In accordance with paragraph 5 (e) (iii) of General Assembly resolution 48/218 B of 29 July 1994, the Secretary-General has the honour to transmit to the members of the General Assembly the comments of the Joint Inspection Unit on final reports produced by the Office of Internal Oversight Services.

Annex

Comments of the Joint Inspection Unit on final reports produced by the Office of Internal Oversight Services

1. Pursuant to paragraph 5 (e) (iii) of General Assembly resolution 48/218 B of 29 July 1994, the Joint Inspection Unit presents its comments on the following final reports produced by the Office of Internal Oversight Services, which have been prepared for the consideration of the General Assembly at its fifty-second session.

2. As stipulated in resolution 48/218 B, the reports of the Office of Internal Oversight Services have been transmitted to the General Assembly by the Secretary-General. The Joint Inspection Unit assumes that the Secretary-General is in agreement with those reports on which he conveyed no comments.

3. The Unit's past practice was to submit comments on all reports of the Office of Internal Oversight Services together once a year. However, in view of the General Assembly's decision to consider those reports under the appropriate agenda items, the Unit and the Office have agreed on a new procedure, introduced in July 1997, in accordance with which the Unit has been submitting comments on individual reports as they are taken up by the Assembly.

4. Since the issuance of the note by the Secretary-General of 21 October 1996 (A/51/530 and Corr.1), in which the Joint Inspection Unit transmitted to the General Assembly at its fifty-first session its comments on final reports produced by the Office of Internal Oversight Services, the Unit has received the following further reports for comment:

Triennial review of the in-depth evaluation of the United Nations programme on social development (E/AC.51/1997/5, annex)

5. The Joint Inspection Unit has reviewed all the above reports. The General Assembly has already considered some of them, including the report on the audit of the United Nations Logistics Base at Brindisi (A/51/803, annex), which was commented on separately. With respect to the others, the United either in general agrees with their findings or does not consider it appropriate to comment on them.
