SUMMARY STATEMENT BY THE SECRETARY-GENERAL ON MATTERS OF
WHICH THE SECURITY COUNCIL IS SEIZED AND ON THE STAGE
REACHED IN THEIR CONSIDERATION

Addendum

Pursuant to rule 11 of the provisional rules of procedure of the Security Council, the Secretary-General is submitting the following summary statement.

The complete list of items of which the Security Council is seized is contained in document S/11935 of 5 January 1976 and the pertinent addenda. During the week ending 28 August, the Security Council took action on the following item:

Complaint by Greece against Turkey (see 11935/Add.32)

At its 1953rd meeting, held on 25 August 1976, the Security Council continued its consideration of the item. It had before it a draft resolution (S/12187) sponsored by France, Italy, the United Kingdom and the United States.

At the same meeting, the Security Council adopted by consensus the draft resolution S/12187 as resolution 395 (1976), the operative paragraphs of which read as follows:

1. Appeals to the Governments of Greece and Turkey to exercise the utmost restraint in the present situation;
2. Urges the Governments of Greece and Turkey to do everything in their power to reduce the present tensions in the area so that the negotiating process may be facilitated;
3. Calls on the Governments of Greece and Turkey to resume direct negotiations over their differences and appeals to them to do everything within their power to ensure that these result in mutually acceptable solutions;
4. Invites the Governments of Greece and Turkey in this respect to continue to take into account the contribution that appropriate judicial means, in particular the International Court of Justice, are qualified to make to the settlement of any remaining legal differences which they may identify in connexion with their present dispute.
