ECONOMIC COMMISSION FOR EUROPE

INLAND TRANSPORT COMMITTEE
(Sixty-first session, 8-11 February 1999,
agenda item 8)

**ACTIVITIES OF OTHER ECE PRINCIPAL SUBSIDIARY BODIES AND
OF OTHER INTERNATIONAL ORGANIZATIONS DEALING WITH
PROBLEMS OF INTEREST TO THE COMMITTEE**

Note by the secretariat

This note provides information on those activities contained in the Programme of Work of the other Principal Subsidiary Bodies of the ECE and the Executive Body for the Convention on Long-Range Transboundary Air Pollution which are of relevance to the work of the Inland Transport Committee.

Those members of the Committee interested in receiving more information concerning these activities may wish to contact the Division concerned.

The information is presented according to the programme activities of the Committee, as appearing in its Programme of Work for 1998-2002 adopted at the sixtieth session of the Committee (ECE/TRANS/125/Add.1).

It is to be noted that the description and numbering of Programme of Work elements are those valid at the time of preparation of this document.

02.1 TRANSPORT TRENDS AND ECONOMICS

Economic analysis (Programme element No. 63 according to the Plan of Action)
