INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the fiftieth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library, Department of Public Information, as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the fiftieth session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the fiftieth session, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/50/62 is the sixty-second in the series of main documents of the fiftieth session; A/INF/50/3 is the third in the information series; A/C.5/50/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's fiftieth session, the symbols A/50/1 to A/50/49 are the *Supplements* to the *Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the fiftieth session of the General Assembly bears the symbol A/50/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/50/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings and of the First Committee, as well as the

summary records of the other Committees are issued in only one form, as *Official Records of the General Assembly*. Corrections are issued after the end of each session in consolidated corrigenda.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index).

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements* to the *Official Records of the Security Council*.

Calls for an immediate cessation of hostilities; condemns the Israeli military attacks against the civilian population in Lebanon, especially against the UN base at Qana; calls upon Israel immediately to cease its military action against the territorial integrity of Lebanon and to withdraw forthwith its forces from all Lebanese territory; calls upon all concerned to respect the safety and security of civilians in conformity with the rules of international humanitarian law; considers that Lebanon is entitled to appropriate redress for the destruction it has suffered and that Israel is responsible for such compensation; requests the Secretary-General to dispatch a special technical mission to the area to study and prepare, within 1 month's time, in cooperation with UNIFIL, a report on the human and material losses and damage resulting from the recent and ongoing hostilities (adopted 64-2-65, 117th meeting, 25 Apr. 1996).

Determines that the decision of Israel to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has no validity whatsoever; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 458 (1980), and their refusal to comply with the provisions of that resolution; calls once more upon those States to abide by the provisions of the relevant UN resolutions, in conformity with the Charter of UN (adopted 133-1-13, 79th meeting, 4 Dec. 1995).

A/RES/50/28[A] Assistance to Palestine refugees.

Urges all Member States to extend and expedite aid and assistance with a view to the economic and social development of the Palestinian people and the occupied territories; requests the Secretary-General, in consultation with the Commissioner-General, to present to the Working Group on the Financing of the UN Relief and Works Agency for Palestine Refugees in the Near East an updated plan for the transfer; reiterates its concern about the continuing seriousness of the financial position of the Agency, as outlined in the report of the Commissioner-General; notes with profound concern that the structural deficit problem confronting the Agency portends an almost certain decline in the living conditions of Palestine refugees and therefore has possible consequences for the peace process; decides to extend the mandate of the Agency until 30 June 1999, without prejudice to the provisions of paragraph 11 of resolution 194 (III) (adopted 145-1-1, 82nd meeting, 6 Dec. 1995).

A/RES/50/28[B] Working Group on the Financing of UNRWA.

Reaffirms the rights of all persons displaced as a result of the June 1967 and subsequent hostilities to return to their homes or former places of residence in the territories occupied by Israel since 1967; expresses the hope for an accelerated return of displaced persons through the mechanism agreed upon by the parties in article XII of the Declaration of Principles on Interim Self-Government Arrangements; endorses, in the meanwhile, the efforts of the Commissioner-General of UNRWA to continue to provide humanitarian assistance, as far as practicable, on an emergency basis, and as a temporary measure, to persons in the area who are currently displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously to the Agency and to the other intergovernmental and non-governmental organizations concerned for the above purposes (adopted 147-2-0, 82nd meeting, 6 Dec. 1995).

A/RES/50/28[D] Offers by Member States of grants and scholarships for higher education, including vocational training, for Palestine refugees.
