NOTE

Symbols of United Nations documents are composed of capital letters combined with figures. Mention of such a symbol indicates a reference to a United Nations document.

The resolutions and decisions of the General Assembly are identified as follows:

Regular sessions

Until the thirtieth regular session, the resolutions of the General Assembly were identified by an arabic numeral followed by a roman numeral in parentheses indicating the session (for example: resolution 3363 (XXX)). When several resolutions were adopted under the same number, each of them was identified by a capital letter placed between the two numerals (for example: resolution 3367 A (XXX), resolutions 3411 A and B (XXX), resolutions 3419 A to D (XXX)). The decisions were not numbered.

Since the thirty-first session, as part of the new system adopted for symbols of General Assembly documents, resolutions and decisions have been identified by an arabic numeral, indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution 31/1, decision 31/301). When several resolutions or decisions were adopted under the same number, each of them has been identified by a capital letter placed after the two numerals (for example: resolution 31/16 A, resolutions 31/6 A and B, decisions 31/406 A to E).

Special sessions

Until the seventh special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letter "S" and a roman numeral indicating the session (for example: resolution 3362 (S-VII)). The decisions were not numbered.

Since the eighth special session, resolutions and decisions have been identified by the letter "S" and an arabic numeral indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution S-8/1, decision S-8/11).

Emergency special sessions

Until the fifth emergency special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letters "ES" and a roman numeral indicating the session (for example: resolution 2252 (ES-V)). The decisions were not numbered.

Since the sixth emergency special session, resolutions and decisions have been identified by the letters "ES" and an arabic numeral indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution ES-6/1, decision ES-6/11).

In each of the series described above, the numbering follows the order of adoption.

The General Assembly,

Welcoming resolutions MRE/RES.1/91,³ MRE/RES.2/91,⁴ MRE/RES.3/92 and MRE/RES.4/92 adopted on 3 and 8 October 1991, 17 May 1992 and 13 December 1992, respectively, by the Ministers for Foreign Affairs of the member countries of the Organization of American States,

Also welcoming resolution CP/RES. 594 (923/92) and declarations CP/DEC. 8 (927/93), CP/DEC. 9 (931/93) and CP/DEC. 10 (934/93) adopted by the Permanent Council of the Organization of American States on 10 November

1992 and 13 January, 11 February and 5 March 1993, respectively,

Deploing the fact that, despite the efforts of the international community, the legitimate government of President Jean-Bertrand Aristide has not been re-established and that violent denial of human rights and civil and political liberties continues in Haiti,

Reiterating that the goal of the international community remains the early restoration of democracy in Haiti and the return of President Aristide, the full observance of human rights and fundamental freedoms, and the promotion of social and economic development in Haiti,

Strongly supportive of the continuing leadership by the Secretary-General of the United Nations and the Secretary-General of the Organization of American States of the efforts of the international community to reach a political solution to the Haitian crisis,

Noting with satisfaction the designation by the Secretary-General of the United Nations of a Special Envoy for Haiti and the designation by the Secretary-General of the Organization of American States of the same Special Envoy,

Welcoming the agreement which has made possible the deployment of the International Civilian Mission to Haiti by the United Nations and the Organization of American

States, as described in the letter dated 8 January 1993 to the Secretary-General from President Aristide, which is contained in annex I to the report of the Secretary-General,⁵

Convinced that the work of the Mission can contribute to the full observance of human rights and create a climate propitious to the restoration of the constitutional authority,

Expressing its agreement with declaration CP/DEC. 8 (927/93) of the Permanent Council of the Organization of American States that the partial elections to Parliament held by the de facto government in January 1993 would be illegitimate,

Taking note of the report of the Secretary-General on the situation of democracy and human rights in Haiti and the recommendations contained therein,⁵

1. *Approves* the report of the Secretary-General and the recommendations contained therein for United Nations participation, jointly with the Organization of American States, in the International Civilian Mission to Haiti, with the initial task of verifying compliance with Haiti's international human rights obligations, with a view to making recommendations thereon, in order to assist in the establishment of a climate of freedom and tolerance propitious to the re-establishment of democracy in Haiti;

2. *Decides* to authorize the deployment without delay of the United Nations participation in the International Civilian Mission to Haiti and requests the Secretary-General to take the steps necessary to expedite and strengthen its presence in Haiti;

3. *Expresses its full support* for the International Civilian Mission to Haiti and urges that all parties afford it timely, complete and effective cooperation;

4. *Reiterates* the need for an early return of President Aristide to resume his constitutional functions as President, as the means to restore without further delay the democratic process in Haiti;

5. *Strongly supports* the process of political dialogue under the auspices of the Special Envoy with a view to resolving the political crisis in Haiti;

6. *Considers* that any modifications regarding the economic measures recommended by the ad hoc meeting of the Ministers for Foreign Affairs of the member countries of the Organization of American States should be considered according to progress in the observance of human rights and in the solution of the political crisis leading to the restoration of President Jean-Bertrand Aristide;

7. *Reiterates* that any entity resulting from actions of the de facto regime, including the partial elections to Parliament in January 1993, is illegitimate;

8. *Reaffirms once again* the commitment of the international community to an increase in technical, economic and financial cooperation when constitutional order is restored in Haiti, as a support for its economic and social development efforts and in order to strengthen its institutions responsible for dispensing justice and guaranteeing democracy, political stability and economic development;

9. *Requests* the Secretary-General to make regular reports to the General Assembly on the work of the International Civilian Mission to Haiti, and in particular to report no later than September 1993 on the outcome of the com-

prehensive review referred to in paragraph 95 of annex III to his report;

10. *Decides* to keep open the consideration of this item until a solution to the situation is found.

