751st plenary meeting,
5 August 1953.

II

Financial arrangements for 1954 and future financing of the Expanded Programme

The Economic and Social Council,

Having considered the report²⁴ of the Technical Assistance Committee on the Expanded Programme of Technical Assistance, together with the fifth report²⁵ of the Technical Assistance Board, the documents²⁶ presented by the Technical Assistance Board, and the special report²⁷ of the Administrative Committee on Co-ordination,

Reaffirming its conviction that the Programme as a positive force in the economic development of under-developed countries and as a moral force for building the foundations of a peaceful world merits continuation and expansion,

A

1. *Emphasizes* the pressing need that governments pay their pledged contributions promptly, including those already announced;

2. *Urges* States participating in the Expanded Programme of Technical Assistance to continue to give it their full support, financial and other, so as to ensure its essential and natural development and help it to meet the growing needs of the under-developed countries;

3. *Urges* that, in order to permit the Expanded Programme of Technical Assistance to progress, governments contribute for the year 1954 so as to meet to the maximum extent possible the programme needs for 1954, and in any case so that the funds available shall be no less than the amount earmarked by the Technical Assistance Board for the approved 1953 programme;

4. *Requests* that, in order to enable the participating organizations to plan their programmes for 1954 in advance of the beginning of that year, the United Nations Negotiating Committee for Extra-Budgetary Funds meet as soon as possible after the close of the sixteenth session of the Council, and that the fourth Technical Assistance Conference be held as early as possible during the eighth regular session of the General Assembly;

B

5. *Recommends* to the General Assembly to approve at an early date in its eighth regular session the following financial arrangements for the year 1954:

²⁴ See document E/2497.

²⁵ See *Official Records of the Economic and Social Council, Sixteenth Session, Supplement No. 10.*

²⁶ See documents E/TAC/9, 10, 12 and 13.

²⁷ See document E/2450.

(a) Seventy-five per cent of total funds available, excluding carry-over, shall be available for allocation to the participating organizations after approval of country programmes by the Technical Assistance Board, in accordance with the percentages set forth in paragraph 8 (c) of Council resolution 222 (IX) as amended and modified pursuant to paragraph 19 of the report²⁸ of the Technical Assistance Committee to the thirteenth session of the Council;

(b) The balance of funds available, including carry-over, shall be retained in the Special Account: (i) to cover the necessary minimum expenses of TAB and the resident representatives, and (ii) for further allocation to the participating organizations, as provided in Council resolution 433 (XIV);

(c) In establishing the level of the necessary administrative expense in the whole programme, the need for economy, in view of the present level of operational expenditure, shall be fully taken into account;

C

6. *Takes note* of the decision of the Technical Assistance Committee to appoint a working party:

(a) To review the financial procedures under which the Expanded Programme of Technical Assistance operates;

(b) To consider in due course the system of allocation of funds to be applied as from 1955, taking into account the resolutions of TAC concerning the development of technical assistance programmes at the country level;

7. *Requests* the Technical Assistance Committee to submit any recommendations it may wish to make in connexion with sub-paragraph (a) in the preceding paragraph to the resumed session of the Council, to be held during or shortly after the eighth regular session of the General Assembly;

D

8. *Having considered* the feasibility of working out estimates for the Programme on a basis longer than a one-year period, according to the desire expressed by the General Assembly in its resolution 621 (VII),

9. *Expresses* the view that, for the orderly development of programmes, it would be useful to have assured financial support for a period longer than a year, even if the establishment of accurate long-term estimates of the requirements of the Programme is not feasible;

10. *Invites*, therefore, such participating countries as may be in a position to do so, to take steps, within their constitutional limitations, to ensure the financial support of the Programme on a long-term basis.

Having consulted with the Government of the United Kingdom of Libya, in accordance with General Assembly resolution 515 (VI), concerning ways and means by which the United Nations, with the co-operation of all governments and the specialized agencies, could furnish additional assistance to Libya to finance its fundamental and urgent programmes of economic and social development,

Having examined the memorandum²⁹ submitted by the Libyan Government, and having heard the statements³⁰ made by its representative,

495 (XVI). Reports of the Executive Board of the United Nations International Children's Emer- gency Fund

The Economic and Social Council,

Considering the world-wide disproportion between the magnitude of the social service tasks to be undertaken and the available means of implementation,

Considering the role that the United Nations International Children's Emergency Fund plays in the whole international programme for the protection of the child,

Considering that the Fund's activities are useful, not only because they realize some of the high objectives which have been adopted by the United Nations, but also because they create favourable conditions for the development of the long-range economic and social programmes of the United Nations and the specialized agencies, particularly the World Health Organization and the Food and Agriculture Organization of the United Nations,

Considering the urgent need for continuing the work of UNICEF, particularly in the under-developed regions of the world,

Considering that the number of governments making contributions to UNICEF has increased constantly since 1950,

1. *Is of the opinion* that the regulations which govern the activity of UNICEF have enabled it to achieve satisfactory techniques, to acquire valuable experience and to accomplish its task successfully;

2. *Recommends* that the General Assembly reaffirm the pertinent provisions of its resolutions 57 (I) and 417 (V), with the exception of any reference to time limits contained in these resolutions;
