LETTER DATED 28 APRIL 1982 FROM THE SECRETARY-GENERAL ADDRESSED TO THE  
PRESIDENT OF THE SECURITY COUNCIL

I have the honour to refer to the functioning of the United Nations Disengagement Observer Force (UNDOF) established by the Security Council under its resolution 350 (1974).

The Commander of the Force, Major-General Erkki R. Kaira, has recently informed me that he is resigning from his post for personal reasons. In these circumstances, subject to the usual consultations and the extension by the Security Council of the mandate of UNDOF beyond 31 May 1982, it is my intention to appoint Major-General Carl-Gustav Stahl of Sweden to the post of Commander of UNDOF, with effect from 1 June 1982. The Government of Sweden has informed me that it is willing to make General Stahl available for this purpose.

I should be grateful if you could bring this matter to the attention of the members of the Security Council.
