

demned, in particular, the activities of those States which, by political, economic and military collaboration with the racist régimes of southern Africa, enable and encourage those régimes in the enforcement and perpetuation of their policy of *apartheid* and other forms of racial discrimination,

Recalling General Assembly resolution 2784 (XXVI) of 6 December 1971, in which the Assembly recognized that the position of the racist régimes of southern Africa continues to be strengthened through the maintenance by some States of political, commercial, military, economic, social and other relations with the racist Governments in southern Africa and through the increasing contribution from certain States in the form of political, economic and military assistance,

Referring to General Assembly resolution 3151 G (XXVIII) of 14 December 1973, in which the Assembly condemned the unholy alliance between certain ideologies based on racism, as well as the actions of States which, by their political, military, economic and other collaboration with the South African régime, encourage it to perpetuate its criminal policies, and called upon them urgently to cease such collaboration,

Affirming that such acts and such collaboration are one of the decisive reasons for the continuation of the policies of discrimination and *apartheid* and for the perpetuation of colonialism in southern Africa,

Noting with regret that the Security Council's mandatory sanctions against the illegal minority régime of Southern Rhodesia have failed, owing mainly to the obstinate non-compliance of certain countries,

1. *Considers* the States giving assistance to the racist and colonial régimes in southern Africa to be accomplices of those régimes in respect of their criminal policies of racial discrimination, *apartheid* and colonialism;

2. *Condemns* the activities of States which continue to give political, military, economic and other assistance to the racist and colonial régimes in southern Africa or which refrain from taking any steps to prevent natural or juridical persons within their jurisdiction from assisting these régimes and thus encouraging them to continue violating fundamental human rights;

3. *Approves* the decision of the Commission on Human Rights to authorize the Sub-Commission on Prevention of Discrimination and Protection of Minorities to appoint a special rapporteur;

4. *Requests* the Secretary-General to give the special rapporteur any assistance necessary for the accomplishment of his task;

5. *Recommends* that the General Assembly include this item in its agenda with a view to considering it at its thirtieth session.
