ANNEX

Resolution unanimously adopted by the House of Representatives
of the Republic of Cyprus on 10 June 1982

The House of Representatives resolves as follows:

1. It most strongly condemns the criminal aggression of Israel against Lebanon, an independent, sovereign, peaceful state-member of the United Nations Organisation, an action which violates all principles of International Law and the fundamental principles of the United Nations Charter.
2. It condemns with abhorrence the act of genocide which the Israeli troops apply against the non-combatant Palestinian and Lebanese people. This criminal aggression and act of genocide constitute a provocation to humanity as a whole and is a direct threat to peace in our area.
3. It expresses its solidarity with the cruelly tried Palestinian and Lebanese people and reaffirms its support for their freedom and vindication of their struggle.
4. It demands the immediate withdrawal of Israeli troops from Lebanon.
5. It unreservedly supports the application of all United Nations resolutions concerning the Middle East problem and the resolutions of other International Organisations,

/...

such as those of the Non-Aligned conferences and of the Interparliamentary Union, so that conditions of peace and security can be created in the Middle East.

6. Reaffirms its irrevocable stand for full restoration of the national rights of the Palestinians, including the right of return to their homes, self-determination and creation of an independent sovereign Palestinian state and the withdrawal of Israel from all occupied Arab lands.
7. It invites the Cyprus Government to provide immediately practical aid to the fighting Lebanese and Palestinian people and reconsider the whole spectrum of its diplomatic and other relations with Israel, including the interruption of diplomatic relations with this country.
