⁷⁸ the second special session devoted to disarmament,

Considering the role that the Disarmament Commission has been called upon to play and the contribution that it should make in examining and submitting recommendations on various problems in the field of disarmament and in the promotion of the implementation of the relevant decisions of the tenth special session,

1. *Takes note* of the report of the Disarmament Commission;

2. *Notes* that the Disarmament Commission has yet to conclude its consideration of some items on its agenda, but notes also with appreciation the progress achieved on some of the items;

4. *Stresses* the importance for the Disarmament Commission to work on the basis of a relevant agenda of disarmament topics, thereby enabling the Commission to concentrate its efforts and thus optimize its progress on specific subjects in accordance with resolution 37/78 H:

5. *Requests* the Disarmament Commission to continue its work in accordance with its mandate, as set forth in paragraph 118 of the Final Document of the Tenth Special Session of the General Assembly, and with paragraph 3 of resolution 37/78 H, and to that end to make every effort to achieve specific recommendations, at its 1988 substantive session, on the outstanding items on its agenda, taking into account the relevant resolutions of the General Assembly as well as the results of its 1987 substantive session;

6. *Also requests* the Disarmament Commission to meet for a period not exceeding four weeks during 1988 and to submit a substantive special report, containing specific recommendations on the items included in its agenda, to the third special session of the General Assembly devoted to disarmament, as well as a report to the Assembly at its forty-third session;

7. *Requests* the Secretary-General to transmit to the Disarmament Commission the report of the Conference on Disarmament,⁴³ together with all the official records of the forty-second session of the General Assembly relating to disarmament matters, and to render all assistance that the Commission may require for implementing the present resolution;

8. *Also requests* the Secretary-General to ensure full provision to the Commission and its subsidiary bodies of interpretation and translation facilities in the official languages, and to assign, as a matter of priority, all the necessary resources and services to this end;

9. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Report of the Disarmament Commission".

DISARMAMENT WEEK

The General Assembly,

Gravely concerned at the continuing arms race,

Stressing the vital importance of eliminating the threat of a nuclear war, ending the nuclear-arms race and bringing about disarmament for the maintenance of world peace and security,

Emphasizing anew the need for and the importance of wide and continued mobilization of world public opinion in support of halting and reversing the arms race, especially the nuclear-arms race, in all its aspects,

Taking into account the aspirations of the world public to prevent an arms race in space and to terminate it on Earth and to eliminate nuclear weapons and other types of weapons of mass destruction,

Urging all Member States not to interfere with the rights of their citizens to organize and participate in the anti-war and anti-nuclear-weapon-threat demonstrations and movement,

Noting with satisfaction the broad and active support by Governments and international and national organizations of the decision taken by the General Assembly at its tenth special session, the first special session devoted to disarmament, regarding the proclamation of the week starting 24 October, the day of the foundation of the United Nations, as a week devoted to fostering the objectives of disarmament,¹⁰²

¹⁰² Resolution S-10/2, para. 102.

COMPREHENSIVE PROGRAMME OF DISARMAMENT

The General Assembly,

Recalling its resolutions 38/183 K of 20 December 1983, 39/148 I of 17 December 1984 and 40/152 D of 16 December 1985, in which it requested the Conference on Disarmament to submit to the General Assembly at its forty-first session a complete draft of the comprehensive programme of disarmament,

Bearing in mind its decision 41/421 B of 14 September 1987, by which it took note of the report of the Conference

on Disarmament,¹⁰⁶ containing the report of the *Ad Hoc* Committee on the Comprehensive Programme of Disarmament¹⁰⁷ concerning its work during the 1987 session of the Conference, and decided to include in the provisional agenda of its forty-second session the sub-item entitled "Comprehensive programme of disarmament: report of the Conference on Disarmament",

Noting that, in its report, the *Ad Hoc* Committee agreed to recommend to the Conference on Disarmament that the Committee be re-established at the outset of the 1988 session, with a view to resolving outstanding issues and concluding negotiations on the programme in time for its submission to the General Assembly at its third special session devoted to disarmament,

Noting further that the Conference on Disarmament agreed to that recommendation,

1. Regrets that the Conference on Disarmament was unable to complete the elaboration of the comprehensive programme of disarmament in 1987 and to submit a draft thereof to the General Assembly at its forty-first session;

2. Urges the Conference on Disarmament to resume the work on the elaboration of the comprehensive programme of disarmament at the outset of its 1988 session with a view to resolving outstanding issues and concluding negotiations on the programme in time for its submission to the General Assembly at its third special session devoted to disarmament, and, for that purpose, to re-establish its *Ad Hoc* Committee on the Comprehensive Programme of Disarmament.

