Following further communication from my Government this morning, I have the honour to inform you that, while my request contained in document S/11969 of 5 February 1976 stands, my delegation will not press for a meeting of the Council until early next week.

This request for postponement of the Council's meeting has been made necessary as a result of certain initiatives taken by a third party to mediate in the matter.

Please bring the contents of this letter to the attention of the members of the Council.
