The General Assembly,

Recalling its resolution 42/224 of 21 December 1987,

Having considered the report of the Secretary-General on the review of the rates of reimbursement to the Governments of troop-contributing States,⁶³ submitted pursuant to General Assembly resolution 42/224, as well as the related report of the Advisory Committee on Administrative and Budgetary Questions,⁵⁰

Noting with concern the delay by some Member States in submitting the data requested by the Secretary-General, thus preventing him from making a substantive recommendation on the revision of the current rates of reimbursement,

1. Urges all those troop-contributing States which the Secretary-General requested to provide data and which

have not yet done so to provide complete data as soon as possible and at the latest by 1 February 1990;

2. Notes with concern that, in consequence of the shortfall of financial contributions, troop-contributing States are not being reimbursed to the full extent of the established rates for some operations, thus bearing considerably larger portions of the costs for their troops serving in the United Nations peace-keeping forces than those indicated by the Secretary-General in his report;

3. Requests the Secretary-General, to the extent possible, to make the payment of arrears due to current and former troop-contributing States;

4. Also requests the Secretary-General to complete the review of the rates of reimbursement on receipt of the outstanding information and to submit, through the Advisory Committee on Administrative and Budgetary Questions, his report for the consideration of the General Assembly at its forty-fifth session.

5. Further requests the Secretary-General to include in each of his reports on the financing of the United Nations peace-keeping operations relevant information on the status of reimbursement to the troop-contributing States.
