I. Introduction

1. The General Assembly, in its resolution 51/15 B of 13 June 1997, appropriated an amount of \$15,091,000 gross (\$14,478,400 net) for the United Nations Support Mission in Haiti (UNSMIH) for the period from 1 July 1997 to 15 March 1998, consisting of \$4,174,400 gross (\$3,990,400 net) for the maintenance of UNSMIH up to 31 July 1997, \$10,355,600 gross (\$9,927,000 net) for its liquidation from 1 August 1997, and \$561,000 for the support account for peacekeeping operations. These amounts were assessed on Member States.

2. Following the expiry of the final mandate of UNSMIH on 31 July 1997, the Security Council, by its resolution 1123 (1997) of 30 July 1997, established the United Nations Transition Mission in Haiti (UNTMIH) whose mandate ended on 30 November 1997. Consequently, a revised budget for UNSMIH, UNTMIH and for the liquidation of the Mission, covering the period from 1 July 1997 to 30 June 1998, was contained in the report of the Secretary-General of 22 October 1997 (A/52/512). Following its consideration of this report, the Advisory Committee on Administrative and Budgetary Questions authorized the Secretary-General to enter into commitments up to an amount of \$15,091,000 gross (\$14,478,400 net) for the period from 1 July to 30 November 1997 against the resources provided under General Assembly resolution 51/15 B for UNSMIH, in order to meet the costs of the peacekeeping operations in Haiti (UNSMIH and UNTMIH), pending a decision by the Security Council on the establishment of a follow-on mission in Haiti, as recommended in paragraph 40 of the report of the Secretary-General to the Security Council (S/1997/832) of 31 October 1997.

3. By its resolution 1141 (1997) of 28 November 1997, the Security Council established the United Nations Civilian Police Mission in Haiti (MIPONUH) with a mandate limited to a single one-year period ending on 30 November 1998. As a result of the decision of the Security Council, the requirements contained in document A/52/512 for the liquidation of UNTMIH have been replaced by the requirements for MIPONUH for the period from 1 December 1997 to 30 June 1998. The cost estimates for the maintenance of UNSMIH from 1 to 31 July 1997 and the related repatriation costs, as well as for the maintenance of UNTMIH from 1 August to 30 November 1997 contained in document A/52/512 remain unchanged. The present report should therefore be read in conjunction with document A/52/512. Pending the submission of the present report, the Advisory Committee on Administrative and Budgetary Questions authorized the Secretary-General to enter into commitments up to an amount of \$9,237,300 gross (\$8,805,800 net) for the maintenance of MIPONUH for the period from 1 December 1997 to 31 March 1998, in accordance with the provisions of section IV of General Assembly resolution 49/233 A of 23 December 1994.

4. The changes in the budgetary requirements for the peacekeeping operations in Haiti for the period from 1 July 1997 to 30 June 1998 are summarized in table 1 below:

II. Political mandate

5. The mandate of MIPONUH is to continue to assist the Government of Haiti by supporting and contributing to the professionalization of the Haitian National Police. MIPONUH would oversee the technical assistance to the Haitian National Police funded by the United Nations Development Programme (UNDP) and would cooperate closely with the joint Civilian Mission for the United Nations and the Organization of American States (MICIVIH).

6. Information on the political mandate of UNTMIH was contained in paragraph 4 of document A/52/512.

III. Operational plan and requirements

7. MIPONUH has an authorized strength of 300 civilian police, including a 90-strong formed rapid reaction unit with its own 50-person support group. The civilian police would

give special emphasis to assistance at the supervisory levels and to training specialized units of the National Police force and would, periodically and in selected areas, continue to monitor the performance of the Haitian National Police, guide agents in their day-to-day duties and maintain close coordination with technical advisers to the Haitian National Police funded by UNDP. The 300 authorized civilian police personnel are supported by 224 civilian staff (74 international, 133 local and 17 United Nations Volunteers). Information regarding the operational plan and requirements of UNTMIH was contained in paragraphs 5 to 7 of document A/52/512.

