CONSIDERATION AND ADOPTION OF THE DRAFT PROGRAMME OF ACTION

CHAPTER V. IMPLEMENTATION AND MONITORING

The preceding section outlined the measures required to promote the development and utilization of new and renewable sources of energy. The effective implementation of those measures for concerted action will require:

- A. The identification of selected priority areas requiring urgent action within the framework of the measures for concerted action;
- B. Institutional arrangements for implementation and monitoring, to include:
  - (a) intergovernmental body,
  - (b) co-ordination mechanisms,
  - (c) task forces for implementing specific programmes and projects of the Nairobi Programme of Action,
  - (d) secretariat support,
  - (e) regional and subregional action,
  - (f) economic and technical co-operation among developing countries,
  - (g) intergovernmental and non-governmental organizations.
- C. The mobilization of financial resources for the implementation of the Nairobi Programme of Action.
