Annex

Letter dated 24 August 1978 from the Permanent Observer of the Palestine Liberation Organization to the United Nations addressed to the President of the Security Council

On instructions of the Executive Committee of the Palestine Liberation Organization, I should like to draw your attention to the following.

On 20 August Israel, a member of this international body, committed yet another act of State terrorism. It sent its warplanes on a mission of death and destruction directed against innocent civilian Palestinian refugees of the town of Damour and the Burj Al-Barajnah refugee camp - both in the Republic of Lebanon.

Israel's latest attack, targets of which were a summer school and a sporting camp, left 4 dead and 25 wounded.

I am instructed to call on you to take immediate and effective measures to put an end to this series of Israeli atrocities, which constitute an imminent threat to international peace and security.

(Signed) Zehdi Labib TERZI
Permanent Observer
