The fourth paragraph should read

The Greek Cypriot people have been the tragic victims of the atrocities of the Turkish army of invasion, as set out in the report of the European Commission of Human Rights (Strasbourg, 1977), which, according to the London Sunday Times, amounts to a "massive indictment of the Ankara Government" and its impact "could result in the withdrawal or expulsion of Turkey from the Council of Europe" (Sunday Times, 23 January 1977).
