SECURITY COUNCIL
Thirty-seventh year

Letter dated 11 March 1982 from the Permanent Representative of Pakistan
to the United Nations addressed to the Secretary-General

In continuation of my letter dated 22 December 1981 (A/37/56-S/14814), I have the honour to bring to your attention that, between 20 December 1981 and 23 February 1982, there have been more instances of violation of Pakistan air space and territory from the Afghanistan side. Details of some of these violations are as follows:

- (1) Between 20 December 1981 and 23 February 1982, there were 13 violations of Pakistan air space by Afghan helicopters and aircraft in the North Western Frontier Province and Baluchistan Province. These helicopters and planes intruded on many occasions several miles into Pakistan air space;
- (2) On 5 January 1982, at 1020 hours, Afghan troops located at Vesh Post opposite Chaman fired two machine-gun bursts towards the Pakistan side. Consequently, one civilian sustained minor injuries. Later, two armed Afghan soldiers intruded 50 yards inside Pakistan territory but returned after a few minutes;
- (3) On 1 and 23 January 1982 and 3 February 1982, artillery shells were fired from the Afghanistan side into Pakistan territory.

I request that Your Excellency circulate this letter as a document of the General Assembly, under item 25 of the preliminary list, and of the Security Council.