Reaffirming the valuable contribution that United Nations studies can make to the discussion and consideration of disarmament issues,

Noting with appreciation the views of Member States contained in the report of the Secretary-General,¹⁰⁸

Taking into consideration that the Advisory Board on Disarmament Studies also functions as the Board of Trustees of the United Nations Institute for Disarmament Research,

Noting that the establishment of the United Nations Institute for Disarmament Research offers new opportunities regarding research in the field of disarmament,

1. Takes note with appreciation of the report of the Advisory Board on Disarmament Studies;¹⁰⁹

REPORT OF THE CONFERENCE ON DISARMAMENT

The General Assembly,

Recalling the relevant portions of the Final Document of the Tenth Special Session of the General Assembly,¹¹ in particular paragraph 120,

Bearing in mind that considerable and urgent work remains to be accomplished in the field of disarmament,

Convinced that the Conference on Disarmament, as the single multilateral disarmament negotiating forum, should play a central role in the implementation of the Programme of Action set forth in section III of the Final Document of the Tenth Special Session,

Having considered the report of the Conference on Disarmament,⁴³ which the Conference adopted by consensus,

1. *Takes note* of the report of the Conference on Disarmament on its 1987 session;

2. *Reaffirms* the role of the Conference on Disarmament as the single multilateral disarmament negotiating forum of the international community;

3. *Requests* the Conference on Disarmament to intensify its work in accordance with the relevant provisions set forth in paragraph 120 of the Final Document of the Tenth Special Session;

4. *Also requests* the Conference on Disarmament to submit a report on its work to the General Assembly at its forty-third session;

REPORT OF THE CONFERENCE ON DISARMAMENT

The General Assembly,

Recalling its resolutions 34/83 B of 11 December 1979, 35/152 J of 12 December 1980, 36/92 F of 9 December 1981, 37/78 G of 9 December 1982, 38/183 I of 20 December 1983, 39/148 N of 17 December 1984, 40/152 M of 16 December 1985 and 41/86 M of 4 December 1986,

Having considered the report of the Conference on Disarmament,⁴³

Convinced that the Conference on Disarmament, as the single multilateral negotiating body on disarmament, should play the central role in substantive negotiations on priority questions of disarmament and on the implementation of the Programme of Action set forth in section III of

the Final Document of the Tenth Special Session of the General Assembly,¹¹

Reaffirming that the establishment of *ad hoc* committees offers the best available machinery for the conduct of multilateral negotiations on items on the agenda of the Conference on Disarmament and contributes to the strengthening of the negotiating role of the Conference,

Deploring the fact that, despite the repeated requests of the General Assembly and the expressed wish of the great majority of members of the Conference on Disarmament, the establishment of an *ad hoc* committee on the cessation of the nuclear-arms race and on nuclear disarmament, as well as on the prevention of nuclear war, was once again prevented during the 1987 session of the Conference,

Expressing its deep concern and disappointment that the Conference on Disarmament has not been enabled, this year either, to reach concrete agreements on any disarmament issues to which the United Nations has assigned greatest priority and urgency and which have been under consideration for a number of years,

1. *Notes with satisfaction* that further progress has been made in the negotiations on the elaboration of a draft convention on the complete and effective prohibition of the development, production and stockpiling of all chemical weapons and on their destruction, and urges the Conference on Disarmament to intensify further its work with a view to completing negotiations on such a draft convention;

2. *Calls upon* the Conference on Disarmament to intensify its work, to further its mandate more earnestly through negotiations and to adopt concrete measures on the specific priority issues of disarmament on its agenda, in particular those relating to nuclear disarmament;

3. *Once again urges* the Conference on Disarmament to continue or to undertake, during its 1988 session, substantive negotiations on the priority questions of disarmament on its agenda, in accordance with the provisions of the Final Document of the Tenth Special Session of the General Assembly and other resolutions of the Assembly on those questions;

4. *Calls upon* the Conference on Disarmament to provide the existing *ad hoc* committees with appropriate negotiating mandates and to establish, as a matter of urgency, the *ad hoc* committees under item 1 of its agenda, entitled "Nuclear-test ban", on the cessation of the nuclear-arms race and nuclear disarmament and on the prevention of nuclear war;

5. *Urges* the Conference on Disarmament to undertake, without further delay, negotiations with a view to elaborating a draft treaty on a nuclear-test ban;

6. *Requests* the Conference on Disarmament to submit a special report on the status of its negotiations and its work to the General Assembly at its third special session devoted to disarmament;

7. *Requests* the Conference on Disarmament to submit a report on its work to the General Assembly at its forty-third session;

8. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Report of the Conference on Disarmament".

IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS OF THE TENTH SPECIAL SESSION

The General Assembly,

Having reviewed the implementation of the recommendations and decisions adopted by the General Assembly at its tenth special session,¹¹ the first special session devoted to disarmament, as well as the Concluding Document of the Twelfth Special Session of the General Assembly,⁷⁸ the second special session devoted to disarmament,

Recalling its resolutions S-10/2 of 30 June 1978, 34/83 C of 11 December 1979, 35/46 of 3 December 1980, 35/152 E of 12 December 1980, 36/92 M of 9 December 1981, 37/78 F of 9 December 1982, 38/183 H of 20 December 1983, 39/148 O of 17 December 1984, 40/152 N of 16 December 1985 and 41/86 O of 4 December 1986 and its decision S-12/24 of 10 July 1982,

Deeply concerned that no concrete results regarding the implementation of the recommendations and decisions of the tenth special session have been realized in the course of the more than nine years since that session,

Convinced that international peace and security can be ensured only through general and complete disarmament under effective international control and that one of the most urgent tasks is to halt and reverse the arms race and to undertake concrete measures of disarmament, particularly nuclear disarmament, and that, in this respect, the nuclear-weapon States and other militarily significant States have the primary responsibility,

Noting with satisfaction that the two leading nuclear-weapon States have reached an agreement in principle on the elimination of intermediate-range and shorter-range missiles,

Convinced that the conclusion of a treaty on the elimination of intermediate-range and shorter-range missiles would positively affect the overall negotiations on disarmament,

Stressing once again that the active participation of Member States in effective disarmament negotiations is necessary for discharging their responsibility to contribute to the maintenance of international peace and security, that all States have the right to contribute to efforts in the field of disarmament, that it is more than ever imperative in the present circumstances to give a new impetus to negotiations on disarmament, in particular nuclear disarmament, at all levels and to achieve genuine progress in the immediate future, and that all States should refrain from any actions that have or may have negative effects on the outcome of disarmament negotiations,

Reaffirming that the United Nations has a central role and primary responsibility in the sphere of disarmament,

Stressing that the Final Document of the Tenth Special Session of the General Assembly,¹¹ which was unanimously and categorically reaffirmed by all Member States at the twelfth special session as the comprehensive basis for efforts towards halting and reversing the arms race, retains all its validity and that the objectives and measures contained therein still represent one of the most important and urgent goals to be achieved,

1. *Invites* all States, particularly nuclear-weapon States and especially those among them which possess the most important nuclear arsenals, to take urgent measures with a view to implementing the recommendations and decisions contained in the Final Document of the Tenth Special Session of the General Assembly, as well as to fulfilling the

priority tasks set forth in the Programme of Action contained in section III of the Final Document;

2. *Calls upon* all States, in particular nuclear-weapon States and other militarily significant States, to take urgent measures in order to promote international security on the basis of disarmament, to halt and reverse the arms race and to launch a process of genuine disarmament;

3. *Calls upon* the two leading nuclear-weapon States to intensify and pursue their negotiations with determination and taking into account the interest of the entire international community, in order to halt the arms race, particularly the nuclear-arms race, to reduce substantially their nuclear arsenals, prevent the arms race in outer space and undertake effective measures of nuclear disarmament;

4. *Calls upon* the Conference on Disarmament to proceed urgently to negotiations on the questions of disarmament on its agenda;

5. *Calls upon* the Disarmament Commission to intensify its work in accordance with its mandate with a view to making concrete recommendations on specific items on its agenda;

6. *Invites* all States engaged in disarmament and arms limitation negotiations outside the framework of the United Nations to keep the General Assembly and the Conference on Disarmament informed on the status and/or results of such negotiations, in conformity with the relevant provisions of the Final Document of the Tenth Special Session;

7. *Decides* to include in the provisional agenda of its forty-third session the item entitled "Implementation of the recommendations and decisions of the tenth special session".