IV. Financial administration

A. Financial period

8. In paragraph 5 of its resolution 1123 (1997), the Security Council decided that UNTMIH would assume responsibility for all elements and assets of UNSMIH remaining in Haiti to deploy as appropriate until they were withdrawn. In paragraph 5 of its resolution 1141 (1997), the Security Council further decided that MIPONUH would assume responsibility for those UNTMIH personnel and United Nations-owned assets required for its use in fulfilment of its mandate. For these reasons, the Secretary-General recommends that the Special Account established for UNSMIH be also used for the purpose of accounting for income received and expenditure incurred in respect of UNTMIH and MIPONUH. In addition, the financial performance report on MIPONUH will include expenditures relating to UNSMIH and UNTMIH.

9. The accounts of UNSMIH, UNTMIH and MIPONUH are being maintained for a financial period covering 12 months, beginning on 1 July of one year and terminating on 30 June of the following year, in accordance with section I of General Assembly resolution 49/233 A of 23 December 1994.

B. Resources made available and operating costs for the period from 1 July 1996 to 30 June 1998

10. The total resources made available to UNSMIH for the period from 1 July 1996 to 30 June 1998 amount to \$82,433,200 gross (\$78,992,700 net). The expenditures for the same period total \$73,316,200 gross (\$70,713,000 net). Detailed information is provided in annex VIII.

C. Status of assessed contributions

11. As at 31 December 1997, a total of \$69,116,885 has been assessed on Member States in respect of UNSMIH for the period from 1 July 1996 to 30 June 1998. Contributions received for the same period totalled \$59,587,242, resulting in a shortfall of \$9,529,643.

D. Voluntary and trust fund contributions

12. A voluntary cash contribution of \$582 has been made in respect of UNSMIH by the Government of Cyprus. A voluntary contribution in kind, in the form of helicopter support,

has been made for MIPONUH by the Government of the United States of America in the estimated amount of \$1,999,900 for the period from 1 December 1997 to 30 June 1998, and \$1,714,200 for the period from 1 July to 31 December 1998.

13. The trust funds described below are associated with UNSMIH and UNTMIH. Detailed information on contributions to them is provided in annex IX.

Trust fund to provide goods and services to the international police monitoring programme and other specifically designated purposes in Haiti

14. This trust fund was established pursuant to Security Council resolution 975 (1995) of 30 January 1995 to assist in the creation of an adequate police force in Haiti and to provide goods and services to the international police monitoring programme and other specifically designated purposes in Haiti. The total contributions to date, amounting to some \$3.3 million, have been authorized for expenditure.

Trust fund for the enhancement of the capacity of the United Nations Support Mission in Haiti

15. This trust fund was established pursuant to Security Council resolution 1063 (1996) of 28 June 1996 to defray the cost of additional military personnel provided to supplement the military personnel authorized by the Council for UNSMIH. The sum of \$1 million of the total contributions to date, which amount to some \$32.9 million, was transferred to the trust fund for the enhancement of UNTMIH. The remaining \$31.9 million have been authorized for expenditure.

Trust fund for the enhancement of the capacity of the United Nations Transition Mission in Haiti

16. This trust fund was established pursuant to Security Council resolution 1123 (1997) of 31 July 1997 to defray the cost of additional military personnel provided to supplement the military personnel authorized by the Council for UNTMIH. Total contributions to date, including the transfer of \$1 million from the UNSMIH trust fund mentioned in paragraph 15 above, amount to \$9,298,700 and have been authorized for expenditure.

V. Status of reimbursement to troop-contributing Governments

17. The Governments of Bangladesh, Canada, Pakistan and Trinidad and Tobago have provided troops to UNSMIH. Full reimbursement of troop costs in accordance with the standard rates of reimbursement has been made for the period ending 31 May 1997. The Governments of Canada and Pakistan have provided troops to UNTMIH. Amounts owed to troop contributors for the period from 1 June to 31 December 1997 total \$1,421,066. Details are shown in the table below.

Table 3

VI. Status-of-mission agreement

18. In its letter of 16 January 1998 addressed to the Special Representative of the Secretary-General for Haiti, the Government of Haiti agreed to apply the agreement signed on 15 March 1995 by the United Nations and the Government of Haiti on the status of the United Nations Mission in Haiti, *mutatis mutandis*, to MIPONUH and its personnel. Information regarding the status-of-mission agreement with UNTMIH was provided in paragraph 19 of document A/52/512.

