AND DECISIONS ADOPTED BY THE GENERAL ASSEMBLY AT
ITS TENTH SPECIAL SESSION

Bulgaria and Mongolia: draft resolution

World-wide action for collecting signatures in support of measures
to prevent nuclear war, to curb the arms race and for disarmament

The General Assembly,

Deeply concerned over the growing threat of a nuclear war and the continuation and escalation of the arms race,

Conscious of the need to mobilize world public opinion on behalf of disarmament as called for in the Final Document of the Tenth Special Session of the General Assembly,

Considering that a world-wide action for collecting signatures in support of measures to prevent nuclear war, to curb the arms race and for disarmament would be an important manifestation of the will of the world public and would contribute to the creation of a favourable climate for achieving progress in the field of disarmament,

Considering also that it is desirable to carry out such a world-wide action under the auspices of the United Nations and with the active participation of non-governmental organizations and other public institutions,

1. Invites Member States to communicate to the Secretary-General their views and suggestions concerning a world-wide action for collecting signatures in support of measures to prevent nuclear war, to curb the arms race and for disarmament;

2. Requests the Secretary-General to prepare a report on the most appropriate format and methods of carrying out such a world-wide action under the auspices of the United Nations, taking into account the views and suggestions of Member States, and to submit it for consideration to the General Assembly at its second special session devoted to disarmament.