RATIONALIZATION OF THE WORK OF THE FIRST COMMITTEE

The General Assembly,

Reaffirming that, in order for the United Nations to discharge effectively its central role and primary responsibilities in the field of disarmament and related security questions, the necessary political will of States as well as the effective functioning of existing machinery must be demonstrated,

Convinced that the existing machinery for the consideration of disarmament and related international security questions within the framework of the United Nations can and should be reinforced through concrete measures to increase its effectiveness and efficiency,

Emphasizing the need to strengthen the effectiveness and efficiency of the activities of the First Committee as the key organ of the General Assembly for disarmament and related international security questions,

Acknowledging the valuable proposals already introduced with the above-mentioned goal in mind, including those of the group of former and present chairmen and other officers of the First Committee,

Taking into account the report of the Disarmament-Commission,³⁰

1. *Decides* to adopt the following recommendations concerning the work of the First Committee:

(a) The agenda of the First Committee should be rationalized by grouping or merging related items to the extent possible in order to provide greater organizational clarity and without prejudging their substance;

(b) Recommendations on procedural matters should be adopted as decisions, not as resolutions;

(c) In the interest of maximum effectiveness and efficiency, draft resolutions on the same subject or under the same agenda items should be merged, whenever possible;

(d) A period of time for discussion and for organized informal consultations among delegations should be allocated in the programme of work of the First Committee;

(e) The First Committee should have a single general debate on all disarmament questions during which delegations may speak on specific issues, in order to ensure the best use of time and resources available;

(f) The deadline for the submission of draft resolutions on disarmament items should be advanced further to the extent feasible with a view to allowing sufficient time for consultations before proceeding to take action upon them;

2. *Requests* the First Committee to implement the above-mentioned recommendations at the forty-third session of the General Assembly.

2. *Takes note* of the discussions on substantive issues in the Working Group established in accordance with the *Ad Hoc* Committee's decision of 11 July 1985;

3. *Emphasizes* its decision to convene the Conference on the Indian Ocean at Colombo, as a necessary step for the implementation of the Declaration of the Indian Ocean as a Zone of Peace adopted in 1971;

4. *Renews* the mandate of the *Ad Hoc* Committee as defined in the relevant resolutions, and requests the Committee to intensify its work with regard to the implementation of its mandate;

5. *Requests* the *Ad Hoc* Committee to hold three preparatory sessions in 1988, each of a duration of one

week, one of which could be held at Colombo in accordance with a decision to be taken by the *Ad Hoc* Committee at its first session in 1988;

6. *Requests* the *Ad Hoc* Committee, should the preparatory work not be completed to enable the convening of the Conference in 1988, to complete the remaining work during its subsequent sessions in order to enable the convening of the Conference at Colombo at an early date, but not later than 1990, in consultation with the host country;

7. *Notes* that the *Ad Hoc* Committee will, during its preparatory sessions in 1988, give serious consideration to ways and means of more effectively organizing work in the *Ad Hoc* Committee to enable it to fulfil its mandate;

8. *Requests* the *Ad Hoc* Committee to submit to the Conference a report on its preparatory work;

9. *Requests* the *Ad Hoc* Committee to submit a report on its work to the General Assembly at its third special session devoted to disarmament;

11. *Requests* the Chairman of the *Ad Hoc* Committee to continue his consultations on the participation in the work of the Committee by States Members of the United Nations which are not members of the Committee, with the aim of resolving this matter at the earliest possible date;

12. *Requests* the Chairman of the *Ad Hoc* Committee to consult the Secretary-General at the appropriate time on the establishment of a secretariat for the Conference;

42/44. Israeli nuclear armament

The General Assembly,

Bearing in mind its previous resolutions on Israeli nuclear armament, the latest of which is resolution 41/93 of 4 December 1986,

Recalling its resolution 41/48 of 3 December 1986, in which, *inter alia*, it called for placing all nuclear facilities in the region under International Atomic Energy Agency safeguards, pending the establishment of a nuclear-weapon-free zone in the Middle East,

Recalling further Security Council resolution 487 (1981) of 19 June 1981, in which, *inter alia*, the Council called upon Israel urgently to place all its nuclear facilities under International Atomic Energy Agency safeguards,

Noting that only Israel has been specifically called upon by the Security Council to place its nuclear facilities under International Atomic Energy Agency safeguards,

Taking note with appreciation of the report of the Secretary-General on Israeli nuclear armament,¹¹²

Noting with grave concern Israel's persistent refusal to commit itself not to manufacture or acquire nuclear weapons, despite repeated calls by the General Assembly, the
