## 1127 (XLI). Development of natural resources

The Economic and Social Council,

Recalling its resolution 1113 (XL) of 7 March 1966, in which it unanimously welcomed the initiative taken by the Secretary-General in submitting to the Council a long-range programme designed as a means of making an important contribution to the second half of the United Nations Development Decade through the development of non-agricultural resources, with a view to strengthening the economic base and economic independence of the developing countries,

Recognizing the desirability of carrying out a long-term survey programme in the field of natural resources,
