Dear Mr. President:

I am one of the attorneys for the Marshall Islands Atomic Testing Litigation Project. We represent approximately 3,000 individual Marshall Islanders in their personal claims arising out of the atomic testing and 17 islands and atolls in their land and property claims arising out of the atomic testing. My clients and I would appreciate the opportunity to address the Trusteeship Council briefly on 21 May 1982. Thank you for your kind consideration of this request.
