GENERALIZED SYSTEM OF PREFERENCES

Rules of origin

Note by the UNCTAD secretariat

This document contains relevant extracts from Communications received from Benin, 1/ El Salvador, 2/ the Slovak Republic and Zimbabwe. 3/

Benin

"In communication GSTP/ORIGIN/16/Rev.7 of 20 April 1993 Benin is mentioned among the countries that have not supplied UNCTAD (GSTP project) with the addresses and specimens of the stamps of the bodies responsible for issuing and authenticating the certificates of origin required to accompany exports. In actual fact, Benin has already fulfilled this obligation, as confirmed by UNCTAD Note TD/B/C.5/ORIGIN/43 of 4 July 1991.

Accordingly, to ensure that Benin's exports are eligible for the preferential treatment granted by the importing countries, I have the honour again to submit, for transmission to the competent officials of the Generalized System of Preferences and Global System of Trade Preferences project, specimens of the official stamps which must appear on certificates of origin accompanying exports from Benin." 4/

El Salvador

"I hereby transmit the signatures and stamps authorized for certificates of origin (Form A) of the Generalized System of Preferences (GSP) issued by the Export Procedures Centre (CENTREX), with effect from today.

These signatures replace those reported to the Committee on 30 October 1989 and published in UNCTAD document TD/B/C.5/ORIGIN/41 of 9 November 1990.

With regard to the above, please inform those concerned in order to facilitate our exports." 5/

Slovak Republic

"... and has the honour to inform that the Slovak Chamber of Commerce and Industry as of 28 May 1993 has made some rectification in the list of the signatures and stamps sent in its previous notification in June 1992. 6/

"The Mission has the pleasure to enclose herewith an English copy of the Notification of signatures and stamps of the Slovak Chamber of Commerce and Industry which replaces any other previous lists. 7/

"The Mission would be grateful if this communication could be circulated for the information of all concerned parties."

Zimbabwe

"Zimbabwe will be introducing a new set of date stamps for use on movement certificates Form 'A' on origin verification. Please find enclosed 14 specimens of the new stamps for your attention and distribution to the GSP preference-giving countries. 8/

Re: Notification of signatures and stamps

"We have the honour to inform you that, on 16 January 1992, the Slovak Chamber of Commerce and Industry was set up for the purpose of promoting the process of transformation of the Slovak economy, enhancing international cooperation and generating information flow between the Slovak business and entrepreneurial circles and those active in the foreign countries.

"One of its functions and responsibilities is to issue certificates concerning facts important in legal relations arising in international trade, including certificates of origin in order, inter alia, to make use of the generalized system of preferences (GSP).

"The Slovak Chamber of Commerce and Industry (SCCI) has started to issue the certificates since 1 July 1992. The first issue of the list of the signatures and stamps of SCCI has been sent to the foreign embassies in Prague, during May 1992.

"SCCI opens new regional offices and offices on whole territory of Slovakia, this year. In view of this, please find enclosed a new issue of the list of signatures and stamps of the officials authorized to sign documents and certificates on behalf of the Slovak Chamber of Commerce and Industry and to issue the certificates of origin, ATA carnets etc., which are being furnished for exported goods (see annex).

"This cancels and replaces any other previous lists you may have in file".