47/120. An Agenda for Peace

B⁶

The General Assembly,

Recalling its resolution 47/120 A of 18 December 1992 entitled "An Agenda for Peace: preventive diplomacy and related matters",

Reaffirming its resolution 46/59 of 9 December 1991, the annex to which contains the Declaration on Fact-finding by the United Nations in the Field of the Maintenance of International Peace and Security,

Recalling also its resolution 46/182 of 19 December 1991 on the strengthening of the coordination of humanitarian emergency assistance of the United Nations,

Recalling further its resolution 47/71 of 14 December 1992 on the comprehensive review of the whole question of peace-keeping operations in all their aspects,

Emphasizing that, together with the Security Council and the Secretary-General, it has an important role in preventive diplomacy,

Recognizing that it has to work in close cooperation and coordination with the Security Council and the Secretary-General in accordance with the Charter of the United Nations and consistent with their respective mandates and responsibilities,

I

ROLE OF THE GENERAL ASSEMBLY

Recalling the relevant provisions of the Charter of the United Nations relating to the functions and powers of the General Assembly,

Recalling also the report of the Secretary-General entitled "An Agenda for Peace",⁷ which refers to the utilization of these functions and powers,

1. *Resolves* to make full and effective use of the functions and powers set out in Articles 10 and 14 of the Charter of the United Nations, in conformity with other relevant provisions of the Charter;

2. *Decides* to consider the use of existing or new machinery, including subsidiary organs under Article 22 of the Charter, to facilitate consideration of any situation coming within the scope of Article 14 of the Charter, with a view to recommending measures for the peaceful adjustment of such a situation;

3. *Also decides* to consider appropriate ways and means consistent with the Charter to improve cooperation among the competent United Nations organs in order to strengthen the role of the United Nations in the promotion of peace, including the possibility that the General Assembly receives reports, as appropriate, from the Secretary-General on matters related to the items on its agenda or on other matters within its competence;

II

PREVENTIVE DEPLOYMENT AND DEMILITARIZED ZONES

Taking note of paragraphs 28 to 33 on preventive deployment and demilitarized zones contained in the report of the Secretary-General entitled "An Agenda for Peace",⁷ within the larger context of preventive diplomacy, as well as the views expressed on these issues by Member States,

Stressing that the implementation of any concepts and proposals on preventive deployment and demilitarized zones contained in "An Agenda for Peace" should be undertaken in accordance with the provisions of the Charter of the United Nations, in particular its purposes and principles, and other relevant principles of international law,

Welcoming the instances of effective use of United Nations preventive deployment and the establishment of demilitarized zones,

Stressing the importance of appropriate consultations with Member States and transparency in any decision-making concerning the undertaking of preventive deployment or the establishment of a demilitarized zone,

Recognizing that a United Nations preventive deployment or the establishment of demilitarized zones could promote the prevention or containment of conflicts, the continuance of which is likely to endanger the maintenance of international peace and security,

Emphasizing that respect for the principles of sovereignty, territorial integrity and political independence of States and non-intervention in matters which are essentially within the domestic jurisdiction of any State is crucial to any common endeavour to promote international peace and security,

Bearing in mind that, as each situation in which preventive deployment may be undertaken or a demilitarized zone established has its own special characteristics, it is of the utmost importance to make decisions on such measures on a case-by-case basis with due regard to all relevant factors and circumstances, including consultations with Member States,

Recognizing the need to preserve the impartiality of the United Nations when engaged in preventive deployment or in the establishment of demilitarized zones,

Recognizing also that preventive deployment and the establishment of demilitarized zones are evolving concepts,

1. *Acknowledges* the importance of considering, on a case-by-case basis, the use of preventive deployment and/or the establishment of demilitarized zones as a means to prevent existing or potential disputes from escalating into conflicts and to promote efforts to achieve the peaceful settlement of such disputes, the continuance of which is likely to endanger the maintenance of international peace and security;

2. *Reaffirms* that a United Nations preventive deployment and/or the establishment of a demilitarized zone should be undertaken with the consent of and, in principle, on the basis of a request by the Member State or Member States involved, having taken into account the positions of other States concerned and all other relevant factors;

3. *Also reaffirms* that a United Nations preventive deployment and/or the establishment of a demilitarized zone should be undertaken in accordance with the provisions of the Charter of the United Nations, in particular its purposes and principles and other relevant principles of international

law, also taking into account relevant General Assembly and Security Council resolutions;

4. *Invites* the competent organs of the United Nations, within their respective mandates, to consider implementing preventive deployment and/or the establishment of a demilitarized zone with the objective of preventing conflict and of promoting efforts to achieve the peaceful settlement of disputes, and to continue to examine practical, operational and financial aspects of such preventive deployment and demilitarized zones with a view to increasing their efficacy and effectiveness;

III

USE OF THE INTERNATIONAL COURT OF JUSTICE IN THE PEACEFUL SETTLEMENT OF DISPUTES

Emphasizing the role of the International Court of Justice under the Charter of the United Nations in the peaceful settlement of disputes,

1. *Encourages* States to consider making greater use of the International Court of Justice for the peaceful settlement of disputes;

2. *Recommends* that States consider the possibility of accepting the jurisdiction of the International Court of Justice, including through the dispute settlement clauses of multilateral treaties;

3. *Notes* that the use of chambers of the International Court of Justice for dealing with particular cases submitted to the Court by the parties is a means of providing increased use of the Court for the peaceful settlement of disputes;

4. *Requests* States to consider making, if possible on a regular basis, contributions to the Trust Fund of the Secretary-General to assist States in resolving their disputes through the International Court of Justice, and invites the Secretary-General to report periodically on both the financial status and the utilization of the Fund;

5. *Recalls* that the General Assembly or the Security Council may request the International Court of Justice to give an advisory opinion on any legal question, and that other organs of the United Nations and specialized agencies, which may at any time be so authorized by the General Assembly, may also request advisory opinions of the Court on legal questions arising within the scope of their activities;

6. *Decides* to keep under examination all the recommendations of the Secretary-General concerning the International Court of Justice, including those related to the use of the advisory competence of the Court;

IV

SPECIAL ECONOMIC PROBLEMS ARISING FROM THE IMPLEMENTATION OF PREVENTIVE OR ENFORCEMENT MEASURES

Recalling Article 50 of the Charter of the United Nations, which entitles States that find themselves confronted with special economic problems arising from the carrying out of preventive or enforcement measures taken by the Security Council against any other State to consult the Council with regard to a solution to those problems,

Recalling also the recommendation of the Secretary-General in his report entitled "An Agenda for Peace" that the Security Council devise a set of measures involving the

financial institutions and other components of the United Nations system that can be put in place to insulate States from such difficulties and his view that such measures would be a matter of equity and a means of encouraging States to cooperate with decisions of the Council,

Recalling further the statement made on 30 December 1992 by the President of the Security Council,⁸ in which the Council expressed its determination to consider this matter further and invited the Secretary-General to consult with the heads of international financial institutions, other components of the United Nations system and Member States of the United Nations, and to report to the Council as early as possible,

