2. By a note dated 27 December 1995, the Secretary-General drew the attention of States to the request contained in paragraph 9 of General Assembly resolution 42/154 of 7 December 1987 and paragraph 10 of General Assembly resolution 49/49, and invited them to communicate to him their views with respect to any measures needed to enhance the protection, security and safety of diplomatic and consular missions and representatives, as provided for in paragraph 11 of General Assembly resolution 42/154. II. REPORTS RECEIVED FROM STATES PURSUANT TO PARAGRAPH 10
OF GENERAL ASSEMBLY RESOLUTION 49/49

A. Analytical summary of the reports

8. The reports submitted to the Secretary-General during the period from 19 August 1995 to 13 June 1996 cover a wide range of incidents concerning diplomatic and consular missions and representatives. States have resorted to the reporting procedures available to them for two different purposes, either to report violations regarding their own missions and representatives, or to submit information on incidents which occurred in their own territory, whether such incidents had or had not been previously reported by the other States concerned.

9. The reported incidents differ substantially as to their nature and gravity, including a number of diverse acts of violence directed against diplomatic and consular missions and representatives. Some of those incidents led to tragic consequences.

1. Violations of the protection of diplomatic
and consular premises

10. A number of communications have been submitted regarding intrusions into diplomatic or consular premises of missions resulting in material damage or injuries to personnel. In some instances, the intrusion involved violent attacks on such premises or other acts of violence, vandalism and disturbances of the peace of diplomatic and consular posts.

11. Mauritius reported on a case of larceny involving the taking of four hub-caps from a diplomatic vehicle which was parked at a residence. Pakistan reported two bomb blasts causing not only extensive damage to the Egyptian Embassy but also the death of 18 persons and injuries to over 60 individuals. Swaziland reported a burglary at its Permanent Mission in New York from which items valued at \$20,000 were taken.

12. As to the three communications received in relation to previously reported incidents, Australia submitted information on incidents involving the diplomatic premises in Australia, of France and the Islamic Republic of Iran. The report from Yugoslavia contained follow-up information on the attack on the Apostolic Nunciature in Belgrade which had been reported by the Holy See.

2. Attacks on the persons of diplomatic and consular representatives and their families

13. There were several reported incidents of violent attacks directed against diplomatic or consular personnel. Uganda reported on a number of attacks against diplomats who had been robbed of property and money.

14. One communication provided information in relation to previously reported incidents. Ecuador provided information on the attack and robbery of the Vice-Consul of Peru in Machala.

B. Text of the reports

1. Note verbale from the Permanent Representative of Australia to the United Nations addressed to the Secretary-General 5/

[Original: English]

[31 August 1995]

The Permanent Representative of Australia to the United Nations ... has the honour to refer to the Secretary-General's note LA/COD/4, dated 17 August 1995, communicating the text of the report dated 7 August 1995, submitted by the Permanent Mission of France to the United Nations.

1. In accordance with the reporting procedure provided in paragraph 9 (b) of General Assembly resolution 42/154 and pursuant to General Assembly resolution 49/49, the following is the Australian Government's response to the matters raised.

2. As soon as the French Government announced its intention to resume nuclear testing, promoting a very critical reaction within the Australian community, the Australian Government immediately took the necessary steps, in accordance with its international obligations, to provide specific protective measures to the French Embassy in Canberra and French consulates in State capitals, including guarding, providing security advice and electronic security equipment. The Australian Government has at all times acted promptly to protect the staff and premises of the French missions in accordance with the Vienna Conventions.

/...

3. The Australian Government has actively sought to resolve the bans imposed by trade unions against the French Embassy and consulates, while at the same time seeking to contain and not exacerbate the situation to avoid wider union action. Those interventions have now proved successful, especially with reference to the non-delivery of mail to the French Embassy and consulates, from 14 July 1995. Following lengthy negotiations with the relevant union, these bans were suspended by the union from 28 August.

4. With regard to the detention of diplomatic bags, the Australian authorities are aware of only one instance where a bag (destined for a French Consulate-General) was held up as a result of union action. The Australian Government intervened promptly, and six days later, on 21 July 1995, the bag was released.

