Annex

Letter dated 23 February 1978 from the Secretary for Foreign Affairs  
of the Libyan Arab Jamahiriya addressed to the Secretary-General

I have the honour to address to you this communication in my capacity as current Chairman of the OAU Co-ordinating Committee for the Liberation of Africa on disturbing news on the conclusion of an agreement between the South African racist régime and the zionist State of Israel.

As you are aware, the political questions of South Africa and Israel have exercised the functioning of the United Nations for almost three decades now, and time and again the activities of those countries in defiance of United Nations resolutions and decisions have been condemned by the world body.

We view with great concern the recently signed agreement and hence call on your good offices to take immediate steps to bring the matter before the United Nations Security Council.

I am confident that with the help of the African members of the Security Council and all other peace-loving Members of the United Nations you will be able to initiate necessary measures against this aggressive move which to all intent and purposes is but another act of threat to international peace and security.

(Signed) Dr. Ali Abdul Salam AL-TREIKI  
Secretary for Foreign Affairs  
of the Socialist People's  
Libyan Arab Jamahiriya,  
Current Chairman of the  
Co-ordinating Committee for  
the Liberation of Africa of  
the Organization of African  
Unity