Recalling its resolution 47/120 A entitled "An Agenda for Peace: preventive diplomacy and related matters", in which it decided to continue early in 1993 its examination of other recommendations contained in the report of the Secretary-General entitled "An Agenda for Peace", including implementation of the provisions of Article 50 of the Charter, in conformity with the Charter and taking into account the relevant developments and practices in the competent organs of the United Nations,

Stressing the importance of economic and other measures not involving the use of armed forces in maintaining international peace and security, in accordance with Article 41 of the Charter,

Recalling Article 49 of the Charter, which requires the Members of the United Nations to join in affording mutual assistance in carrying out the measures decided upon by the Security Council,

Noting that the implementation of Article 50 of the Charter has been addressed recently in several forums, including the General Assembly and its subsidiary organs and the Security Council,

Recognizing that, in the conditions of economic interdependence that exist today, the implementation of preventive or enforcement measures under Chapter VII of the Charter against any State continues to create special economic problems for certain other States,

Recalling that Member States have engaged previously in consultations with bodies established by the Security Council regarding special economic problems confronted by them as a result of the implementation of preventive or enforcement measures against Iraq and the Federal Republic of Yugoslavia (Serbia and Montenegro),

Concerned that certain States continue to be confronted with adverse economic problems owing to the implementation of preventive and enforcement measures under Chapter VII of the Charter,

Recognizing the need for appropriate means to find solutions to these problems as soon as possible,

1. *Decides* to continue its examination of ways to implement Article 50 of the Charter of the United Nations, with a view to finding solutions to the special economic problems of other Member States when preventive or enforcement measures are decided upon by the Security Council against a State;

2. *Invites* the Security Council to consider what could be done within the United Nations system and involving international financial institutions with regard to solutions to the special economic problems of States arising from the carrying out of the measures imposed by the Council and to consider, *inter alia*, the following measures:

(a) Strengthening of the consultative process for studying, reporting on and suggesting solutions to the special economic problems, with a view to minimizing such economic problems through consultations with States adversely affected or, as appropriate, with States likely to be adversely affected as a result of their implementing the preventive or enforcement measures, as well as with the Secretary-General, the principal organs, programmes and agencies of the United Nations, and international financial institutions;

(b) Other measures, in consultation with Member States and, as appropriate, with international financial institutions, such as voluntary funds to provide assistance to States experiencing special economic problems arising from carrying out the measures imposed by the Security Council, additional credit lines, assistance for the promotion of exports of the affected countries, assistance for technical cooperation projects in such countries and/or assistance for the promotion of investment in the affected countries;

3. *Also invites* the committees of the Security Council and other bodies entrusted with the task of monitoring the implementation of preventive and enforcement measures to take into account, in discharging their mandates, the need to avoid unnecessary adverse consequences for other Member States, without prejudice to the effectiveness of such measures;

4. *Requests* the Secretary-General to report annually to the General Assembly on the implementation of Article 50 of the Charter;

V

POST-CONFLICT PEACE-BUILDING

Noting that post-conflict peace-building is a new and evolving concept,

Recognizing the need for sustained cooperative efforts by the United Nations to deal with the underlying economic, social, cultural and humanitarian causes and effects of conflicts in order to promote a durable foundation for peace,

Recalling the provisions of Article 55 of the Charter of the United Nations,

Recognizing also that the concept of post-conflict peace-building is aimed at the creation of a new environment to forestall the recurrence of conflicts,

Bearing in mind that each situation in which post-conflict peace-building may be undertaken is unique and therefore should be considered on a case-by-case basis,

Bearing in mind also that post-conflict peace-building should complement efforts at peacemaking and peace-keeping in order to consolidate peace and advance a sense of confidence and well-being among people and States,

1. *Acknowledges* the usefulness of the proposals of the Secretary-General contained in paragraphs 55 to 59 of his report entitled "An Agenda for Peace",⁷ particularly in relation to the range of activities for post-conflict peace-building;

2. *Emphasizes* that post-conflict peace-building should be carried out in accordance with the Charter of the United Nations, in particular the principles of sovereign equality and political independence of States, territorial integrity, and non-intervention in matters that are essentially within the domestic jurisdiction of any State;

3. *Recalls* that each State has the right freely to choose and develop its political, social, economic and cultural systems;

4. *Stresses* that activities related to post-conflict peace-building should be carried out within a well-defined time-frame;

5. *Also stresses* that post-conflict peace-building be undertaken on the basis of agreements ending conflicts or reached after conflicts, or at the request of the Government or Governments concerned;

6. *Emphasizes* the need for measures to promote peace and cooperation among previously conflicting parties;

7. *Stresses* the need for coordinated action by relevant components of the United Nations system, including the contributions that the international financial institutions can make in the area of socio-economic development in post-conflict peace-building;

8. *Also stresses* the importance for post-conflict peace-building of contributions from diverse sources, including components of the United Nations system, regional organizations, Member States and non-governmental organizations;

9. *Requests* the Secretary-General to inform the General Assembly of requests relating to post-conflict peace-building by the Government or Governments concerned, or emanating from peace agreements ending conflicts or reached after conflicts by parties concerned;

10. *Affirms* its readiness to support, as appropriate, post-conflict peace-building;

VI

COOPERATION WITH REGIONAL ARRANGEMENTS AND ORGANIZATIONS

Recognizing the importance of the role of regional organizations and arrangements in dealing with such matters relating to the maintenance of international peace and security as are appropriate for regional action, and the need to enhance, in this respect, cooperation between such organizations and arrangements and the United Nations,

Recalling Chapter VIII of the Charter of the United Nations and its acknowledgement of the role of regional arrangements and agencies in dealing with such matters relating to the maintenance of international peace and security as are appropriate for regional action, provided that such arrangements or agencies and their activities are consistent with the purposes and principles of the United Nations,

Taking into account the experience gained and the favourable results achieved by regional organizations in the peaceful settlement of disputes in different parts of the world,

1. *Recognizes* that regional organizations, arrangements and agencies can, in their fields of competence and in accordance with the Charter of the United Nations, make important contributions to the maintenance of international peace and security, preventive diplomacy, peacemaking, peace-keeping and post-conflict peace-building;

2. *Encourages* regional organizations, arrangements and agencies to consider, as appropriate, in their fields of competence, ways and means for promoting closer cooperation and coordination with the United Nations with

the objective of contributing to the fulfilment of the purposes and principles of the Charter;

