Algeria, Bangladesh, Brunei Darussalam, Burkina Faso, Cape Verde, Colombia, Costa Rica, Cuba, Ecuador, Egypt, El Salvador, Ethiopia, Fiji, Ghana, Guatemala, India, Indonesia, Iran (Islamic Republic of), Iraq, Jamaica, Kenya, Lao People's Democratic Republic, Lesotho, Libyan Arab Jamahiriya, Malaysia, Mexico, Mongolia, Mozambique, Myanmar, Namibia, Nepal, Nicaragua, Nigeria, Pakistan, Panama, Philippines, Samoa, Solomon Islands, Sri Lanka, Sudan, Thailand, United Republic of Tanzania, Uruguay, Venezuela, Viet Nam, Zambia and Zimbabwe: draft resolution

Nuclear disarmament

The General Assembly,

Recalling its resolution 49/75 E of 15 December 1994 on a step-by-step reduction of the nuclear threat and its resolutions 50/70 P of 12 December 1995, 51/45 O of 10 December 1996 and 52/38 L of 9 December 1997 on nuclear disarmament,

Reaffirming the commitment of the international community to the goal of the total elimination of nuclear weapons and the establishment of a nuclear-weapon-free world,

Bearing in mind that the 1972 Biological Weapons Convention and the 1993 Chemical Weapons Convention have already established legal regimes on the complete prohibition of biological and chemical weapons, respectively, and determined to achieve a Nuclear Weapons Convention on the prohibition of the development, testing, production, stockpiling, loan, transfer, use and threat of use of nuclear weapons and on their destruction, and to conclude such an international Convention at an early date,

Recognizing that there now exist conditions for the establishment of a world free of nuclear weapons,

Bearing in mind paragraph 50 of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, calling for the urgent

negotiations of agreements for the cessation of the qualitative improvement and development of nuclear-weapon systems, and for a comprehensive and phased programme with agreed time-frames, wherever feasible, for the progressive and balanced reductions of nuclear weapons and their means of delivery, leading to their ultimate and complete elimination at the earliest possible time,

Reiterating the highest priority accorded to nuclear disarmament in the Final Document of the Tenth Special Session of the General Assembly and by the international community,

Recognizing that the Comprehensive Nuclear-Test-Ban Treaty and any proposed treaty on fissile material for nuclear weapons or other nuclear explosive devices must constitute disarmament measures, and not only non-proliferation measures, and that these measures, together with an international legal instrument on the joint undertaking of no first use of nuclear weapons by the Nuclear Weapon States and on adequate security assurances of non-use and non-threat of use of these weapons for non-nuclear-weapon States, respectively, and an international convention prohibiting the use of nuclear weapons, should be integral measures in a programme leading to the total elimination of nuclear weapons with a specified framework of time,

Welcoming the entry into force of the Treaty on the Reduction and Limitation of Strategic Offensive Arms, to which Belarus, Kazakhstan, the Russian Federation, Ukraine and the United States of America are States parties,

Welcoming also the conclusion of the Treaty on Further Reduction and Limitation of Strategic Offensive Arms by the Russian Federation and the United States of America and the ratification of that Treaty by the United States of America, and looking forward to the full implementation of the START I and START II Treaties by the State parties, and to further concrete steps for nuclear disarmament by all the Nuclear Weapon States,

Noting with appreciation the unilateral measures by the nuclear-weapon States for nuclear arms limitation, and encouraging them to undertake further such measures,

Recognizing the complementarity of bilateral and multilateral negotiations on nuclear disarmament, and that bilateral negotiating can never replace multilateral negotiations in this respect,

Noting the support expressed in the Conference on Disarmament and in the General Assembly for the elaboration of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, and the multilateral efforts in the Conference on Disarmament to reach agreement on such an international convention at an early date,

Recalling the advisory opinion of the International Court of Justice on the *Legality of the Threat or Use of Nuclear Weapons*, issued on 8 July 1996, and welcoming the unanimous reaffirmation by all Judges of the Court that there exists an obligation for all States to pursue in good faith and bring to a conclusion negotiations leading to nuclear disarmament in all its aspects under strict and effective international control,

Mindful of paragraph 114 and other relevant recommendations in the Final Document of the Twelfth Conference of Heads of State or Government of the Non-aligned Countries, held at Durban, South Africa, from 29 August to 3 September 1998, calling upon the Conference on Disarmament to establish, on a priority basis, an ad hoc committee to commence negotiations in 1998 on a phased programme of nuclear disarmament and for the eventual elimination of nuclear weapons with a specified framework of time,