5. A number of demonstrations have occurred at the French Embassy in Canberra. There has also been intermittent picketing of the Embassy which was organized by the trade unions. In Australia, such pickets are permitted within the law. There have been no breaches of the law in relation to the conduct of those pickets, such as obstructing access to the Embassy or harassment of Embassy staff or visitors.

6. On one isolated occasion, six protesters broke into the grounds of the French Embassy in Canberra, some gaining access to the roof of the Chancery and displaying anti-nuclear banners, while others chained themselves at the entrance to the Chancery. The protesters were removed as quickly as safety considerations permitted, and five of them were subsequently charged and convicted of offences in relation to these incidents.

7. On 17 June 1995, two individuals fire-bombed the premises where the offices of the French Honorary Consul in Perth, Western Australia, were located, destroying the premises. Two persons were charged by police in relation to this incident. One has been sentenced to three years' imprisonment. The charges against the second are to be heard on 15 September 1995.

8. The Permanent Representative of Australia requests that the Secretary-General kindly inform all States of the contents of this report as has been done with the letter of 7 August of the French Minister for Foreign Affairs.

[9 May 1996]

The Permanent Mission of Australia to the United Nations ... has the honour to refer to the final outcome of the prosecutions in connection with the attack on the Iranian Embassy on 6 April 1992, in Canberra, Australia, in accordance with article 11 of the Convention on the Prevention and Punishment of Crimes Against Internationally Protected Persons, including Diplomatic Agents.

/...

1. The Convention is implemented in Australia by the Crimes (Internationally Protected Persons) Act 1976. Eleven persons were charged with various offences against that Act. 3. The other seven persons were charged with the above offences, plus that of attempting to damage the Embassy premises by fire. (Under Australian law, this offence is separate from, and punishable more severely than, the offence of simply damaging Embassy premises.)

4. These persons were Abolghassem Ghassemian, Maryam Chahhouzi, Mahmoud Ghassemian, Mohammad Reza Markieh, Mohammed Reza Khadji, Karim Mohammad Khani and Ali Asgha Donyadideh.

- Karim Mohammad Khani was convicted of damaging the Embassy premises and sentenced to imprisonment for nine months, to be suspended on his entry into a bond of \$2,000 to be of good behaviour for two years;
- Ali Asgha Donyadideh was convicted of attacking Borghei Nejad, damaging the Embassy premises and damaging one of the Embassy cars. The Federal Court quashed his convictions on appeal.

6. None of the defendants was found guilty of attacking Rouhallah Nabiee or attempting to damage the Embassy premises by fire.

3. Letter from the Permanent Representative of Ecuador to the United Nations addressed to the Secretary-General 7/

[Original: Spanish]

[27 November 1995]

Further to instructions received I have the honour to refer to your note LA/COD/4, of 27 September 1995, transmitting the complaint submitted by the Government of Peru concerning the alleged ill-treatment to which the Peruvian Vice-Consul was subjected in Machala on 6 March 1995.

In accordance with paragraph 9 of General Assembly resolution 42/154 and taking into account the Secretary-General's guidelines in document A/42/485, I attach herewith an explanatory memorandum detailing the measures taken by the Ecuadorian Government in connection with the complaint submitted by Vice-Consul González Mantilla.

/...