3. *Also encourages* the Secretary-General to continue his efforts at promoting cooperation between the United Nations and regional organizations, arrangements and agencies, in accordance with the Charter;

VII

SAFETY OF PERSONNEL

Recalling its resolution 47/72 of 14 December 1992 on protection of peace-keeping personnel, and all other relevant resolutions,

Bearing in mind the concern expressed by the Secretary-General over the safety of United Nations personnel in his report entitled "An Agenda for Peace",⁷

Also recalling the relevant resolutions of the Security Council,

Taking note with appreciation of the statement made on 31 March 1993 by the President of the Security Council on the protection of United Nations forces and personnel,⁹

Noting with appreciation the work done by the Special Committee on Peace-keeping Operations on the issue of the status and safety of United Nations peace-keeping personnel,

Gravely concerned about the growing number of fatalities and injuries among United Nations peace-keeping and other personnel resulting from deliberate hostile actions in dangerous areas of deployment,

1. *Welcomes* the report of the Secretary-General on the security of United Nations operations;¹⁰

2. *Decides* to consider further steps to enhance the status and safety of United Nations personnel involved in United Nations operations, taking into account the need for concerted action by all relevant bodies of the United Nations in this regard.

Recalling that the Organization is based on the principle of the sovereign equality of all its Members,

Emphasizing the importance of the functions and powers of the General Assembly in any questions or any matters within the scope of the Charter, in accordance with the relevant provisions of the Charter,

Desiring to undertake efforts to enhance the capacity of the General Assembly to fulfil the role envisaged for it under the Charter and increase its effectiveness in the interest of strengthening the overall work of the Organization,

47/237. International Year of the Family

The General Assembly,

Reaffirming its resolutions 44/82 of 8 December 1989, 45/133 of 14 December 1990 and 46/92 of 16 December 1991 concerning the International Year of the Family, as expressions of the determination of the peoples of the United Nations to promote social progress and better standards of life in larger freedom,

Recalling that major United Nations instruments on human rights and social policy, as well as relevant global

plans and programmes of action, call for the widest possible protection and assistance to be accorded to the family,

Convinced that equality between the sexes, women's equal participation in employment and shared parental responsibility are essential elements of modern family policy,

Conscious of the existence of various concepts of the family in different social, cultural and political systems,

Aware, at the same time, that families are the fullest reflection, at the grass-roots level, of the strengths and weaknesses of the social and developmental welfare environment, and as such offer a uniquely comprehensive and synthesizing approach to social issues,

Realizing that families, as basic units of social life, are major agents of sustainable development at all levels of society and that their contribution to that process is crucial for its success,

Stressing that the observance of the Year in 1994 will immediately precede the celebration by the family of nations of the historic fiftieth anniversary of the Charter of the United Nations,

Having considered the report of the Secretary-General, submitted to the Commission for Social Development at its thirty-third session, on the state of preparations for the Year,²³

1. *Takes note with appreciation* of the report of the Secretary-General on the state of preparations for the International Year of the Family;²³

2. *Expresses its appreciation* to the Secretary-General for a well-coordinated and impressive effort in the preliminary and preparatory phases to the Year, despite resource constraints, and for the considerable progress made towards its observance;

4. *Commends* all Governments, specialized agencies, regional commissions and intergovernmental and non-governmental organizations which have undertaken special efforts to prepare for the observance of the Year;

5. *Urges* Governments, specialized agencies and intergovernmental and non-governmental organizations, especially those which have not yet done so, to intensify the efforts undertaken, *inter alia*, by the identification of national coordinating mechanisms and the elaboration of national programmes of action, in the preparations for and observance of the Year;

6. *Welcomes* the holding in 1993 of four regional and interregional preparatory meetings for the Year, organized by the secretariat for the Year in the Department for Policy Coordination and Sustainable Development of the Secretariat, in close cooperation with the regional commissions, and hosted by the Governments of China, Colombia, Malta and Tunisia;

7. *Takes note with interest* of the proposal by the Government of Slovakia that the Bratislava International Centre of Family Studies be affiliated with the United Nations;²⁴

8. *Also takes note with interest* of the results of the Expert Group Meeting on the Social Consequences of Population Growth and Changing Social Conditions, with Particular Emphasis on the Family,²⁵ co-sponsored by the

Government of Germany and held at Vienna from 21 to 25 September 1992;

9. *Also welcomes* the active involvement of non-governmental organizations in the preparatory process for the Year, including the major global initiative to convene a world non-governmental organization forum entitled "Launching the International Year of the Family, 1994: Strengthening Families for the Well-being of Individuals and Societies", to be held at Valletta from 28 November to 2 December 1993, and calls upon all those concerned to support the event in every possible manner;

10. *Expresses its special gratitude* to Governments and other donors, especially those in the private sector, which have generously responded to earlier appeals to contribute resources to the Voluntary Fund for the International Year of the Family;

11. *Appeals* to all Governments concerned and all other prospective donors to pledge their contributions to the Voluntary Fund, notably during the pledging segments of the regional and interregional preparatory meetings in 1993, with a view to releasing new funds for specific family-oriented projects, particularly in developing countries, during both the Year and the follow-up thereto;

12. *Invites* policy-making organs of specialized agencies and other bodies in the United Nations system to consider, in the context of their substantive mandates, the principles and objectives of the Year and follow-up action to the Year for the benefit of the families of the world;

13. *Also invites* organizations and specialized agencies of the United Nations system to include in their programme budgets for 1994 and 1995, as appropriate, programme elements for the observance of and follow-up to the Year;

14. *Decides* to devote one of its plenary meetings at its forty-eighth session, in early December 1993, to launching the International Year of the Family;

15. *Also decides* that, beginning in 1994, 15 May of every year shall be observed as the International Day of Families;

16. *Requests* the Commission on Human Rights, the Population Commission and the Commission on the Status of Women to include in the agendas of their sessions in 1993 or 1994 consideration of the principles and objectives of the Year in the context of their major areas of concern, and to propose specific follow-up measures regarding human rights, population issues and the advancement of women as each affects or is affected by families, including family-oriented components of the World Conference on Human Rights, held at Vienna from 14 to 25 June 1993, the International Conference on Population and Development, to be held at Cairo from 5 to 13 September 1994, the World Summit for Social Development, to be held at Copenhagen on 11 and 12 March 1995, and the Fourth World Conference on Women: Action for Equality, Development and Peace, to be held at Beijing from 4 to 15 September 1995;

