**ДОКЛАД О МЕРАХ, ПРИНЯТЫХ В ОТВЕТ НА ПРОСЬБУ ЭФИОПСКИХ ВЛАСТЕЙ КАСАТЕЛЬНО
ВЫДАЧИ ТРЕХ ЕГИПТЯН, ПОДОЗРЕВАЕМЫХ В УЧАСТИИ В ПОКУШЕНИИ НА ПРЕЗИДЕНТА
ЕГИПТА, ПРОНИКШИХ, СОГЛАСНО СООБЩЕНИЯМ, НА ТЕРРИТОРИЮ СУДАНА ИЛИ
НАХОДЯЩИХСЯ ТАМ**

1. В письме президента Эфиопии от 25 июля 1995 года, полученном 27 числа того же месяца, на имя президента Судана эфиопское правительство просит выдать трех египетских граждан, чьи имена указаны ниже:

Мустафа Хамза

Иззет или Бассем

Хуссейн Ахмед Шаит Али

Согласно содержанию этого письма, вышеупомянутые Мустафа Хамза и Иззет уже находились в Судане, а Хуссейн Ахмед Шаит Али прибыл туда по фальшивому паспорту непосредственно в день покушения на борту самолета суданской авиакомпании.

2. После получения просьбы о выдаче был создан Комитет по расследованию под председательством генерального прокурора в составе представителей различных соответствующих служб, а именно трех офицеров полиции, офицера службы безопасности и офицера Управления военной разведки. Согласно декрету о создании этого Комитета от 27 июля 1995 года, ей были предоставлены все полномочия и прерогативы по проведению розыска и расследований и было предписано завершить работу в течение недели.

3. Во исполнение Договора об экстрадиции, подписанного между Суданом и Эфиопией в 1964 году и ратифицированного в 1966 году, Комитет начал свои расследования, с тем чтобы задержать и выдать трех разыскиваемых преступников.

4. Тщательно изучив просьбу о выдаче, органы, которым было поручено провести расследование, задались целью проверить сведения, представленные эфиопскими властями в приложении к их просьбе. Соответственно, были приняты следующие меры:

a) Генеральный прокурор направил органу, выполняющему функции прокуратуры, письменное указание издать ордер на арест разыскиваемых подозреваемых;

b) государственный министр издал ордер на арест трех подозреваемых;

c) 31 июля 1995 года во все пункты въезда в Хартум и выезда из него, во все полицейские посты и комиссариаты и контрольные пункты при въезде в города и во все порты, аэропорты и пограничные пункты Центральным сыскным управлением и

командованием центрального военного округа был направлен ордер на розыск с указанием всех сведений по разыскиваемым подозреваемым в целях задержания этих трех подозреваемых и их ареста;

d) 31 июля 1995 года Генеральному паспортному управлению было поручено представить следующие сведения по разыскиваемым подозреваемым: дату въезда в Судан, адрес места проживания и вид на жительство. Управлению было также поручено воспрепятствовать их выезду из страны до завершения расследования;

e) также 31 июля 1995 года Генеральному паспортному управлению было поручено представить сведения, имеющиеся в его распоряжении, о паспорте № 63203, выписанном на имя Фейсала Лотфи Абдельлатифа, въехавшего в Судан 26 июня 1995 года из Эфиопии;

f) в своем ответе Комитету по расследованию Генеральное паспортное управление указало, что у него нет никаких сведений о разыскиваемых подозреваемых и что отсутствуют какие бы то ни было подтверждения их въезда в Судан, то есть что речь идет о египетских гражданах, которые не были вписаны в иммиграционные реестры сообразно с практикой, установившейся в отношениях между Египтом и Суданом в течение десятилетий. Тем не менее Управление продолжает проверять списки въезда за предыдущие годы. В то же время оно указало, что паспорт № 63203 был выдан суданскому гражданину по имени Аззедин Алаэддин Аушалах и что имя Фейсал Лотфи Абдельлатиф не фигурирует в его реестрах. Кроме того, в досье полиции хартумского аэропорта содержится карточка въезда на имя Фейсала Лотфи Абдельлатифа, прибывшего в Судан 26 июня 1995 года на борту рейса 327 суданской авиакомпании из Аддис-Абебы;

g) 29 июля 1995 года Комитет по расследованию начал проверку различных адресов, где мог находиться Мустафа Хамза или Аззедин, на основе сведений, представленных эфиопскими властями. Оказалось, что адреса были указаны неточно, так что Комитет не смог установить соответствующие квартиры или дома. Тем не менее он провел проверки и обыски в семи домах в районе Аркувит, в одном доме в старой части города и еще одном - в районе Кубер. Он произвел также обыск во многих домах в пригородах Хартума, но не смог найти следов трех разыскиваемых подозреваемых. Операции по поиску продолжаются;