EXPLANATORY MEMORANDUM

1. On 6 March 1995, at 8.45 a.m. at San Vicente on the highway between the cities of Machala and Huaquillas, in the Ecuadorian Province of El Oro, Mr. Eduardo González Mantilla, Vice-Consul of Peru in Machala, was regrettably the victim of assault and armed robbery.
2. According to the complaint made by the victim to Ecuadorian National Police Provincial Command "El Oro No. 3", four assailants intercepted him on the highway, robbed him at gunpoint and stole the vehicle in which he was travelling.
3. Vice-Consul González Mantilla was the only victim of the violation.
4. According to the police report, during the commission of the crime Vice-Consul González Mantilla was tied hand and foot, his eyes were covered with adhesive tape and he was subsequently dumped some distance from the highway. The criminals fled taking the Consul's car, a black Chevrolet Aska sedan, licence plate No. PHT-539, as well as personal belongings. According to a note transmitted to the Embassy of Ecuador in Lima by the Ministry of Foreign Affairs of Peru, Vice-Consul González Mantilla was also beaten and abused during the incident.
5. At present the Government of Ecuador has no information concerning the identity of the assailants, who, reports indicate, wore military uniforms.
6. The police report did not specify the type of weapons used by the assailants. Due note has, however, been taken of the information provided by the Peruvian Ministry of Foreign Affairs to the effect that the criminals carried rifles.
7. There is no indication of any accomplices being involved in the crime.
8. As soon as the complaint was made, the Government of Ecuador immediately began exhaustive investigations to discover the whereabouts of the assailants and to determine the existence of any accomplices and persons seeking to cover up the crime. The Ecuadorian Government attaches high priority to establishing the facts in this crime and is closely following the conduct of the ongoing investigations.
9. It has not yet proved possible to determine who was responsible for the assault on Vice-Consul González Mantilla.
10. The information provided by the Ministry of Foreign Affairs of Peru to the Embassy of Ecuador in Lima has been taken into account in the police investigations being conducted to determine the facts.
11. So as to avoid any further incident the Government of Ecuador has tightened security for Vice-Consul González Mantilla as well as all other diplomatic and consular officials representing Peru in Ecuadorian territory.

12. The Government of Ecuador deeply regrets that Vice-Consul González Mantilla fell victim to such an attack, presumably at the hand of common criminals. Unscrupulous individuals have taken advantage of the chaos created by the armed conflict between Ecuador and Peru to carry out criminal acts in the Province of El Oro and other border provinces (for example, a near relative of the Defence Minister of Ecuador died in El Oro Province in an assault similar to that suffered by Vice-Consul González Mantilla a few days before that took place). It should be noted that the assault took place on an isolated stretch of the highway, not patrolled by the police. Moreover, the Vice-Consul was travelling in a car with private (not diplomatic) licence plates and without a security escort. Had Vice-Consul González Mantilla requested protection for his journey, the Government of Ecuador would have immediately taken all necessary security measures.

5. Letter from the Permanent Representative of Pakistan to
the United Nations addressed to the Secretary-General 9/

[Original: English]

[30 November 1995]

In accordance with General Assembly resolution 42/154 of 7 December 1987, I have the honour to enclose herewith a preliminary investigation report on the unfortunate terrorist bombing of the Egyptian Embassy in Islamabad on 19 November 1995.

Investigations into this serious incident are continuing, and further information will be forwarded to you as soon as possible.

1. The Egyptian Embassy in Islamabad, located in the Diplomatic Enclave, was struck in quick succession by two bomb blasts at approximately 1045 hours on Sunday, 19 November 1995. According to preliminary findings, the second explosion was apparently triggered by a suicide bomber, who used a pick-up laden with explosives, causing extensive damage to the Chancery building, the Ambassador's residence and adjacent buildings.

2. The incident resulted in the death of 18 persons and injuries to over 60. Among those who died were an Egyptian Embassy Counsellor, a Second Secretary, and three staff members. The remaining casualties were mostly Pakistani.

3. The Government of Pakistan provided every possible relief assistance to the victims. Soon after the blast, the President, the Foreign Minister, the

/...

Interior Minister and other Cabinet Members visited the site. The Prime Minister also subsequently visited the Embassy.

4. The Government constituted a high-level investigative team which is working in association with Egyptian and United States security experts. Strict security measures have been taken to protect diplomatic missions and prevent the recurrence of such incidents. The Government of Pakistan has also offered to rebuild the Egyptian diplomatic mission.

5. According to latest reports the security agencies involved in the investigation have traced and identified an Arab national who is believed to have been one of the ringleaders of the terrorist attack on the Embassy. The vehicle utilized for the attack by the suicide bomber has also been identified and traced. The interrogators suspect that some of the gang members might have fled Pakistan after the incident.

