## INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the forty-ninth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library, Department of Public Information, as one of the products of the United Nations Bibliographic Information System (UNBIS).

### ARRANGEMENT OF THE INDEX

**Part I** consists of the following sections:

*Sessional information*, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

*Check-list of meetings*, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

*Principal organs and subsidiary bodies to which members were elected or appointed during the forty-ninth session of the General Assembly*, listing members and their term of office;

*Agenda*, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

*Subject index*, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

*List of documents*, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

*Reports of the Main and procedural committees*, providing a listing by subject of the reports on the items discussed in the committees;

*Resolutions adopted during the forty-ninth session*, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

*Voting chart of resolutions adopted by recorded or roll-call vote*, indicating the vote of each Member State.

**Part II** (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

### DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/49/62 is the sixty-second in the series of main documents of the forty-ninth session; A/INF/49/3 is the third in the information series; A/C.5/49/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's forty-ninth session, the symbols A/49/i to A/49/49 are the *Supplements to the Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the forty-ninth session of the General Assembly bears the symbol A/49/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/49/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings and of the First Committee, as well as the

summary records of the other Committees are issued in only one form, as *Official Records of the General Assembly*. Corrections are issued after the end of each session in consolidated corrigenda.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index).

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement to the Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements to the Official Records of the Security Council*.

## HOW TO OBTAIN DOCUMENTS

Resolutions

A/RES/49/74 Prevention of an arms race in outer space.

Reaffirms its recognition, as stated in the report of the Ad Hoc Committee on the Prevention of an Arms Race in Outer Space, that the legal regime applicable to outer space by itself does not guarantee the prevention of an arms race in outer space, that this legal regime plays a significant role in the prevention of an arms race in that environment, that there is a need to consolidate and reinforce that regime and enhance its effectiveness, and that it is important strictly to comply with existing agreements, both bilateral and multilateral; emphasizes the necessity of further measures with appropriate and effective provisions for verification to prevent an arms race in outer space; reiterates that the Conference on Disarmament has the primary role in the negotiation of a multilateral agreement or agreements, as appropriate, on the prevention of an arms race in outer space in all its aspects; requests the Conference on Disarmament to consider as a matter of priority the question of preventing an arms race in outer space (adopted 170-0-1, 90th meeting, 15 Dec. 1994).

ENVIRONMENT--SUSTAINABLE DEVELOPMENT (AGENDA  
ITEM 89) (cont.)

Resolutions

A/RES/49/111 Report of the Commission on Sustainable Development on its 2nd session.

Expresses its deep concern that the financial recommendations and commitments of Agenda 21 despite an increase in private investment in some countries, are short of expectations and requirements and that the current availability of financial resources for sustainable development and the limited provision of adequate and predictable new and additional financial resources will constrain the effective implementation of Agenda 21 and could undermine the basis of the global partnership for sustainable development; recommends that members of international financial institutions take the necessary steps to ensure that their programmes and activities better reflect Agenda 21, particularly in order to respond to the needs of developing countries; endorses the recommendation of the Commission on Sustainable Development to draw up a matrix of policy options and financial instruments and mechanisms that would facilitate the formulation of optimal financing strategies for each of the sectoral clusters under review; requests the Secretary-General to promote further the involvement of the High-level Advisory Board on Sustainable Development in the work of the Commission, through more direct involvement of the members of the Board, in their expert capacity, in the informal meetings of the Commission and in its inter-sessional meetings (adopted without vote, 92nd meeting, 19 Dec. 1994).

A/RES/49/112 Support for the Global Learning and Observations to Benefit the Environment (GLOBE) Programme. Welcomes the GLOBE programme initiated by the Government of the United States on 22 Apr. 1994, which aims to enhance the collective awareness of individuals throughout the world concerning the environment, increase scientific understanding of the Earth and help all students reach the highest standards in science and mathematics education; requests the Secretary-General to ensure that appropriate account is taken of the GLOBE initiative in the efforts of the UN system to support the implementation of Agenda 21, particularly in the coordinating functions of the Inter-agency Committee on Sustainable Development of the Administrative Committee on Coordination; requests ECOSOC and its subsidiary bodies, in particular the Commission on Sustainable Development, to take full account of the GLOBE initiative, within the context of sustainable development, in reviewing and promoting the implementation of Agenda 21 (adopted without vote, 92nd meeting, 19 Dec. 1994).

