UNITED NATIONS PEACEKEEPING OPERATIONS

Draft resolution submitted by the Chairman

The General Assembly,

Reaffirming Article 17 of the Charter of the United Nations in respect of the role of the General Assembly in the consideration and approval of budgets of the Organization,

Reaffirming the requirement of all Member States to fulfil promptly and in full their obligations as set out in the Charter,

Recognizing the detrimental effect of the withholding of assessed contributions on the administrative and financial functioning of the United Nations,

Recognizing also that late payment of assessed contributions adversely affects the short-term financial situation of the Organization,

Recognizing further the need to improve the management of peacekeeping operations,

Desiring to streamline the administrative and budgetary aspects of the financing of peacekeeping operations,

Reiterating the importance of continuous dialogue and transparency between the Organization and Member States aimed at improving current administrative and budgetary practices and procedures,

I

Contingent-owned equipment

Recalling its resolution 50/222 of 11 April 1996 on the reform of the procedures for determining reimbursement to Member States for contingent-owned equipment, and the transitional arrangement,

Taking note of the reports of the Phase II and Phase II Working Groups on Reimbursement of Contingent-owned Equipment¹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²

Also taking note of the clarification given by the Secretary-General on some aspects of the implementation of the new procedures as from 1 July 1996 and the transitional arrangement,³

Further taking note of the Contribution Agreement between the United Nations and participating States contributing resources to United Nations peacekeeping operations,⁴

Noting that there are inconsistencies between the reports of the Working Groups¹ and the Contribution Agreement,

1. Requests the Secretary-General to ensure that the Contribution Agreement fully reflects the reports of the Phase II and III Working Groups on Reimbursement of Contingent-owned Equipment and to issue an appropriate corrigendum to the Agreement, and to implement, in full, all the decisions of the General Assembly;

2. Also requests the Secretary-General to convene the Phase IV Working Group prior to submitting his report on the first full year of implementation of the reformed procedures;

3. Further requests the Secretary-General to include in future cost estimates and performance reports of peacekeeping operations information on the factors mentioned in paragraph 49 of the report of the Phase III Working Group;⁵

Reaffirming the principles enunciated in section II, paragraph 1, of its resolution 49/233 A and in paragraph 1 of its resolution 50/223 of 11 April 1996,

Having considered the reports of the Secretary-General⁶ and the related reports of the Advisory Committee on Administrative and Budgetary Questions,⁷

1. Decides to adopt a system of self insurance and to establish uniform and standardized rates for payment of awards in cases of death or disability sustained by troops in the service of the United Nations peacekeeping operations, as follows:

3. Further decides to continue the present system of budgeting and financing for death and disability compensation and to keep its functioning and use under review, taking into account actual experience in the implementation of the new uniform and standardized rates;

4. Reaffirms that the purpose of uniform and standardized rates for payment of awards in cases of death and disability is to ensure equal treatment of all contingent troops;

5. Requests the Secretary-General to seek assurances from Member States that amounts payable to beneficiaries for incidents referred to in the present resolution shall be not less than the amounts paid or reimbursed to Member States for this purpose under paragraphs 1 (a) and (b) above, so as to avoid unequal treatment of contingent troops by Member States;