17. *Further decides* to devote two plenary meetings at its forty-ninth session, in 1994, to the implementation of the follow-up to the Year, and to designate those meetings as an international conference on families, which should take place at an appropriate global policy-making level and in keeping with the procedures and practices of the General Assembly;

18. *Appeals* to Member States as well as to all other participants in the observance of the Year to highlight 1994 as a special occasion to benefit families of the world in their quest for a better life for all, based on the principle of subsidiarity, which seeks solutions to problems at the lowest level of the societal structure;

19. *Calls for* a concerted promotional and information campaign on behalf of the Year at the national, regional and international levels, with the strong participation of the mass media;

20. *Requests* the Secretary-General:

(a) To seek the views of States members of the Commission for Social Development on the desirability of working out a declaration on the role, responsibilities and rights of families on the occasion of the Year;

(b) To plan adequate resources, including staff, through redeployment in the proposed programme budget for the biennium 1994-1995, with a view to ensuring effective observance of and follow-up to the Year, commensurate with its important principles and objectives;

(c) To continue taking specific measures, through all the communication media at his disposal, particularly within the mandates of the Department of Public Information of the Secretariat, to give widespread publicity to the preparations for and observance of the Year, and to increase the dissemination of information on the subject;

(d) To report on the observance of the Year at the national, regional and international levels, and to submit specific proposals on the follow-up to the Year, including a draft plan of action, if deemed appropriate, to the Assembly at its fiftieth session;

21. *Decides* to consider the question of the International Year of the Family at its fiftieth session, on the basis of a report of the Secretary-General under the item entitled "Social development".

47/54. Review of the implementation of the recommendations and decisions adopted by the General Assembly at its tenth special session

G¹

REVIEW OF THE IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS ADOPTED BY THE GENERAL ASSEMBLY AT ITS TENTH SPECIAL SESSION

The General Assembly,

Recalling its decision 47/422 of 9 December 1992, by which it decided to reconvene meetings of the First Committee from 8 to 12 March 1993 in order to reassess the multilateral arms control and disarmament machinery, in particular the respective roles of the First Committee, the Disarmament Commission and the Conference on Disarmament and their interrelationship, as well as the role of the Office for Disarmament Affairs of the Secretariat, including ways and means to enhance the functioning and efficiency of the said machinery, bearing in mind the competence of the Security Council in those matters,

Taking note of the report of the Secretary-General entitled "New dimensions of arms regulation and disarmament in the post-cold-war era",²

Taking note also of the views of Member States on that report,³

Taking note further of the report of the Conference on Disarmament on its consideration of the report of the Secretary-General,⁴ as well as its report on the ongoing review of the agenda, composition and methods of work of the Conference,⁵

Recalling the Final Document of the Tenth Special Session of the General Assembly,⁶ the first special session devoted to disarmament,

Having considered the views expressed by Member States at the resumed session of the First Committee on these questions,

Conscious that the new international situation has enhanced the prospects for disarmament and arms regulation, which is conducive to further multilateral efforts in disarmament,

Stressing the need for the multilateral arms control and

disarmament machinery to respond to the new international situation,

Noting that a review is being undertaken regarding the allocation of agenda items to the Main Committees of the General Assembly,

Noting also the continuing review of the role and resources of the Office for Disarmament Affairs in order to strengthen its effective functioning,

Welcoming the Secretary-General's statement of 9 March 1993 that the Secretariat's capabilities are being strengthened to enable it to discharge its responsibilities effectively in the field of disarmament,⁷

Desiring to enhance the effective functioning of the present multilateral disarmament machinery,

1. *Decides* that the First Committee of the General Assembly, in pursuing its efforts to respond to the new realities of international security, should continue to deal with the questions of disarmament and related international security issues;

2. *Requests* the Chairman of the First Committee to continue his consultations on the further rationalization of the work and the effective functioning of the Committee, taking into account all the views and proposals presented to the Committee, including those related to the thematic clustering of agenda items;

3. *Reaffirms* the role of the Disarmament Commission as a specialized deliberative body within the United Nations disarmament machinery, and notes the progress achieved in its ongoing process of reform;

4. *Recommends* that every effort be made to continue to enhance the working methods of the Disarmament Commission so as to enable it to give focused consideration to a limited number of priority issues in the field of disarmament, and to that end welcomes the decision of the Commission to move its agenda towards a three-item phased approach;

5. *Notes* the fact that the Conference on Disarmament, as the single global disarmament negotiating forum, is a body of limited composition taking its decisions on the basis of consensus and maintains its special status in relationship with the United Nations disarmament machinery;

6. *Welcomes* the fact that the Conference on Disarmament, in addition to the review of its composition, has also

intensified the review of its agenda and methods of work, with a view to reaching prompt decisions on these questions;

7. *Encourages* the Conference on Disarmament to reach early agreement on the expansion of its membership;

8. *Stresses* the importance of further enhancing the dialogue and cooperation among the First Committee, the Disarmament Commission and the Conference on Disarmament;

9. *Urges* the Secretary-General to take concrete steps to strengthen the Office for Disarmament Affairs in order to ensure that it has the necessary means and resources to carry out its mandated tasks;

10. *Requests* the Secretary-General to report on those steps to the General Assembly at its forty-eighth session;

11. *Decides* to review these questions at its forty-eighth session.

47/41. Financing of the United Nations Operation in Somalia

B¹

The General Assembly,

Having considered the report of the Secretary-General on the financing of the initial phase of the expanded size and mandate of the United Nations Operation in Somalia² and the related oral report of the Advisory Committee on Administrative and Budgetary Questions,³

Bearing in mind Security Council resolution 751 (1992) of 24 April 1992, by which the Council established the United Nations Operation in Somalia, and Council resolution 814 (1993) of 26 March 1993, by which the Council expanded the size of the United Nations Operation in Somalia and authorized the mandate for the expanded Operation (United Nations Operation in Somalia II) for an initial period through 31 October 1993,

Bearing in mind also Security Council resolution 794 (1992) of 3 December 1992,

Expressing its appreciation to those countries that participated in, and made contributions to, the Unified Task Force in Somalia,

Recalling its resolution 47/41 A of 1 December 1992 on the financing of the United Nations Operation in Somalia,

Recalling also its responsibility in considering and approving the budget of the Organization in accordance with Article 17, paragraph 1, of the Charter of the United Nations,

Recognizing that the costs of the United Nations Operation in Somalia II are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter,

