LETTER DATED 19 JANUARY 1976 FROM THE SECRETARY-GENERAL ADDRESSED
TO THE PRESIDENT OF THE SECURITY COUNCIL

I have the honour to inform you that at its 2435th plenary meeting, held on 10 December 1975, the General Assembly, in connexion with the question of the apartheid policies of the Government of South Africa, adopted resolution 3411 G (XXX) entitled "Situation in South Africa".

I wish to draw attention in particular to paragraph 16 of that resolution, which reads as follows:

"Again requests the Security Council to consider urgently the situation in South Africa and the aggressive actions of the racist régime of South Africa with a view to adopting effective measures, under Chapter VII of the Charter of the United Nations, to resolve the grave situation in the area and, in particular:

(a) To ensure that all Governments implement fully the arms embargo against South Africa, without any exceptions as to the type of weapons, and prohibit any violations of the arms embargo by companies and individuals within their jurisdiction;

(b) To call upon the Governments concerned to refrain from importing any military supplies manufactured by, or in collaboration with, South Africa;

(c) To call upon the Governments concerned to terminate any existing military arrangements with the racist régime of South Africa and to refrain from entering into any such arrangements;

(d) To call upon the Governments concerned to prohibit any of their institutions, agencies or companies, within their national jurisdiction, from delivering to South Africa or placing at its disposal any equipment or fissionable material or technology that will enable the racist régime of South Africa to acquire nuclear-weapon capability".
