1996/... The right to freedom of movement

At its ... meeting, on ... August 1996, the Sub-Commission on Prevention of Discrimination and Protection of Minorities, mindful of the links between the protection of minorities, prevention of discrimination, population movements and displacements, freedom of movement, the right to leave and to return to one's own country and the right to seek and enjoy asylum, decided, without a vote, to entrust Mr. Volodymyr Boutkevitch with the task of preparing, without financial implications, a working paper on the right to freedom of movement and related issues and to submit it to the Sub-Commission at its forty-ninth session.