Recognizing also that, in order to meet the expenditures caused by the deployment of the Operation in Somalia II, a different procedure is required from the one applied

to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the expanded Operation with the required resources to enable it to fulfil its responsibilities under the relevant resolution of the Security Council,

Expressing concern about the financial situation of the Organization, in particular the fact that its reserves, including the Peace-keeping Reserve Fund, are almost depleted owing to the late payment of contributions by Member States,

1. *Endorses* the observations and recommendations made in the oral report of the Advisory Committee on Administrative and Budgetary Questions;³

2. *Reiterates* the concern it had expressed, in considering other peace-keeping budget estimates, about the lack of detailed budgetary information in the report of the Secretary-General, and regrets that the figures presented do not have enough justification and will need to be adjusted in the detailed budget estimates to be submitted not later than 15 June 1993;

3. *Urges* all Member States to ensure payment of their assessed contributions to the United Nations Operation in Somalia II promptly and in full;

4. *Decides* to continue to use the Special Account for the United Nations Operation in Somalia, established in accordance with General Assembly resolution 47/41 A, for the Operation in Somalia II;

5. *Decides also*, as an exceptional measure, pending submission of detailed budget estimates for the Operation in Somalia II and the performance report on the United Nations Operation in Somalia by the Secretary-General, to appropriate to the Special Account an amount of 300 million United States dollars for the Operation in Somalia II for the period from 1 May to 30 June 1993, and notes that this appropriation takes into account the unencumbered balance of appropriation remaining in the Special Account;

IV. AMENDMENTS TO THE STAFF REGULATIONS

Taking note of the reports of the Secretary-General on amendments to the Staff Regulations of the United Nations,⁴²

Approves the amendments to the Staff Regulations of the United Nations as set forth in the annex to the present resolution.

98th plenary meeting
8 April 1993

ANNEX

Amendments to the Staff Regulations of the United Nations

Regulation 3.2, paragraphs (a), (b) and (d)

For the existing texts, substitute:

“(a) The Secretary-General shall establish terms and conditions under which an education grant shall be available to a staff member serving outside his or her recognized home country whose dependent child is in full-time attendance at a school, university or similar educational institution of a type that will, in the opinion of the Secretary-General, facilitate the child’s reassimilation in the staff member’s recognized home country. The grant shall be payable in respect of the child up to the end of the fourth year of post-secondary studies or the award of the first recognized degree, whichever is the earlier. The amount of the grant per scholastic year for each child shall be 75 per cent of the admissible educational expenses actually incurred, subject to a maximum grant as approved by the General Assembly. Travel costs of the child may also be paid for an outward and return journey once in each scholastic year between the educational institution and the duty station, except that in the case of staff members serving at designated duty stations where schools do not exist that provide schooling in the language or in the cultural tradition desired by staff members for their children, such travel costs may be paid twice in the year in which the staff member is not entitled to home leave. Such travel shall be by a route approved by the Secretary-General, but not in an amount exceeding the cost of such a journey between the home country and the duty station.

“(b) The Secretary-General shall also establish terms and conditions under which, at designated duty stations, an additional amount of 100 per cent of boarding costs subject to a maximum amount per year as approved by the General Assembly may be paid in respect of children in school attendance at the primary and secondary levels.

“(d) The Secretary-General shall also establish terms and conditions under which an education grant shall be available to a staff member whose child is unable, by reason of physical or mental disability, to attend a normal educational institution and therefore requires special teaching or training to prepare him or her for full integration into society or, while attending a normal educational institution, requires special teaching or training to assist him or her in overcoming the disability. The amount of this grant per year for each disabled child shall be equal to 100 per cent of the educational expenses actually incurred, up to a maximum amount approved by the General Assembly.”

Regulation 3.3, subparagraph (b) (iii)

For the existing text, substitute:

“(iii) The Secretary-General shall determine which of the scales of assessment set out in subparagraphs (i) and (ii) above shall apply to each of the groups of personnel whose salary rates are established under paragraph 5 of annex I to the present Regulations;”.

Regulation 3.4, paragraphs (a) and (d)

For the existing texts, substitute:

“(a) Staff members whose salary rates are set forth in paragraphs 1 and 3 of annex I to the present Regulations shall be entitled to receive dependency allowances for a dependent child, for a disabled child and for a secondary dependant at rates approved by the General Assembly as follows:

“(i) The staff member shall receive an allowance for each dependent child, except that the allowance shall not be paid in respect of the first dependent child if the staff member has no dependent spouse, in which case the staff member shall be entitled to the dependency rate of staff assessment under subparagraph (b) (i) of regulation 3.3;

“(ii) The staff member shall receive a special allowance for each disabled child. However, if the staff member has no dependent spouse and is entitled to the dependency rate of staff assessment under subparagraph (b) (i) of regulation 3.3 in respect of a disabled child, the allowance shall be the same as the allowance for a dependent child in (i) above;

“(iii) Where there is no dependent spouse, a single annual allowance shall be paid for a secondary dependant in respect of either a dependent parent, a dependent brother or a dependent sister.

“(d) Staff members whose salary rates are set by the Secretary-General under paragraph 5 or paragraph 6 of annex I to the present Regulations shall be entitled to receive dependency allowances at rates and under conditions determined by the Secretary-General, due regard being given to the circumstances in the locality in which the office is located.”

Annex I to the Staff Regulations

For the existing text of paragraphs 1 to 10, substitute:

“1. The Secretary-General shall establish the salary of the Administrator of the United Nations Development Programme and the salaries of United Nations officials in the Director category and above, in accordance with amounts determined by the General Assembly, subject to the staff assessment plan provided in staff regulation 3.3 and to post adjustments wherever applied. If otherwise eligible, they shall receive the allowances that are available to staff members generally.

“2. The Secretary-General is authorized, on the basis of appropriate justification and/or reporting, to make additional payments to United Nations officials in the Director category and above to compensate for such special costs as may be reasonably incurred, in the interests of the Organization, in the performance of duties assigned to them by the Secretary-General. Similar additional payments in similar circumstances may be made to heads of offices away from Headquarters. The maximum total amount of such payments is to be determined in the programme budget by the General Assembly.

“3. Except as provided in paragraph 5 of the present annex, the salary scales and the scales of post adjustments for staff members in the Professional and higher categories shall be as shown in the present annex.