Bearing in mind the proposal of twenty-eight delegations to the Conference on Disarmament that are members of the Group of 21 for a programme of action for the

elimination of nuclear weapons, and expressing its conviction that this proposal will be an important input and will contribute to negotiations on this question in the Conference,

Commending the initiative by twenty-six delegations to the Conference on Disarmament that are members of the Group of 21 proposing a comprehensive mandate for an ad hoc committee on nuclear disarmament, which includes negotiations for, as a first step, a universal and legally binding multilateral agreement committing all States to the objective of the total elimination of nuclear weapons, an agreement on further steps required in a phased programme with time-frames leading to the total elimination of these weapons and a convention on the prohibition of the production of fissile material for nuclear weapons and other nuclear explosive devices taking into account the report of the Special Coordinator on that item and the views relating to the scope of the treaty,

Taking note of the Declaration issued on 9 June 1998 by the Ministers for Foreign Affairs of Brazil, Egypt, Ireland, Mexico, New Zealand, Slovenia, South Africa and Sweden, entitled "Towards a World Free of Nuclear Weapons: the Need for a New Agenda", supported and responded to by a number of States including some members of the Non-Aligned Movement,

1. *Recognizes* that, in view of recent political developments, the time is now opportune for all the Nuclear Weapon States to undertake effective disarmament measures with a view to the total elimination of these weapons with a specified framework of time;

2. *Recognizes also* that there is a genuine need to de-emphasize the role of nuclear weapons and to review and revise nuclear doctrines accordingly;

3. *Urges* the Nuclear Weapon States to stop immediately the qualitative improvement, development, production and stockpiling of nuclear warheads and their delivery systems;

4. *Urges also* the Nuclear Weapon States, as an interim measure, to immediately de-alert and de-activate their nuclear weapons;

5. *Calls* for the conclusion, as a first step, of a universal and legally binding multilateral agreement committing all States to the objective of the total elimination of nuclear weapons;

6. *Reiterates* its call upon the Nuclear Weapon States to undertake the step-by-step reduction of the nuclear threat and to carry out effective nuclear disarmament measures with a view to the total elimination of these weapons with a specified framework of time;

7. *Calls upon* the Nuclear Weapon States, pending the achievement of a total ban on nuclear weapons through a Nuclear Weapons Convention, to agree on an internationally and legally binding instrument of the joint undertaking not to be the first to use nuclear weapons; and calls upon all States to conclude an internationally and legally binding instrument on security assurances of non-use and threat of use of nuclear weapons against non-nuclear weapon States;

8. *Welcomes* the establishment in the Conference on Disarmament of the Ad Hoc Committee on the Prohibition of the Production of Fissile Material for Nuclear Weapons and other Nuclear Explosive Devices, and urges for a speedy conclusion of a universal and non-discriminatory convention thereon; and also welcomes the establishment of the Ad Hoc Committee on Effective International Arrangements to Assure Non-nuclear Weapon States Against the Use or Threat of Use of Nuclear Weapons; and urges to pursue efforts in this regard as a matter of priority;

9. *Expresses its concern* at the continuing opposition by some Nuclear Weapon States to the establishment of an ad hoc committee on nuclear disarmament in the Conference on Disarmament, as called for in General Assembly resolution 52/38 L;

10. *Reiterates* its call upon the Conference on Disarmament to establish, on a priority basis, an ad hoc committee on nuclear disarmament to commence negotiations early in 1999 on a phased programme of nuclear disarmament and for the eventual elimination of nuclear weapons with a specified framework of time through a Nuclear Weapons Convention;

11. *Urges* the Conference on Disarmament to take into account in this regard the proposal of the twenty-eight delegations for a programme of action for the elimination of nuclear weapons, as well as the mandate for the ad hoc committee on nuclear disarmament, proposed by the twenty-six delegations;

12. *Calls* for the convening of an international conference on nuclear disarmament at an early date with the objective of arriving at an agreement on a phased programme of nuclear disarmament and for the eventual elimination of nuclear weapons with a specified framework of time through a Nuclear Weapons Convention;

13. *Requests* the Secretary-General to submit to the General Assembly at its fifty-fourth session a report on the implementation of the present resolution;

14. *Decides* to include in the provisional agenda of its fifty-fourth session the item entitled "Nuclear disarmament".