A/RES/49/113 Dissemination of the principles of the Rio Declaration on Environment and Development. Urges all Governments to promote widespread dissemination at all levels of the Rio Declaration on Environment and Development; requests the Secretary-General to ensure that the Declaration is widely disseminated by the competent organs and bodies of the UN system and to continue to ensure that its principles are incorporated in their programmes and processes, in accordance with paragraphs 32 and 42 of chapter I of the report of the Commission on Sustainable Development on its 1st session (adopted without vote, 92nd meeting, 19 Dec. 1994).

Resolutions

A/RES/49/87 The situation in the Middle East.

The resolution is divided into separate parts, A/RES/49/87 A-B.

A/RES/49/87[A] Jerusalem.

Determines that the decision of Israel to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has no validity whatsoever; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980), and their refusal to comply with the provisions of that resolution; calls once more upon those States to abide by the provisions of the relevant UN resolution in conformity with the Charter of UN (adopted 138-2-7, 91st meeting, 16 Dec. 1994).

A/RES/49/87[B] The Syrian Golan.

Declares that Israel has failed so far to comply with Security Council resolution 497 (1981); declares also that the Knesset decision of 11 Nov. 1991 annexing the occupied Syrian Golan constitutes a grave violation of Security Council resolution 497 (1981) and therefore is null and void and has no validity whatsoever, and calls upon Israel to rescind it; reaffirms its determination that all relevant provisions of the Regulations annexed to the Hague Convention of 1907, and the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 Aug. 1949, continue to apply to the Syrian territory occupied by Israel since 1967; determines once more that the continued occupation of the Syrian Golan and its de facto annexation constitute a stumbling-block in the way of achieving a just, comprehensive and lasting peace in the region; demands once more that Israel withdraw from all the occupied Syrian Golan in implementation of the relevant Security Council resolutions (adopted 77-2-70, 91st meeting, 16 Dec. 1994).

Resolutions

- A/RES/49/110 International cooperation  
for the eradication of poverty in  
developing countries: International  
Year for the Eradication of Poverty.  
Reaffirms that the major activities  
for the observance of the  
International Year for the Eradication  
of Poverty should be undertaken at all  
levels and that assistance should be  
provided by the UN system with a view  
to creating among States, policy  
makers and international public  
opinion a greater awareness of the  
fact that the eradication of poverty is  
both a complex and a multidimensional  
problem and fundamental to reinforcing  
peace and achieving sustainable  
development; stresses that an in-depth  
and complete study of the nature, the  
causes and the consequences of all  
types of poverty in developing  
countries which affect mankind is  
necessary within the framework of the  
Year; requests the Secretary-General  
through the secretariat of the World  
Summit for Social Development, the UN  
Research Institute for Social  
Development and the UN University to  
give appropriate consideration, in  
directing their research and studies  
of all types of poverty, to the  
experiences of the poor themselves and  
so contribute to a better  
understanding of their situation;  
further requests the Secretary-General  
to organize in Dec. 1995, during the  
50th session of the General Assembly,  
the ceremony marking the launching of  
the International Year for the  
Eradication of Poverty (adopted

Resolutions

A/RES/49/93 Net flows and transfer of resources between developing countries and developed countries.

Stresses the need to increase efforts to ensure the flow of substantial resources for sustained economic growth and sustainable development in the developing countries taking into account the following: that governments of the developed countries and other countries in a position to do so should promote an adequate flow of resources to developing countries; that in many developing countries, where the burden of debt and debt service constitutes a major obstacle to the revitalization of growth and development, there is a need for further progress towards alleviating their external debt burden; that governments should fully implement the Uruguay Round agreements, including the specific provisions for developing countries included in the Final Act Embodying the Results of the Uruguay Round of Multilateral Trade Negotiations; that developing countries should continue to strengthen their efforts in the area of vertical and horizontal diversification in order to enlarge their export bases; that consideration should be given to ways to coordinate macroeconomic policies effectively in competent, broad-based multilateral forums; that consideration should be given by the international community to ways of dealing with the possible negative effects of sudden outflows of private capital from developing countries on the development programmes of these countries (adopted without vote, 92nd meeting, 19 Dec. 1994).

REVERSE TRANSFER OF RESOURCES (AGENDA ITEM  
87D) (cont.)

A/RES/49/94 Enhanced international cooperation towards a durable solution to the external debt problem of developing countries.  
Calls upon the international community to implement fully the agreements of the Uruguay Round of multilateral trade negotiations; welcomes the write-off by certain creditor countries of a significant part of the bilateral official debt of the least developed countries, and invites them, whenever possible, to cancel official development assistance debt or provide relief with similar effect for the least developed countries, particularly those in Africa; encourages private creditors and, in particular, commercial banks to continue their initiatives and efforts to address the commercial debt problems of the least developed countries and of low- and middle-income developing countries; urges the international community to consider wider application of innovative measures, such as debt-for-equity and debt-for-nature swaps, without prejudice to more durable solutions such as debt reduction and/or cancellation; invites creditor countries, private banks and multilateral financial institutions, within their prerogatives, to consider the extension of appropriate new financial support to the low-income countries with substantial debt burdens that continue, at great cost, to service the debt and meet their international obligations (adopted without vote, 92nd meeting, 19 Dec. 1994).

UNRWA--ACTIVITIES (AGENDA ITEM 77) (cont.)

A/RES/49/35[A] Assistance to Palestine refugees.

Endorses the decision of the Secretary-General to transfer the headquarters of the Agency, requests the Commissioner-General to implement that decision in a manner which does not adversely affect the efficient and continued running of the Agency in all fields of its area of operation, and requests the Secretary-General to produce a detailed financial plan to present to the Working Group on the Financing of the UNRWA as soon as possible and in any case before the transfer takes place; notes the significant success of the peace implementation programme of the Agency during the 1st year after the signing of the Declaration of Principles on Interim Self-Government Arrangements; welcomes the results of the Conference to Support Middle East Peace, held in Washington on 1 October 1993, concerning urgent financial and economic assistance in support of the economic and social development of the Palestinian people; notes with profound concern that the structural deficit problem confronting the Agency portends an almost certain decline in the living conditions of Palestine refugees and therefore has possible consequences for the peace process (adopted 164-O-2, 83rd meeting, 9 Dec. 1994).

A/RES/49/35[B] Working Group on the Financing of UNRWA.

Commends the Working Group on the Financing of UNRWA for its efforts to assist in ensuring the financial security of the Agency; requests the Working Group to continue its efforts, in cooperation with the Secretary-General and the Commissioner-General, for the financing of the Agency for a further period of one year (adopted without vote, 83rd meeting, 9 Dec. 1994).

A/RES/49/35[C] Persons displaced as a result of the June 1967 and subsequent hostilities.

Endorses, in the meanwhile, the efforts of the Commissioner-General of UNRWA to continue to provide humanitarian assistance, as far as practicable, on an emergency basis, and as a temporary measure, to persons in the area who are currently displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously to the Agency and to the other intergovernmental and non-governmental organizations concerned for the above purposes (adopted 160-2-4, 83rd meeting, 9 Dec. 1994).

A/RES/49/35[D] Offers by Member States of grants and scholarships for higher education, including vocational training, for Palestine refugees.

Strongly appeals to all States, specialized agencies and non-governmental organizations to augment the special allocations for grants and scholarships to Palestine refugees, in addition to their contributions to the regular budget of UNRWA; appeals to all States, specialized agencies and the UN University to contribute generously to the Palestinian universities in the Palestinian territory occupied by Israel since 1967, including, in due course, the proposed University of Jerusalem "Al-Quds" for Palestine refugees; requests the Agency to act as the recipient and trustee for the special allocations for grants and scholarships and to award them to qualified Palestine refugee candidates (adopted 165-O-1, 83rd meeting, 9 Dec. 1994).

A/RES/49/35[E] Operations of UNRWA.