“4. Subject to satisfactory service, salary increments within the levels set forth in paragraph 3 of the present annex shall be awarded annually, except that any increments above step XI of the Associate Officer level, step XIII of the Second Officer level, step XII of the First Officer level, step X of the Senior Officer level and step IV of the Principal Officer level shall be preceded by two years at the previous step. The Secretary-General is authorized to reduce the interval between salary increments to ten months and twenty months, respectively, in the case of staff subject to geographical distribution who have an adequate and confirmed knowledge of a second official language of the United Nations.

“5. The Secretary-General shall determine the salary rates to be paid to personnel specifically engaged for short-term missions, conferences and other short-term service, to consultants, to Field Service personnel and to technical assistance experts.

“6. The Secretary-General shall fix the salary scales for staff members in the General Service and related categories, normally on the basis of the best prevailing conditions of employment in the locality of the United Nations office concerned, provided that the Secretary-General may, where he deems it appropriate, establish rules and salary limits for payment of a non-resident allowance to General Service staff members recruited from outside the local area.

“7. The Secretary-General shall establish rules under which a language allowance may be paid to staff members in the General Service category who pass an appropriate test and demonstrate continued proficiency in the use of two or more official languages.

“8. In order to preserve equivalent standards of living at different offices, the Secretary-General may adjust the basic salaries set forth in paragraphs 1 and 3 of the present annex by the application of non-pensionable post adjustments based on relative costs of living, standards of living and related factors at the office concerned as compared to New York. Such post adjustments shall not be subject to staff assessment.

“9. No salary shall be paid to staff members in respect of periods of unauthorized absence from work unless such absence was caused by reasons beyond their control or duly certified medical reasons.”

47/234. Financing of the United Nations Observer Mission in El Salvador

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Observer Mission in El Salvador⁴³ and the related report of the Advisory Committee on Administrative and Budgetary Questions,⁴⁴

Bearing in mind Security Council resolution 693 (1991) of 20 May 1991, by which the Council established the United Nations Observer Mission in El Salvador, and Council resolution 729 (1992) of 14 January 1992, by which the Council decided to extend and enlarge the mandate of the Observer Mission, as well as the subsequent resolutions by which the Council extended the mandate of the Mission, the latest of which was resolution 832 (1993) of 27 May 1993,

Recalling its resolution 46/240 of 22 May 1992, in which it decided, in principle, that the special accounts for the United Nations Observer Mission in El Salvador and the United Nations Observer Group in Central America should be merged,

Noting the current status of the combined Special Account for the United Nations Observer Mission in El Salvador and the United Nations Observer Group in Central America,

Reaffirming that the costs of the Observer Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Observer Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Observer Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Expressing concern about the financial situation with regard to the Observer Mission owing to overdue payment by Member States of their assessments, particularly Member States in arrears,

Also expressing concern about the delays in submission of budget documents until well into the financial period of the Observer Mission, which have contributed to the financing difficulties of the Mission,

1. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,⁴⁴ subject to the terms of the present resolution, and approves on an exceptional basis the special arrangements for the United Nations Observer Mission in El Salvador with regard to the application of article IV of the Financial Regulations

of the United Nations, whereby appropriations required in respect of obligations owed to Governments providing contingents and/or logistic support to the Observer Mission shall be retained beyond the period stipulated under financial regulations 4.3 and 4.4, as set out in the annex to the present resolution;

2. *Requests* the Secretary-General to take all necessary action to ensure that the Observer Mission is administered with a maximum of efficiency and economy, to improve management, and to include in his report on this item to the General Assembly information on the steps taken in this regard;

3. *Takes note* of the outstanding assessments and the net operating deficit of the combined Special Account for the United Nations Observer Mission in El Salvador and the United Nations Observer Group in Central America;

4. *Urges* all Member States to expedite payments of their assessed contributions to the Special Account promptly and in full;

5. *Decides* to appropriate to the Special Account, in accordance with the recommendation contained in paragraph 40 of the report of the Advisory Committee, for the operation of the Observer Mission for the period from 1 June to 30 November 1993, an amount of 18 million United States dollars gross (16,324,000 dollars net);

6. *Decides also*, as an ad hoc arrangement, to apportion the amount of 18 million dollars gross (16,324,000 dollars net) for the above-mentioned period among Member States in accordance with the composition of the groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/267 of 21 June 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992, and taking into account the scale of assessments set out in Assembly resolution 46/221 A of 20 December 1991 and Assembly decision 47/456 of 23 December 1992;

7. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 6 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 1,676,000 dollars for the period from 1 June to 30 November 1993 approved for the Observer Mission;

8. *Reiterates* its decision in paragraph 9 of its resolution 47/223 of 16 March 1993;

9. *Notes* that, in the light of the termination of the mandate of the United Nations Observer Group in Central America as at 17 January 1992, the net estimated costs of the Observer Group will be revised to reflect a final recorded expenditure and that the financial obligations of Member States to the Group will be adjusted accordingly;

10. *Decides* that the remaining unencumbered balance of the Observer Group after the revision of the net estimated costs as mentioned above shall be first applied as credits to Member States against their assessed contributions for the current mandate period of the Observer Mission in accordance with the provisions of paragraph 9 of its resolution 47/223, on the understanding that:

(a) Those Member States whose payments to the Observer Group are lower than their adjusted obligations shall

pay their remaining outstanding assessed contributions to the Group;

(b) Those Member States whose payments to the Observer Group exceed their adjusted obligations shall be credited in full with the difference;

11. *Requests* the Secretary-General to provide the General Assembly with the recorded expenditure of the Observer Group in order to assist it in its decision on the adjustment of the financial obligations of Member States as noted in paragraph 9 above;

12. *Decides* that there shall be set off against the apportionment among Member States, as provided for in paragraph 6 above, their respective share in the unutilized balance of 1,813,985 dollars in the Special Account for the period from 1 June to 30 November 1993;

13. *Authorizes* the Secretary-General to enter into commitments for the operation of the Observer Mission at a rate not to exceed 3 million dollars gross (2,720,000 dollars net) per month for the period from 1 December 1993 to 31 March 1994, should the Security Council decide to continue the Mission beyond 30 November 1993, subject to obtaining the prior concurrence of the Advisory Committee for the actual level of commitments to be entered into for the period beyond 30 November 1993, the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution;

14. *Requests* the Advisory Committee to report to the General Assembly at its forty-eighth session on action taken with regard to paragraph 13 above;

15. *Requests*, in this regard, the Secretary-General to submit to the General Assembly, no later than 8 February 1994, budget proposals, including revised estimates for the period the Security Council might have decided to continue the mandate of the Observer Mission beyond 30 November 1993;

16. *Decides* to establish the contributions of Andorra, the Czech Republic, Eritrea, the former Yugoslav Republic of Macedonia, Monaco and Slovakia to the Observer Mission in accordance with the rates of assessment to be adopted by the General Assembly for these Member States at its forty-eighth session;

17. *Invites* the new Member States listed in paragraph 16 above to make advance payments against their assessed contributions, to be determined;

18. *Invites* voluntary contributions to the Observer Mission in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A of 21 December 1989 and 45/258 of 3 May 1991.

