LETTER DATED 10 MARCH 1981 FROM THE PERMANENT REPRESENTATIVE
OF ISRAEL TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF
THE SECURITY COUNCIL

Further to my letter of 8 March 1981 (S/14394) and in the context of the deliberations which were held in the Security Council yesterday, 9 March 1981, I wish to draw your attention to the indiscriminate shelling of towns and villages in northern Israel carried out on 2 and 3 March 1981 by PLO terrorists operating from Lebanon.

On 2 March, civilian centres in both western Galilee and in the "Galilee Panhandle" were subjected to three barrages of Katyusha rockets fired across the border with Lebanon by the PLO. As a result, four civilians in the northern town of Kiryat Shmonah were injured.

On 3 March, the PLO bombardments from Lebanon were renewed and two barrages of Katyusha rockets were fired at civilian centres in western Galilee, causing damage to property.

It is clear that these bombardments and those which have preceded them over the last year (as reported in my various letters to the President of the Security Council and the Secretary-General) are related to the steady build-up of the PLO's offensive capacity in southern Lebanon, based largely on the introduction of sizeable quantities of armour and artillery of Soviet manufacture.

I should like to take this opportunity of updating my letter to the President of the Security Council of 15 April 1980 (S/13895), in which I detailed 44 acts of PLO terror from Lebanese territory from mid-June 1978 until the murderous attack of 6/7 April 1980 on the children's nursery in Kibbutz Misgav Am. I accordingly attach a schedule setting out in detail 26 further acts and attempted acts of terror which the PLO has perpetrated from Lebanese territory against targets in Israel since that date.

All these acts of terror have been aimed against civilian targets in northern Israel. Thirty-two towns and villages have been attacked or shelled, some of them several times. They are as follows: Amir, Ayalon, Beit Hillel, Betzet, Dafna, Even Menachem, Fasuta, Goren, Huleh, Idmit, Jurdah, Kfar Blum, Kfar Giladi, Kfar Szold, Kfar Yuval, Dan, Kiryat Shmonah, Ma'ayan Baruch, Manara, Margalioth, Metulla, Metzuba, Misgav Am, Nahariya, Ne'ot Mordechai, Netu'a, Sasa, She'ar Yashuv, Shlomi, Shnir, Shtula, Ya'ara.
