APPENDIX

Letter dated 2 June 1978 from Mr. Osman Örek to the Secretary-General

I have the honour to bring to your attention the following statement, which was issued yesterday following a meeting between myself and the Turkish Cypriot party leaders:

"The Prime Minister of the Turkish Federated State of Cyprus met today with leaders of the opposition parties and discussed with them the latest developments relating to the Cyprus problem and the intercommunal talks.

"The Prime Minister and the party leaders agreed that great benefit would be derived from the resumption of the intercommunal talks on an equal footing without further delay, and reached identity of views on the need for the United Nations Secretary-General to call the two parties to the negotiating table and also on the need for the head of the Greek Cypriot administration to abandon his intransigent attitude, followed up to now, and to show the flexibility necessary for the resumption of the talks."

I should be grateful if this letter were circulated as a document of the General Assembly, under item 28 of the preliminary list, and of the Security Council.

Osman ÖREK  
Prime Minister  
Turkish Federated State of Cyprus