47/235. Financing of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the Former Yugoslavia since 1991

The General Assembly,

Having considered Security Council resolution 808 (1993) of 22 February 1993, on the establishment of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the Former Yugoslavia since 1991, and Council resolution 827 (1993) of 25 May 1993, by which the Council adopted the statute of the International Tribunal,

Having also considered the note by the Secretariat on the financing of the International Tribunal⁴⁵ and the report of the Advisory Committee on Administrative and Budgetary Questions,⁴⁶

Taking into account the views expressed by Member States in the Fifth Committee,

1. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;⁴⁶

2. *Reaffirms*, in the context of Security Council resolution 827 (1993) and with respect to the financing of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the Former Yugoslavia since 1991, the role of the General Assembly as set out in Article 17 of the Charter of the United Nations, as the organ to consider and approve the budget of the Organization, as well as the apportionment of its expenses among Member States;

4. *Requests* the President of the General Assembly to bring to the attention of the President of the Security Council the contents of the present resolution;

5. *Endorses* the recommendation of the Advisory Committee to authorize the Secretary-General to enter into commitments in an amount not to exceed 500,000 United States dollars to provide for the immediate and urgent requirements of the International Tribunal for its initial activities;

6. *Requests* the Secretary-General to submit, during the forty-eighth session of the General Assembly and before 31 December 1993, detailed cost estimates for the International Tribunal, separate from the proposed programme budget for the biennium 1994-1995, to be fi-

nanced through assessed contributions and, pending a final decision on the manner of apportioning the expenses of the International Tribunal, to finance its activities through a separate account outside the regular budget;

7. *Invites* Member States and other interested parties to make voluntary contributions to the International Tribunal both in cash and in the form of services and supplies acceptable to the Secretary-General;

8. *Decides* to include in the draft agenda of its forty-eighth session the item entitled "Financing of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the Former Yugoslavia since 1991".

47/236. Financing of the United Nations Peace-keeping Force in Cyprus

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Peace-keeping Force in Cyprus⁴⁷ and the related report of the Advisory Committee on Administrative and Budgetary Questions,⁴⁸

Bearing in mind Security Council resolution 186 (1964) of 4 March 1964, by which the Council established the United Nations Peace-keeping Force in Cyprus, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 839 (1993) of 11 June 1993,

Recognizing that, in order to meet the expenditures caused by the Force with effect from 16 June 1993, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Force by certain Governments,

Noting that voluntary contributions were insufficient to cover all of the costs of the operation, including those incurred by troop-contributing Governments prior to 16 June 1993, and regretting the absence of an adequate response to the various appeals for voluntary contributions, including the one contained in section IV of General Assembly resolution 47/218 A of 23 December 1992,

Appreciating the continued efforts of Governments providing troops to the Force,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its mandate,

1. *Reaffirms*, in the context of paragraph 4 of Security Council resolution 831 (1993) of 27 May 1993, in which the Council addressed the issue of the financing of the United Nations Peace-keeping Force in Cyprus, the role of

the General Assembly, as set out in Article 17 of the Charter of the United Nations, as the organ to consider and approve the budget of the Organization, as well as the apportionment of its expenses among Member States;

2. *Expresses concern* that advice given to the Security Council by the Secretariat on the nature of the financing of the Force did not respect the role of the General Assembly as set out in Article 17 of the Charter;

3. *Requests* the President of the General Assembly to bring to the attention of the President of the Security Council the contents of the present resolution;

4. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;⁴⁶

5. *Requests* the Secretary-General to take all necessary action, in accordance, *inter alia*, with the observations and recommendations of the Advisory Committee, to ensure that the Force is administered with a maximum of efficiency and economy, to improve management, and to include in his report on this item to the General Assembly information on the steps taken in this regard;

6. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the Force promptly and in full;

7. *Decides* that the costs of the Force for the period beginning 16 June 1993 that are not covered by voluntary contributions should be treated as expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter;

8. *Decides also* to appropriate the amount of 8,771,000 United States dollars gross (8,443,000 dollars net) for the period from 16 June to 15 December 1993, and, accordingly, requests the Secretary-General to establish a special account for the United Nations Peace-keeping Force in Cyprus in accordance with paragraph 29 of his report;⁴⁷

9. *Decides further*, as an ad hoc arrangement, to apportion the amount of 8,771,000 dollars gross (8,443,000 dollars net) for the above-mentioned period among Member States, in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992, and taking into account the scale of assessments set out in Assembly resolution 46/221 A of 20 December 1991 and Assembly decision 47/456 of 23 December 1992;

10. *Decides* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 9 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 328,000 dollars for the period from 16 June to 15 December 1993 approved for the Force;

11. *Decides* to establish the contributions of Andorra, the Czech Republic, Eritrea, the former Yugoslav Republic of Macedonia, Monaco and Slovakia to the Force in accordance with the rates of assessment to be adopted by the General Assembly for these Member States at its forty-eighth session;

12. *Invites* the new Member States listed in paragraph 11 above to make advance payments against their assessed contributions, to be determined;

13. *Invites* voluntary contributions to the Force in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A of 21 December 1989 and 45/258 of 3 May 1991;

14. *Decides* to maintain as separate the account established prior to 16 June 1993 for the Force, invites Member States to make voluntary contributions to that account, and, in this regard, requests the Secretary-General to intensify his efforts in appealing for voluntary contributions to this account;

15. *Requests* the Secretary-General, taking into account the voluntary nature of the financing of the Force prior to 16 June 1993, to report, no later than 31 January 1994, on the status of the account referred to in paragraph 14 above;

16. *Decides* to include in the draft agenda of its forty-eighth session the item entitled "Financing of the United Nations Peace-keeping Force in Cyprus".
