THIRD UNITED NATIONS CONFERENCE ON THE EXPLORATION AND PEACEFUL USES OF OUTER SPACE

Vienna
19-30 July 1999

Draft report of Committee I

Consolidated corrigendum

A/CONF.184/C.1/L.21/Add.1

1. Insert the following text as paragraph 76 *bis*

Organizations around the world are encouraged: (a) to investigate further the technical and economic feasibility of space solar power over the next few years; (b) to stimulate international cooperation and data-sharing regarding space solar power; and (c) to give due consideration of space solar power matters, for example, as they concern health, the environment, spectrum management, orbit allocations and other topics.

2. Insert the following text as paragraph 205 *bis*

National and regional centres should be strengthened, as recommended by the General Assembly in its resolution 45/72 of 11 December 1990, with the support of industrialized countries and that of all United Nations Member States.

A/CONF.184/C.1/L.21/Add.2

3. Insert the following text as paragraph 303 *bis*

Consideration should be given to the possible contribution of the Committee on the Peaceful Uses of Outer Space in the preparations for the World Summit on the Information Society, whose feasibility is being studied by the International Telecommunication Union, with the view to ensuring the inclusion of space-related matters on the agenda of the Summit.

4. *Paragraph 319 bis*

Delete the following sentence

With regard to the protection of the environment, the establishment of launch standards and environmental impact assessments should be examined.

5. *Paragraph 319 ter, first sentence*

Replace the legal aspects *with* various aspects

6. *Paragraph 321 bis*

The paragraph *should read*

The Committee on the Peaceful Uses of Outer Space should analyse the desirability of drafting new legal instruments relating to various space applications, taking into particular account the commercial growth of some of these applications.