h) Комитет продолжил поиск, обратившись с призывом к специализированным службам безопасности и основываясь на периодических сообщениях, передаваемых полицейскими службами портов и аэропортов, а также пограничными пунктами и контрольными пунктами при въезде в города и выезде из них, однако не смог найти следов трех разыскиваемых подозреваемых;

i) по истечении отведенного им семидневного срока органы, которым было поручено провести расследование, представили доклад Министру внутренних дел, в котором они сообщили ему о том, что расследование не завершено и поиски продолжаются. В докладе подчеркиваются также трудности, с которыми столкнулся Комитет по расследованию в силу запоздалого характера эфиопской просьбы о выдаче (более чем через месяц после покушения) и недостаточности сведений о подозреваемых. В сущности, их личность установлена не полностью и представленного описания внешности недостаточно для того, чтобы их узнать. С другой стороны, эфиопские власти не представили ни одного доказательства (ни свидетельских показаний, ни документов) в поддержку утверждения о том, что Мустафа Хамза или Иззет находятся в Судане. Кроме того, согласно документам, препровожденным эфиопским судом, место

проживания подозреваемых неизвестно. Вследствие этого, сообразно с положениями Договора об экстрадиции между двумя странами, где предусматривается, что просьбы о выдаче должны подкрепляться документами, препровождаемыми соответствующим судом испрашивающей страны, Комитет просил эфиопские власти представить ему дополнительную информацию;

j) получив 7 февраля 1996 года сообщения центральных сыскных служб и центрального военного округа о том, что усилия по розыску подозреваемых успехом не увенчались, органы, которым было поручено провести расследование, приняли предписанные законом меры, а именно дали объявление о розыске в средствах массовой информации. В этом объявлении о розыске с описанием подозреваемых указывалось, что их необходимо доставить в кратчайшие сроки в ближайший полицейский участок. Таким образом, всему населению было предложено принять участие в розыске и аресте подозреваемых или сообщить любую имеющую к этому отношению информацию. Это объявление, распространявшееся в течение трех дней подряд по телевидению, радио и в газетах на арабском и английском языках, никаких результатов не дало;

k) испытывая обеспокоенность по поводу того, что могут прекратиться все усилия по продолжению розыска, органы, которым было поручено провести расследование, решили произвести перепись всех египетских граждан. Соответственно, начиная с 9 августа 1995 года все египетские граждане, за исключением держателей дипломатических паспортов, подлежат регистрации при въезде в Судан. В то же время Комитет по расследованию обратился 7 февраля 1996 года с просьбой ко всем египетским гражданам, проживающим в Судане, зарегистрироваться в ближайшем полицейском участке;

l) Комитет по расследованию просил генеральный секретариат Международной организации уголовной полиции (ИНТЕРПОЛ) через посредство его отделения в Хартуме представить Комитету все имеющиеся в его распоряжении сведения о подозреваемых. 15 февраля 1996 года генеральный секретариат ИНТЕРПОЛа информировал Комитет о том, что у него нет по ним никаких сведений;

m) Министр внутренних дел направил указание всем губернаторам провинций, всем местным органам власти и общественным организациям принять участие в розыске. 26 февраля 1996 года он объявил, что любому лицу, которое окажет содействие в аресте подозреваемых или представит информацию с этой целью, будет выплачено вознаграждение. Кроме того, губернаторы поручили провинциальным и местным органам власти приложить все усилия, необходимые для розыска подозреваемых;

n) органы, которым поручено провести расследование, регулярно изучают периодические сообщения полицейских служб портов и аэропортов, равно как и пограничных пунктов, с тем чтобы воспрепятствовать выезду подозреваемых из страны в том случае, если они здесь находятся.

5. Органы, которым поручено провести расследование, смогли установить, что в реестрах полиции хартумского аэропорта содержится карточка въезда, выписанная на имя Фейсала Лотфи Абдельлатифа, прибывшего в Судан 26 июня 1995 года рейсом 327 суданской авиакомпании из Эфиопии. В адресе, указанном на карточке, упоминается район Кубер близ мечети, однако обыск, произведенный во всей этой зоне, оказался безрезультатным. В то же время это имя не фигурирует в реестрах службы такси аэропорта, откуда следует, что подозреваемый воспользовался фальшивым паспортом.

6. Органы, которым поручено провести расследование, не смогли получить никаких сведений, доказывающих, что вышеупомянутые Мустафа Хамза и Иззет или Бассем въезжали в Судан. Нет также и никаких следов их выезда из страны в портах, аэропортах и наземных пограничных пунктах.

7. Органы, которым поручено провести расследование, не смогли получить никаких дополнительных сведений в дополнение к тем, которые были приложены к просьбе о выдаче, представленной Эфиопией. Поэтому 14 февраля 1996 года Комитет направил письменную просьбу в министерство иностранных дел о том, чтобы оно запросило у эфиопских властей уточняющую информацию и дополнительные сведения.

8. Операции по розыску продолжаются на основе сведений, представленных эфиопскими властями, однако для большей результативности органам, которым поручено провести расследование, нужна дополнительная информация о перемещении подозреваемых между Эфиопией и Суданом, более подробное описание внешности, предполагаемое место жительства, а также документы, доказывающие нахождение в Судане подозреваемых Мустафы Хамзы и Иззета. Согласно положениям Договора об экстрадиции между двумя странами, имеет силу только просьба суда, а в ней не упоминалось об их нахождении в Судане, и это подтверждается выводами Комиссии по расследованию.

Re:- Request for Information

1, Reference the requisition made by the Etjiopian respecting the surrender of three Egyptian national who are alleged to have conspired to the attempted homicide on the life of the Egyptian President and who are suspected to have left to Sudan.

2, There are some significant information needed by the Committee for the sake of investigation, these are -

a, Compliance with article 8(4) of the Bilateral Extradition Treaty between Sudan and Ethiopia ,1966,by proriding the particulars that would assist in ascertaing the identities of the following suspects:-

1. Mustafa Hamza
2. Izat or Yasim .
3. Husayn Ahmed Shiat Ali .

The particulars need are the passport photo of the suspect Izat and the descriptions of the three suspects and thier special marks.

b, Illustration of the locations mentioned in the requisition ,these locations as provided are inadequately described ,are very confusing and do not comply with the geographical realities Khartoum town.

c, The documents and the statements that would support the presence of Mustafa Hamza and Izat or Yasim in the Sudan or their entry thereto befor or after the incident.

d, The informations relating to the movements of the suspects between Sudan and Ethiopia befor the incident.

e, It has been stated in Ref.No.2346/87 dated July the 25th.1995 per j.Wajebu Amare 9 court of Waredu, the 14th.administrative region in Ethiopia that the " whereabouts of the three suspects are yet unknown"

Why then was the requisition submitted? How can the Ethiopian authorities allege that the three suspects havee fled to Sudan and state that their whereabouts are yet unknown? What is the rationale behind the Extradition requisition when there is no clue that the suspects have fled to Sudan.

g, Article (11) of the Bilateral Extradition Treaty between Sudan and Ethiopia , 1966 stipulates that the statements made by the accused and their testimonies and their admissions and summons and announcements their passport photos . The persual of these items would help the Committee to know how far the suspects can be linked to the attempted homicide and hint or clue as to whether they have fled to Sudan or not.

h, Please take note of the aforesaid informations and request a reply from the Ethiopian authorities.

Best regards,,,

sincerely yours
Dr. Abdel Rahman Ibrahim ElKhalifa
Head of the Committee formed pursuant
to the Ministerial decree NO 98/95

СТАТЬЯ XII

Если лицо, запрашиваемое одной из Договаривающихся Сторон в соответствии с настоящим Договором запрашивается также одной или несколькими другими державами на основании того, что в рамках их соответствующих юрисдикций были совершены другие преступления или правонарушения, его выдача разрешается той державе, просьба которой была получена раньше всех, если эта держава не откажется от своей просьбы.

СТАТЬЯ XIII

(1) Если достаточные доказательства для выдачи не представляются в течение шестидесяти дней с даты ареста лица, скрывающегося от правосудия, или в течение такого дополнительного срока, о котором распоряжается суд запрашиваемой Договаривающейся Стороны, арестованное лицо освобождается.

(2) Если лицо, в отношении которого было вынесено судебное решение о его передаче в соответствии с настоящим Договором, не вывозится с территории, к которой поступила просьба о его выдаче, в течение тридцати дней, оно может быть освобождено.

СТАТЬЯ XIV

СТАТЬЯ XV

(1) Настоящий Договор подлежит ратификации, и обмен документами о ратификации будет осуществлен в ХАРТУМЕ как можно в более короткий срок. Он вступит в силу немедленно после обмена документами о ратификации.

(2) Любая Договаривающаяся Сторона может в любое время уведомить по дипломатическим каналам другую Сторону о своем желании денонсировать настоящий Договор и, в случае направления такого уведомления, Договор утрачивает силу через шесть месяцев после получения уведомления о денонсации.

В удостоверение чего вышеназванные полномочные представители подписали настоящий Договор и скрепили его своими печатями.
