Executive Board
Second regular session 1996
9-12 April 1996
Item 5 (a) of the provisional agenda*

FOR ACTION

INTEGRATED BUDGET FOR HEADQUARTERS AND REGIONAL OFFICES FOR 1996-1997

Corrigendum

SUMMARY

Changes are made to paragraph 11, draft resolutions 1 and 2, as follows:

Draft resolution 1, subparagraph (c):

The last sentence should read: In exceptional circumstances, the Executive Board may be consulted by mail poll.

Draft resolution 2:

The draft resolution in its entirety should read:

The Executive Board

Resolves that, for the biennium 1996-1997, the costs incurred in part II under categories 1, 2 and 3 of the budget for packing and assembly activities are recovered as follows:

(In thousands of
United States dollars)

Recovery from packing and
assembly activities

18 000

* E/ICEF/1996/9.

In addition, there are the following changes:

The L-5 post of regional project officer, emergency, in the Eastern and Southern Africa Regional Office was erroneously recorded as an L-4 in annex VII. The correct grade level - L-5 - is indicated in paragraph 112 of document E/ICEF/1995/AB/L.5.

An L-4 post of project officer, monitoring, in the West and Central Africa Regional Office was submitted for upgrading to the L-5 level and was graded as an L-4; hence, this was not included in the budget document. After recourse, the post has been reclassified to the L-5 level with the title of regional monitoring and evaluation officer. The post is responsible for providing advisory support to 23 francophone, anglophone and lusophone countries. The need for effective and sustained harmonization and coordination of monitoring and evaluation of resources and activities with the many actors in this field, including Governments, multilateral and bilateral agencies, universities and international research institutes, and regional and non-governmental organizations, thus requires the incumbent to possess considerable organizational, advocacy, diplomatic and managerial skills.

As a consequence of the above changes, tables I.1, I.3, V.4, V.6 and V.7 and annexes V, VII and VIII are included and supersede those contained in document E/ICEF/1996/AB/L.5.

Table I.5 is included to show the correct total of programme support.

III. DRAFT RESOLUTIONS

11. The decision to be made by the Executive Board on the basis of the present document is the adoption of the draft resolutions relating to the budget, which are:
