PLATFORM FOR ACTION

Report of the Main Committee

Corrigendum

The Main Committee approved the following corrections to the text of chapter V of the draft platform for action:

Paragraph 291, last sentence. Delete "[equity]".

Paragraph 343. Revise the text to read:

In implementing the Platform for Action, international financial institutions are encouraged to review and revise policies, procedures and staffing to ensure that investments and programmes benefit women and thus contribute to sustainable development. They are also encouraged to increase the number of women in high-level positions, increase staff training in gender analysis and institute policies and guidelines to ensure full consideration of the differential impact of lending programmes and other activities on women and men. In this regard, the Bretton Woods institutions, the United Nations, as well as its funds and programmes and the specialized agencies, should establish regular and substantive dialogues, including at the field level, for more efficient and effective coordination of their assistance in order to strengthen the effectiveness of their programmes for the benefit of women and their families.
