1. Mr. AMARI (Tunisia), Vice-Chairman, read out a number of editing changes to the text of draft resolution A/C.5/50/L.20. It had been decided during informal consultations that the question of the term of office of members of the Board of Auditors should be considered by the Committee at the resumed fiftieth session.

She commended the draft text for adoption without a vote.
4. Draft resolution A/C.5/50/L.23 was adopted.

AGENDA ITEM 134: FINANCING OF THE UNITED NATIONS OBSERVER MISSION IN LIBERIA (continued)

Draft resolution A/C.5/50/L.24

5. Mr. ABELIAN (Armenia), Vice-Chairman, said that under the draft resolution the General Assembly would decide, as an ad hoc arrangement, to apportion among Member States the amount of \$9,773,600 in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232. It would further decide that, for Member States that had fulfilled their financial obligations to the Observer Mission, there would be set off against the apportionment their respective share in the unencumbered balance of \$226,890 gross for the period 23 October 1994-30 June 1995. He hoped that the draft resolution could be adopted without a vote.

Draft decision A/C.5/50/L.26

7. Mr. HAMMARSKJÖLD (Sweden) said that in draft decision A/C.5/50/L.26 the General Assembly would decide, on an exceptional basis, to authorize the Secretary-General to enter into commitments for the operations in the former Yugoslavia for the period 1 January-31 March 1996 in the amount of \$100 million gross. It would request the Secretary-General to submit cost estimates to the General Assembly at its resumed fiftieth session and would decide, as an ad hoc arrangement, to assess the amount of \$89,484,800 gross for the period 1 January-31 March 1996 among Member States. The proposals were designed to provide bridging financing pending consideration of the cost estimates at the resumed fiftieth session, in accordance with the Advisory Committee's recommendations. He hoped that the draft decision could be adopted without a vote.

8. Draft decision A/C.5/50/L.26 was adopted.

AGENDA ITEM 123: FINANCING OF THE UNITED NATIONS ANGOLA VERIFICATION MISSION (continued)

Draft resolution A/C.5/50/L.25

9. Mrs. EMERSON (Portugal) said that the draft text had been agreed upon during informal consultations and she commended it for adoption without a vote.

10. Draft resolution A/C.5/50/L.25 was adopted.

AGENDA ITEM 120: SCALE OF ASSESSMENTS FOR THE APPORTIONMENT OF THE EXPENSES OF THE UNITED NATIONS (continued)

Draft resolution A/C.5/50/L.21

11. Mr. KELLY (Ireland) said that the draft resolution recognized the importance of requests with respect to the application of Article 19 being considered by the Committee on Contributions in accordance with rule 160 of the rules of procedure of the General Assembly. It requested the Committee on Contributions to hold a special session of one week's duration as early as possible in 1996 to consider representations from Member States with respect to the application of Article 19 of the Charter and invited Member States to submit detailed information to the Committee on Contributions in explanation of their requests as soon as possible so as to facilitate the work of the Committee.

12. Draft resolution A/C.5/50/L.21 was adopted.

Draft decision A/C.5/50/L.22

13. Draft decision A/C.5/50/L.22 was adopted.

Draft decision A/C.5/50/L.28

14. Draft decision A/C.5/50/L.28 was adopted.

15. Mr. YAMAK (Turkey), speaking in explanation of position after the decision, said that the more than 40 per cent increase in Turkey's assessment for the period 1995 to 1997 was due to the fact that the Committee on Contributions had interpreted paragraph 2 of General Assembly resolution 48/223 B in a manner to exclude Turkey. His delegation hoped that the draft decision just adopted would provide the Committee on Contributions with an opportunity to reconsider its approach to the matter by taking into account the fact that the aim of paragraph 2 of resolution 48/223 B was to decrease the negative effects of the phase-out of the scheme of limits on developing countries benefiting from the scheme during the phase-out period. His delegation expected that, in accordance with rule 160 of the rules of procedure, the Committee on Contributions would make the necessary adjustments to Turkey's assessment.

Draft resolution A/C.5/50/L.8

16. The CHAIRMAN invited the Committee to resume its consideration of draft resolution A/C.5/50/L.8, submitted by the delegation of Iraq and introduced at the 43rd meeting.

17. Ms. ALMAO (New Zealand), speaking on a point of order, said that her delegation had supported a generous interpretation of waivers of the provisions of Article 19 of the Charter. There were a number of countries whose difficult circumstances warranted sympathetic consideration; Iraq was not such a case, however.

18. Iraq stated that its accumulated arrears were due to circumstances beyond its control because of sanctions imposed by the Security Council following its invasion of a neighbouring State. Iraq did have access to convertible currency, however, and if it did not give priority to using such assets to pay its assessed contribution to the United Nations, that was its choice.

19. Her delegation did not believe that it had ever been the intention of the drafters of the Charter for a waiver of Article 19 to be granted in circumstances such as those relating to Iraq. She therefore proposed that no action should be taken on draft resolution A/C.5/50/L.8, and also proposed a motion under rule 117 of the rules of procedure of the General Assembly that the debate on that draft resolution should be closed.