VII. Revised cost estimates for the period from 1 July 1997 to 30 June 1998

19. The cost of maintaining UNSMIH and UNTMIH from 1 July 1997 to 30 November 1997 and the liquidation of the Mission from 1 December 1997 to 30 June 1998 was estimated at \$20,587,500 gross (\$19,757,500 net) as shown in annex I of the report of the Secretary-General (A/52/512). The revised requirements for UNSMIH, UNTMIH and MIPONUH for the period from 1 July 1997 to 30 June 1998 are estimated at \$34,334,400 gross (\$32,963,900 net). The estimate includes provision for: (a) the maintenance of UNSMIH during July 1997 at a strength of 500 troops and 300 civilian police, supported by 119 international staff, 156 local staff and 14 United Nations Volunteers; (b) repatriation of excess military and civilian personnel during August 1997; (c) the maintenance of UNTMIH at an authorized strength of 250 civilian police and 50 military personnel, supported by 51 international staff, 96 local staff and 8 United Nations Volunteers during the period from 1 August to 30 November 1997; (d) the repatriation of UNTMIH military and excess civilian personnel during December 1997; and (e) the maintenance of MIPONUH at an authorized strength of 300 civilian police personnel, supported by 74 international staff, 133 local and 17 United Nations Volunteers during the period from 1 December 1997 to 30 June 1998.

20. The revised estimate for the period from 1 July 1997 to 30 June 1998, exclusive of budgeted voluntary contributions in kind amounting to \$1,999,900, represents an increase of \$17,804,500 gross (\$17,046,600 net) over the appropriation of \$15,091,000 gross (\$14,478,400 net) provided by the General Assembly in its resolution 51/15 B for UNSMIH. It is recalled that an increase of \$6,057,500 gross (\$5,840,100 net) was proposed in document A/52/512. The current increase of \$17,804,500 gross (\$17,046,600 net) represents an additional increase of \$11,747,000 gross (\$11,206,500 net), which is the net result of

the decrease in the UNTMIH liquidation requirements by \$5,523,800 gross (\$5,290,100 net) offset by the requirements for MIPONUH of \$17,270,800 gross (\$16,496,600 net). The cost estimates contained in document A/52/512 for UNSMIH remain unchanged at \$4,653,400 gross (\$4,433,800 net), as do the cost estimates of \$8,831,100 gross (\$8,462,300 net) for UNTMIH for the period from 1 August to 30 November 1997.

21. A detailed breakdown of the revised estimate for the period from 1 July 1997 to 30 June 1998, by line item, is presented in annex I to the present report and includes (column 1) the original requirements contained in the earlier report of the Secretary-General. The total revised estimates are shown in column 2 and the budget estimates for UNSMIH, UNTMIH and MIPONUH are provided in columns 3, 4 and 5 respectively. Supplementary information is provided in sections A, B and C of annex II. Section A presents mission-specific cost parameters, section B provides the breakdown of resources between the unchanged UNTMIH requirements for the period from 1 August to 30 November 1997 and its repatriation activities from 1 December 1997, and section C provides the monthly breakdown of resources for MIPONUH. Supplementary information is provided for the repatriation activities of UNTMIH and MIPONUH in sections E and F, respectively.

VIII. Cost estimates for the period from 1 July 1998 to 30 June 1999

22. The budget estimate for MIPONUH for the period from 1 July 1998 to 30 June 1999 amounts to \$19,428,800 gross (\$18,600,500 net), inclusive of budgeted voluntary contributions in kind, amounting to \$1,714,200. The estimate includes provision for: (a) the maintenance of MIPONUH during the period from 1 July to 30 November 1998 at a strength of 300 civilian police, supported by 74 international staff, 133 local staff and 17 United Nations Volunteers, at an estimated cost amounting to \$12,308,600 gross (\$11,755,600 net); and (b) the liquidation of the Mission, including the repatriation of all civilian police personnel, international staff and United Nations Volunteers, as from 1 December 1998, at an estimated cost of \$7,120,200 gross (\$6,844,900 net).

23. A detailed breakdown of the budget estimate for the period from 1 July 1998 to 30 June 1999, by line item, is presented in annex III. Supplementary information is provided in sections A, B and C of annex IV. Section A provides the monthly breakdown of resources and sections B and C provide supplementary information on the maintenance and liquidation of the Mission, respectively.