6. The Government of Pakistan has condemned the brutal terrorist attack at the highest levels and in the strongest possible terms. The President and the Prime Minister have underlined Pakistan's resolve not to permit its territory to be used against foreign States or Governments, and to take concrete steps against fugitive offenders involved in such criminal and terrorist activities.

6. Note verbale from the Permanent Mission of Swaziland to the United Nations addressed to the Secretary-General 10/

[Original: English]

[13 September 1995]

The Permanent Mission of the Kingdom of Swaziland to the United Nations ... has the honour to refer to the Secretary-General's note LA/COD/4 dated 21 December 1994 together with paragraph 10 of General Assembly resolution 49/49 of 9 December 1994, relating to the protection, security and safety of the diplomatic and consular missions and representatives, and has the honour to communicate the following:

1. Certain unknown persons carried out a burglary at the Permanent Mission of the Kingdom of Swaziland to the United Nations on Thursday night, 24 August 1995. Items valued at more than \$20,000 were stolen and the matter was forthwith reported to the New York Police Department, and the United States Department for Diplomatic Security; however, no arrests have been made so far.

2. The Permanent Mission of the Kingdom of Swaziland to the United Nations requests the Secretary-General of the United Nations to circulate this information to all Member States in accordance with paragraph 10 of General Assembly resolution 49/49.

7. Note verbale from the Permanent Mission of Uganda to the United Nations addressed to the Secretary-General 11/

[Original: English]

[13 June 1996]

The Permanent Mission of the Republic of Uganda to the United Nations ..., in reference to resolution 49/49, has the honour to communicate to the Secretary-General reported cases of violence on diplomatic mission/officials in Uganda for the year 1995.

During 1995, there were few violations of protection and security of the above except a few incidents as indicated below.

1. On 7 January 1995, Francis Musitelli, a French national attached to the French Embassy, was robbed of money and household property. Suspects were arrested.
2. On 26 January 1995, Bruce Premer, a Canadian national, was attacked in his residence by unknown thugs. Several household items and money were taken. Investigations are still going on.
3. On 14 October 1995, White fathers of American origin were attacked in their mission by unknown thugs. Household property and money were taken.
4. On 20 October 1995, Dorotyl, Ferris, Beverly Trent and Vivian Wakefield, all American nationals, were attacked by thugs. Household property and money were taken. The culprits were apprehended.
5. On 5 December 1995, Tomasi Chemrot, a French national, was attacked by thugs at his residence. Household property and money were taken. The culprits were apprehended.

However, security measures are extended by the Uganda Government which are enjoyed by diplomatic missions, their representatives and other important foreign nationals in Uganda. This is done without discrimination in form of:

(a) A fully fledged police unit attached to the office of the United Nations Development Programme (UNDP) and other United Nations agencies within the country to ensure the security of the staff who require protection;

(b) Permanent on-site protection of mission premises (offices, vehicles and residences) by uniformed police;

(c) Discreet protection provided by plain-clothes police and civilian-registered police vehicles where threats have been detected;

(d) Protection by mobile police patrols.

/...

Those responsible for such criminal offenses are quickly arrested as a result of police investigations. Inquiries are instituted with a view to bringing them to justice without delay.

8. Note verbale from the Permanent Mission of Yugoslavia to the United Nations addressed to the Secretary-General 12/

[Original: English]

[12 December 1995]

The Permanent Mission of Yugoslavia to the United Nations ..., with reference to the Secretary-General's notes LA/COD/4 of 13 June and 10 November 1995 respectively, has the honour to submit the following report in connection with the incident at the Apostolic Nunciature in Belgrade, which occurred on 8 August 1994:

The local police were quick in arriving at the scene, immediately after having been informed of the incident. It was established that no one had been injured and that no material damage had been caused to the premises of the Nunciature. The Federal Ministry of Foreign Affairs presented its apologies. At the request of the Nunciature, steps have been taken to increase the level of security and safety measures in order to protect the staff and premises. The competent authorities immediately launched an investigation, which is still under way, but the identity of the perpetrators has not been established so far.
