NUCLEAR WEAPONS IN ALL ASPECTS

Bulgaria, Byelorussian Soviet Socialist Republic,
Czechoslovakia, German Democratic Republic,
Hungary, Lao People's Democratic Republic,
Mongolia, Poland, Ukrainian Soviet Socialist
Republic, Union of Soviet Socialist Republics and
Viet Nam: draft resolution

The General Assembly,

Reaffirming again that nuclear weapons pose the most serious threat to mankind and its survival and that it is therefore essential to proceed with nuclear disarmament and the complete elimination of nuclear weapons,

Reaffirming also that all nuclear-weapon States, in particular those which possess the most important nuclear arsenals, bear a special responsibility for the fulfilment of the task of achieving the goals of nuclear disarmament,

Stressing again that existing arsenals of nuclear weapons alone are more than sufficient to destroy all life on earth, and bearing in mind the devastating results which nuclear war would have on belligerents and non-belligerents alike,

Recalling that, at its tenth special session, the first special session devoted to disarmament, it decided that effective measures of nuclear disarmament and the prevention of nuclear war had the highest priority and that it was essential to halt and reverse the nuclear-arms race in all its aspects in order to avert the danger of war involving nuclear weapons,

Recalling further that in its resolution 35/152 B of 12 December 1980 it noted with alarm the increased risk of a nuclear catastrophe associated both with the intensification of the nuclear-arms race and with the adoption of the new doctrine of limited or partial use of nuclear weapons giving rise to illusions of the admissibility and acceptability of a nuclear conflict,

Noting with alarm that this dangerous doctrine leads to a new twist in the spiral of the arms race, which may seriously hamper the reaching of agreement on nuclear disarmament,

Deeply concerned about intentions to gain strategic superiority and to resort first to the use of nuclear weapons, which will inevitably lead to an all-out nuclear catastrophe,

Noting in this connexion an urgent need for the cessation of the development and deployment of new types and systems of nuclear weapons as a step on the road to nuclear disarmament,

Stressing again that priority in disarmament negotiations should be given to nuclear weapons, and referring to paragraphs 49 and 54 of the Final Document of the Tenth Special Session of the General Assembly,

Recalling its resolutions 33/71 H of 14 December 1978, 34/83 J of 11 December 1979 and 35/152 B and C of 12 December 1980,

Noting that the Committee on Disarmament, during its session held in 1981, discussed the question concerning the cessation of the nuclear-arms race and nuclear disarmament and, inter alia, the establishment of an ad hoc working group for negotiations on the subject,

Noting also the proposals and statements made in the Committee on Disarmament, both during its formal and informal meetings, on the cessation of the nuclear-arms race and nuclear disarmament, and, inter alia, on prerequisites for the conduct of negotiations on nuclear disarmament,

Noting with regret that the Committee on Disarmament, during its session held in 1981, was not able to reach agreement on a basis for multilateral negotiations on nuclear disarmament, or prerequisites for such negotiations,

Convinced that the Committee on Disarmament is the most suitable forum for the preparation and conduct of the negotiations on nuclear disarmament,

1. Believes it necessary to initiate, as a matter of high priority, negotiations on the cessation of the production of nuclear weapons and on the gradual reduction of their stockpiles up to and including their total destruction, in accordance with the provisions of paragraph 50 of the Final Document of the Tenth Special Session;

2. Notes the decision of the Committee on Disarmament to resume intensive consideration, at its session to be held in 1982, of the item on the cessation of the nuclear-arms race and nuclear disarmament;

/...

3. Calls upon the Committee on Disarmament, as a matter of priority and for the purpose of an early commencement of the negotiations on the substance of the problem, to continue consultations in which to consider, inter alia, the establishment of an ad hoc working group on the cessation of the nuclear arms race and on nuclear disarmament with a clearly defined mandate;

4. Deems it appropriate, as envisaged in paragraph 50 of the Final Document of the Tenth Special Session, that the Committee on Disarmament proceed, as the first step, to the consideration of possible stages of nuclear disarmament and their tentative content, inter alia, the content of the first stage;

5. Also deems it appropriate to consider, within the framework of the discussion on the content of measures to be carried out during the first stage, the question of the cessation of the development and deployment of new types and systems of nuclear weapons;

6. Requests the Committee on Disarmament to report on the results of those negotiations to the General Assembly at its thirty-seventh session.
