Adoption of the agenda

The agenda was adopted.

The situation between Iraq and Kuwait

The President: The Security Council will now begin its consideration of the item on its agenda.

The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

“The Security Council condemns the failure of Iraq to comply with its resolution 1060 (1996) of 12 June 1996 by refusing access to sites designated by the Special Commission on 13 June 1996. Coming after the denial of access on 11 and 12 June 1996, this new dimension of non-compliance marks a serious step backwards in Iraq’s cooperation with the Special Commission. The Council considers that these events constitute a clear and flagrant violation of its resolutions 687 (1991), 707 (1991) and 715 (1991).

“The Security Council reiterates its full support for the Special Commission in the conduct of its inspections and the other tasks entrusted to it by the Council. The Council rejects attempts by Iraq to

impose conditions on the conduct of inspections by the Special Commission.

“The Security Council demands once again that Iraq comply with the relevant resolutions of the Council and, in particular, allow the inspection teams of the Special Commission immediate, unconditional and unrestricted access to any and all areas, facilities, equipment, records and means of transportation which they wish to inspect.

“The Security Council requests the Chairman of the Special Commission to visit Baghdad as soon as possible with a view to securing immediate, unconditional and unrestricted access to all sites which the Special Commission wishes to inspect, and to engage in a forward-looking dialogue on other issues under the Commission’s mandate. It further requests the Chairman to report immediately afterwards on the results of his visit and on the impact of Iraqi policies on the mandate and work of the Special Commission.”

This statement will be issued as a document of the Security Council under the symbol S/PRST/1996/28.

The Security Council has thus concluded the present stage of its consideration of the item on its agenda.

The Security Council will remain seized of the matter.
