right of all countries to exercise permanent sovereignty over their natural resources,

Having considered with interest the report of the Secretary-General<sup>19</sup> on the work in progress in the field of the development of non-agricultural resources and noting in particular the proposals contained therein,

- 1. Commends the Secretary-General for the progress achieved, through the efforts of the Department of Economic and Social Affairs, in the discovery and development of important non-agricultural resources;
- 2. Invites the Secretary-General to prepare, in the light of the experience of countries with different socio-economic systems, a general study of the methods and scope of planning for the development of non-agricultural resources as an integral part of their national development plans;
- 3. Further requests the Secretary-General to submit to the Council at its forty-sixth session a report on the desirability of adopting a new system for the most efficient and rational manner of collection, retrieval, processing and utilization of information on natural resources which is accumulating in the United Nations Headquarters as a result of technical and operational activities, with a view to assisting the execution of future projects and of the Survey Programme for the Development of Natural Resources;
- 4. Requests the Secretary-General to submit to the Council at its resumed forty-fifth session a report containing fuller information on the proposal to publish a journal dealing, inter alia, with practical problems in the development of non-agricultural resources, in the light of the comments made in the Economic Committee of the Council on the subject;

- 5. Requests the Committee for Programme and Co-ordination to offer, at the second part of its second session, such comments as it may wish to make, for incorporation in the reports referred to in paragraphs 3 and 4 above;
- 6. Requests the Secretary-General to strengthen, both within the regular budget of the United Nations and within the technical assistance and pre-investment programmes, advisory and technical services in the development of non-agricultural resources.

1530th plenary meeting, 31 May 1968.