20. Mr. HANSON (Canada) said that his delegation agreed completely with the New Zealand motion. Since it was within the power of Iraq to obtain the lifting of the Security Council sanctions by complying with the terms set by the Council, the circumstances in which Iraq found itself were not beyond its control.

21. Mr. HO Tong Yen (Singapore) said that his delegation questioned whether a Member State which had lost the right to vote under Article 19 of the Charter had the right to propose a resolution.

22. Mr. ELMONTASER (Libyan Arab Jamahiriya) said that his delegation objected to the New Zealand proposal because of the difficult economic situation facing Iraq. There was no political reason behind its failure to pay its assessment. Iraq had asked to pay in local currency but had been refused. It had also requested the release of frozen assets in order to pay its assessment, but that request had also been denied. Iraq had not asked for an exemption, but had pledged to pay its arrears once the sanctions had been lifted or mitigated.

23. Mr. GIRARD (France) supported the New Zealand motion. The current circumstances did not justify restoring Iraq's right to vote.

24. Mr. MOKTEFI (Algeria) said that his delegation opposed the New Zealand motion; the matter should be put to a vote.

25. Ms. RODRIGUEZ (Cuba) said that her delegation opposed the New Zealand motion because it believed that the discussion of any matter of importance to any Member State should not be impeded.

26. At the request of the representative of New Zealand, a recorded vote was taken on the motion for closure of debate under rule 117 of the rules of procedure of the General Assembly.

In favour: Argentina, Armenia, Australia, Austria, Barbados, Belgium, Benin, Bolivia, Botswana, Brazil, Canada, Chile, Colombia, Cyprus, Czech Republic, Denmark, Ecuador, Finland, France, Germany, Greece, Hungary, Ireland, Israel, Italy, Jamaica, Japan, Kuwait, Mexico, Netherlands, New Zealand, Norway, Poland, Portugal, Republic of Korea, Romania, Saudi Arabia, Singapore, South Africa, Spain, Swaziland, Sweden, Trinidad and Tobago, Turkey, Uganda, United Kingdom of Great Britain and Northern Ireland, United States of America, Uruguay.

Against: Algeria, Cuba, Libyan Arab Jamahiriya.

Abstaining: Bangladesh, Belarus, Brunei Darussalam, Bulgaria, China, Egypt, India, Indonesia, Kenya, Latvia, Malaysia, Namibia, Nigeria, Pakistan, Panama, Philippines, Republic of Moldova, Russian Federation, Tunisia, Ukraine, United Republic of Tanzania, Venezuela, Zimbabwe.

27. The motion was adopted by 48 votes to 3, with 23 abstentions.

28. Mr. HASAN (Iraq) expressed his delegation's gratitude to those who had voted against the motion. It was regrettable that some States had resorted to procedural methods to close the discussion before States had been allowed to air their views.

29. Ms. PEÑA (Mexico), speaking in explanation of vote, said that her delegation recognized that the General Assembly had a mandate to review all requests for waivers under Article 19 of the Charter. Given the current financial situation, either waivers should be granted to all countries that requested them, or none should be given, in order to ensure consistency. Her

delegation had supported the motion, and would have voted against the draft resolution.

30. Mr. HENG Choan Boon (Singapore) said that his delegation had also supported the motion.

(b) RELOCATION OF UKRAINE TO THE GROUP OF MEMBER STATES SET OUT IN PARAGRAPH 3 (c) OF GENERAL ASSEMBLY RESOLUTION 43/232 (continued)

Draft decision A/C.5/50/L.13

31. Mr. MADDENS (Belgium) introduced draft decision A/C.5/50/L.13, by which the General Assembly would continue its review of the support account for peace-keeping operations at its resumed session in March 1996, and the 61 temporary posts authorized in paragraph 12 of General Assembly resolution 49/250 would be extended for the period 1 February-31 March 1996.

33. Draft decision A/C.5/50/L.15 was adopted.

Draft decision A/C.5/50/L.14

34. Draft decision A/C.5/50/L.14 was adopted.

Draft decision A/C.5/50/L.9

35. The CHAIRMAN suggested that the Committee should recommend to the General Assembly that it should defer consideration of draft decision A/C.5/50/L.9 entitled "Relocation of Ukraine to the group of Member States set out in paragraph 3 (c) of General Assembly resolution 43/232" to its resumed fiftieth session.

36. It was so decided.

37. Mr. HUDYMA (Ukraine) said that his delegation had agreed with difficulty to defer consideration of the matter for the third consecutive year. It appreciated the sympathy and support of the international community, but practical assistance to stop the accumulation of arrears due to its location in group B would also be welcome. At the resumed session his delegation intended to be more decisive in its efforts to gain support for its request.

38. Mr. ORANGE (Belarus) said that his delegation had joined the sponsors of the draft decision. Belarus had left group B three years earlier, and regretted that Ukraine had not yet succeeded in its efforts to do so.

/...

39. Mr. DEINEKO (Russian Federation) said that it was a position of principle of his delegation that a solution to the problem of the arrears of all Members should be found through reform. His delegation had agreed to defer discussion of the item because it respected the commitment of Ukraine to the principle of consensus.
