REPORT OF THE INTERNATIONAL CIVIL SERVICE COMMISSION

Barbados, Belgium and the United Kingdom: draft decision

The General Assembly decides that separation payments (commutation of annual leave, repatriation grant, death grant and termination indemnity) for the Professional and higher categories shall continue to be based on gross salary adjusted by movements of the weighted average of post adjustments (WAPA), less staff assessment and that, accordingly, in Annexes III and IV to the Staff Regulations of the United Nations, concerning termination indemnity and repatriation grant, respectively, the reference to "pensionable remuneration less staff assessment" shall be amended to read "gross salary adjusted by movements of the weighted average of post adjustments, less staff assessment".
