Rapporteur: Mr. Peter MADDENS (Belgium)

I. INTRODUCTION

1. Previous recommendations made by the Fifth Committee to the General Assembly under agenda item 133 appear in the reports of the Committee contained in documents A/50/705 and Add.1.
2. The Committee further considered the item at its 41st meeting, on 17 December 1995. Statements and observations made in the course of the Committee's consideration of the item are reflected in the relevant summary record (A/C.5/50/SR.41).
3. For its consideration of the item, the Committee had before it the reports of the Secretary-General on the financing of the United Nations Mission in Haiti (UNMIH) (A/50/363 and Corr.1 and Add.1) and the related reports of the Advisory Committee on Administrative and Budgetary Questions (A/50/488 and Add.1).

II. CONSIDERATION OF DRAFT RESOLUTION A/C.5/50/L.10

4. At the 41st meeting, on 17 December, the representative of Mexico introduced a draft resolution entitled "Financing of the United Nations Mission in Haiti" (A/C.5/50/L.10), which was submitted on the basis of informal consultations.
5. At the same meeting, the Fifth Committee adopted draft resolution A/C.5/50/L.10 without a vote (see para. 6).

III. RECOMMENDATION OF THE FIFTH COMMITTEE

6. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

Financing of the United Nations Mission in Haiti

The General Assembly,

Having considered the reports of the Secretary-General on the financing of the United Nations Mission in Haiti 1/ and the related reports of the Advisory Committee on Administrative and Budgetary Questions, 2/

Recalling Security Council resolution 1007 (1995) of 31 July 1995, in which the Council extended the mandate of the Mission for an additional period of seven months, to 29 February 1996, in anticipation of the conclusion of the mandate at that time, as well as all previous Security Council resolutions on the United Nations Mission in Haiti,

Recalling also its decision 48/477 of 23 December 1993 on the financing of the Mission and its subsequent resolutions and decisions thereon, the latest of which was the decision adopted by the Assembly at its 78th meeting, on 4 December 1995,

Reaffirming that the costs of the Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1/ A/50/363 and Corr.1 and Add.1.

2/ A/50/488 and Add.1.
