INFORMATION CIRCULAR

To: Members of the staff at Headquarters

From: The Assistant Secretary-General for Human Resources Management

Subject: REVISED SALARY SCALES FOR STAFF IN THE GENERAL SERVICE,
TRADES AND CRAFTS, PUBLIC INFORMATION ASSISTANT AND
LANGUAGE TEACHER CATEGORIES AT HEADQUARTERS*

1. The current procedure for effecting interim adjustments to the salary scales for staff in the General Service and related categories at Headquarters calls for an adjustment in the net salaries of such staff by 90 per cent of the movement of the consumer price index (CPI) for New York, whenever the CPI has increased by 5 per cent or more over the level reached at the time of the previous revision of the salary scale, or every 12 months, whichever comes first.

2. The CPI for the month of December 1996 reflects a 2.93 per cent movement over the December 1995 index. In application of the above-mentioned procedure, the net salaries of staff in the General Service, Trades and Crafts, Public Information Assistant and Language Teacher categories will be adjusted upwards by 2.64 per cent, with effect from 1 January 1997.

3. The General Assembly, in section III of its resolution 51/216 of 18 December 1996, approved the common staff assessment scale for determining the pensionable remuneration of all categories of staff, effective 1 January 1997, as recommended by the International Civil Service Commission (ICSC) in its twenty-second annual report. The application of the revised rates of staff assessment yields lower amounts than the corresponding gross pensionable remuneration effective 1 January 1996. In line with the modalities approved by the General Assembly with respect to the implementation of the revised rates of staff assessment, at those levels and steps where the revised gross pensionable remuneration is lower than those under the previous salary scale effective

* Personnel Manual index No. 3123.

1 January 1996, the latter gross pensionable remuneration will be retained for purposes of computing pension contributions and benefits for staff members on board prior to 1 January 1997. This transitional measure shall remain in effect until the retained gross pensionable remuneration levels are overtaken as a result of subsequent adjustments to the salary scales.

4. Pursuant to the procedure approved by ICSC at its fifteenth session, which is described in information circular ST/IC/82/48 of 1 July 1982, the dependent child allowance for staff in the General Service and related categories at Headquarters is hereby revised from \$1,188 to \$1,200 net per year, effective 1 January 1997. The latter amount represents 3 per cent of the mid-point of the lowest and highest New York salary scales, i.e. G-1, step I and S-7, step IX.

5. The amount of other allowances, i.e. dependent spouse allowance, allowance for the first dependent child of a single, widowed or divorced staff member and secondary dependant and language allowances remain unchanged.

6. The implementation of the revised salary scales, which are contained in the annex to the present circular, will be effective 1 January 1997, and will be reflected in the end of February 1997 payroll.

The application of the revised rates of staff assessment, effective 1 January 1997, resulted in lower gross pensionable salaries than those in effect as of 1 January 1996. Therefore, the above gross pensionable salaries should be retained for purposes of computing pension benefits and contributions for staff on board prior to 1 January 1997.

* Long-service step.