IX. Staffing requirements

24. The proposed staffing of 224 posts for MIPONUH reflects a decrease of 22 international posts and 43 local staff, and an increase of 3 United Nations Volunteers from the combined staffing level of 286 posts for UNTMIH shown in annex VI, which is comprised of 155 under the assessed budget, and 131 under the trust fund for the enhancement of UNTMIH capacity. Compared to the UNTMIH staffing strength under the assessed budget, it reflects an increase of 23 international posts, 37 local staff and 9 United Nations Volunteers, as shown in annex VII.

X. Actions to be taken by the General Assembly at its fifty-second session

25. The actions to be taken by the General Assembly at its fifty-second session in connection with the financing of UNSMIH, UNTMIH and MIPONUH are as follows:

(a) The appropriation and assessment of the amount of \$17,804,500 gross (\$17,046,600 net), inclusive of the amount of \$9,237,300 gross (\$8,805,800 net) authorized by the Advisory Committee on Administrative and Budgetary Questions under the terms of section IV of General Assembly resolution 49/233 A for the period from 1 July 1997 to 30 June 1998. (b) The appropriation and assessment of the amount of \$17,714,600 gross (\$16,886,300 net) for the period from 1 July 1998 to 30 June 1999;

(c) A decision to continue the use of the Special Account established for UNSMIH for UNTMIH and MIPONUH.

D. Supplementary information: United Nations Support Mission in Haiti

The supplementary information contained in part C of annex II to document A/52/512 remains unchanged.

E. Supplementary information: United Nations Transition Mission in Haiti

1. The cost estimates for the maintenance of UNMIH for the period from 1 August to 30 November 1997 presented in document A/52/512 remain unchanged. The supplementary information contained in part D of annex II to that document also remains valid. The supplementary information provided hereunder pertains to the repatriation requirements of UNTMIH during the period from 1 December 1997 to 31 January 1998.

2. *Military personnel.* Since the authorized strength of the follow-on mission, MIPONUH, does not include military personnel, the 50 military staff officers who served with UNTMIH were repatriated, as were the 577 troops brought into the theatre under UNSMIH. The previous estimate (\$578,500) has now been reduced to \$373,400. The repatriation cost of the 577 troops has been reduced to \$152,900 under a letter-of-assist arrangement. The 50 military staff officers were repatriated by commercial aircraft (\$37,500) bringing the total repatriation cost to \$190,400. The repatriation of the aforementioned military personnel was completed by the end of December 1997, except for 11 military staff officers who were repatriated during the month of January 1998.

3. *Civilian police.* On 1 December 1997, all 156 civilian police serving with UNTMIH were transferred to MIPONUH.

4. *International and local staff.* The provision in the amount of \$37,500 for international staff salaries and common staff costs is limited to two posts (1 USG and 1 D-2) for the month of December 1997.

5. *Rental of premises.* Provision is made for the rental of a warehouse for one month for the storage of equipment (\$4,000).

6. *Alteration and renovation of premises.* Provision is made in the amount of \$50,000 for the clean-up and repair of rented premises prior to their return to the landlord in their original condition.

7. *Rental of vehicles.* The amount of \$27,400 relates to the rental of one 13-ton forklift for 21 days (\$7,400), one 23.5-ton forklift for 35 days (\$17,500) and one 36-ton forklift for one day (\$2,500). These vehicles were required for loading, unloading and stacking of containers and their transport from warehouses to the seaport.

8. *Audit services.* Provision is made in the amount of \$29,000 for external audit services.

9. *Air and surface freight.* The previous estimate under this heading (\$2,530,000) has been reduced to \$1,050,000 and provides for the transport of 16,564 cubic metres of contingent-owned equipment (\$895,000), packing materials (\$150,000) and other commercial freight charges (\$5,000).

F. Supplementary information: United Nations Civilian Police Mission in Haiti

1. Provision is made in the amount of \$5,992,900 for the 300 civilian police personnel as follows: (a) civilian police cost reimbursement (\$1,057,000) to the contributing Government providing the formed unit for the period from 1 December 1997 to 30 June 1998, welfare (\$15,700), rations (\$367,300) and daily allowance (\$38,200); (b) mission subsistence allowance for 160 civilian police personnel (\$2,955,500) and clothing allowance (\$18,900) for the period from 1 December 1997 to 30 June 1998; (c) emplacement travel for the 140 members of the formed unit (\$280,000) and 4 civilian police personnel (\$10,800); (d) rotation travel for 126 civilian police personnel (\$680,400) and 140 members of the formed unit (\$560,000) in June 1998; and (e) local travel (\$9,100) to provide training to local police officers around the country. Provision is also made in the amount of \$76,500 for death and disability.
2. *International and local staff.* Pursuant to paragraph 5 of Security Council resolution 1141 (1997), most of the UNTMIH staff were transferred to MIPONUH on 1 December 1997.
3. *Other travel.* The budgeted amount of \$23,100 provides for 10 trips between Headquarters in New York and the mission area (\$17,500) as well as the travel and subsistence expenses of two internal auditors for 14 days (\$5,600).
4. *Rental of premises.* The estimated requirements under this heading reflect increased requirements in the absence of cost sharing with a trust fund as was the case with UNTMIH.
5. *Alteration and renovation of premises.* Provision is made in the amount of \$232,000 for the renovation of 10 Haitian National Police stations (\$200,000) and the setting up of a new security fence around Camp Maple Leaf (\$32,000).
6. *Transport operations.* The purchase of one sedan is proposed (\$28,800 including freight) for the Special Representative of the Secretary-General, since the vehicles in the existing fleet are very old and in need of constant repair and maintenance.
7. *Rental of vehicles.* Provision is made for the rental of six military-type vehicles at a monthly cost of \$40,400. In addition the amount of \$68,000 would provide for the training of a vehicle crew upon its arrival in the mission area and following its rotation in June 1998.
8. *Helicopter operations.* Helicopter support is provided by the Government of the United States of America as a voluntary contribution in kind. The contribution consists of 2 helicopters and 13 personnel (3 flight crew comprised of 3 individuals per flight crew, and 4 ground personnel). The total monthly value is estimated at \$285,700 broken down as follows: hire/charter costs (\$235,700), aviation fuel and lubricants (\$14,300) and aircrew subsistence allowance (\$35,700).
9. *Communications.* Provision is made for the one-time acquisition cost of 50 Motorola GTX Trunking hand-held radios.
10. *Other equipment.* A provision of \$10,200 would provide for the replacement of broken furniture as follows: 100 typist chairs (\$4,000), 250 folding chairs (\$5,000) and 10 executive chairs (\$1,200). The amount of \$9,400 provides for the purchase of 4 electric typewriters (\$2,000), 15 shredders (\$800), 20 filing cabinets (\$1,600) and two replacement photocopiers (\$5,000). The amount of \$21,400 provides for the annual software licence fees for: Sun Accounting System (\$4,000), Progen Payroll (\$1,200), Reality System (\$3,000), Lotus Notes (\$2,000), Newsfeed (\$1,800) and the replacement of four computers (\$9,400). The amount of \$32,000 provides for the acquisition, at a reduced cost from a departing contingent, of

accommodation equipment, comprising tools, beds, tables, chairs, air-conditioners, etc., for the use of the civilian police formed unit.

11. *Medical treatment and services.* Medical services in the mission area are provided under a letter-of-assist arrangement at an estimated cost of \$10,500 per month. Provision is also made for the cost of treatment in Miami hospitals, for two cases per month, at an estimated cost of \$25,000 per case.

12. *Public information.* The amount of \$10,000 provides for the replacement of audio equipment, lighting equipment, batteries, other equipment and accessories.

13. *Air and surface freight.* The provision of \$35,500 provides for the transport of 21 generators from Brindisi to Haiti (\$32,000) and other commercial freight charges at \$500 per month.

14. *United Nations Logistics Base at Brindisi.* No provision is made, since the budget for the Logistics Base has been presented separately to the General Assembly.

15. *Support account for peacekeeping operations.* No provision is made since the budget for the support account has been presented separately to the General Assembly.

16. *Staff assessment.* Staff costs are shown on a net basis under budget line item 2 (b) and represent the difference between gross and net emoluments, that is, the amount of staff assessment to which United Nations staff members are subject in accordance with the Staff Regulations of the United Nations.

17. *Income from staff assessment.* The staff assessment requirements provided for under budget line item 19 have been credited to this item as income from staff assessment and are credited to the Tax Equalization Fund established by the General Assembly in its resolution 973 A (X) of 15 December 1955. Member States are given credit in the Fund in proportion to their respective rates of contribution to the UNSMIH/UNTMIH/MIPONUH budget.
