20 August 1976

ORIGINAL: ENGLISH

LETTER DATED 20 AUGUST 1976 FROM THE CHARGE D'AFFAIRES, a.i. OF THE
PERMANENT MISSION OF CYPRUS TO THE UNITED NATIONS ADDRESSED TO THE
SECRETARY-GENERAL

Upon instructions from my Government, and further to our previous communication of 19 July 1976 (S/12145), I have the honour to bring to Your Excellency's attention and to that of the members of the Security Council, new documented cases of inhuman expulsions of indigenous Greek Cypriot inhabitants from the occupied area of the Republic in whose usurped homes and lands Ankara is, as well known, systematically implanting thousands of mainland Turks, with the sinister aim of changing by force the demographic composition of the Island.

Details of these despicable acts which are in sheer violation of the Vienna Humanitarian Agreement of 2 August 1975 - signed in the presence of the Secretary-General - the relevant General Assembly and Security Council resolutions and every basic norm of international humanitarian law, are given in the attached annex "A" together with an illustrative photograph as annex "B".

It should be a matter of great concern that, in the absence of appropriate and effective remedial action, the insidious efforts of Turkey and its instruments in Cyprus have recently been highly intensified and such expulsions have now taken the form of a forced massive exodus. Ankara's abhorrent objective is the complete elimination of the Greek Cypriot population from the occupied area through practices of the worst form of racial discrimination against these unfortunate people, whose only "crime" is that they want to remain in their ancestral homes and lands.

It is to be hoped that Your Excellency and the members of the Security Council will find it possible to undertake, as a matter of urgency, the warranted steps for the purpose of putting an end to these cruel and condemnable acts which further aggravate an already extremely grave situation and tend to render any efforts for a just and durable solution of the Cyprus problem nugatory.

I should be grateful if this letter were circulated as a document of the Security Council.

(Signed) Joseph J. STEPHANIDES
Chargé d'Affaires, a.i.

Annex "A"

As of January 1976, the Turkish military prohibit for obvious reasons, members of UNFICYP and other United Nations personnel from approaching and conversing with Greek Cypriot inhabitants in the occupied area.

Aside from that, the Turkish forces of occupation resort into yet another manifest inhumanity by coercing those expelled to pay an exorbitant "transfer fee" for their forced displacement.

Following is the list of Greek Cypriot inhabitants who were forcibly expelled from the occupied areas.
