Thirty-seventh session Agenda item 60

EFFECTS OF ATOMIC RADIATION

Report of the Special Political Committee

Rapporteur: Mr. Faruk LOGOGLU (Turkey)

1. The item entitled "Effects of atomic radiation: report of the United Nations Scientific Committee on the Effects of Atomic Radiation" was included in the provisional agenda of the thirty-seventh session of the General Assembly in accordance with Assembly resolution 36/14 of 28 October 1981.

2. At its 4th plenary meeting, on 24 September 1982, the General Assembly, on the recommendation of the General Committee, decided to include the item in its agenda and to allocate it to the Special Political Committee.

3. The Special Political Committee examined the item at its 4th and 5th meetings, on 18 and 19 October (see A/SPC/37/SR.4 and 5). It had before it the report of the United Nations Scientific Committee on the Effects of Atomic Radiation. $\underline{1}/$

4. At the 4th meeting, on 18 October, the representative of Argentina introduced a draft resolution (A/SPC/37/L.3), sponsored by <u>Argentina</u>, <u>Australia</u>, <u>Austria</u>, <u>Czechoslovakia</u>, <u>Egypt</u>, <u>Germany</u>, <u>Federal Republic of</u>, <u>Japan</u>, <u>New Zealand</u>, <u>Poland</u>, the <u>Union of Soviet Socialist Republics</u> and the <u>United States of America</u>, subsequently joined by <u>France</u> and <u>Sweden</u>.

5. At the 5th meeting, on 19 October, it was announced that <u>Bangladesh</u>, <u>Chile</u>, <u>Denmark</u>, <u>India</u>, <u>Malaysia</u>, the <u>Netherlands</u>, <u>Peru</u> and <u>Uruguay</u> had joined as sponsors of the draft resolution.

6. At the same meeting, the Committee adopted draft resolution A/SPC/37/L.3 without a vote (see para. 7).

<u>l</u>/ <u>Official Records of the General Assembly, Thirty-seventh Session</u>, Supplement No. 45 (A/37/45).

RECOMMENDATION OF THE SPECIAL POLITICAL COMMITTEE

7. The Special Political Committee recommends to the General Assembly the adoption of the following draft resolution:

Effects of atomic radiation

The General Assembly,

<u>Recalling</u> its resolution 913 (X) of 3 December 1955, by which it established the United Nations Scientific Committee on the Effects of Atomic Radiation, and its subsequent resolutions on the subject, including resolution 36/14 of 28 October 1981, by which the Assembly, <u>inter alia</u>, requested the Scientific Committee to continue its work,

Taking note with appreciation of the report of the United Nations Scientific Committee on the Effects of Atomic Radiation 2/ with its scientific annexes, 3/

Reaffirming the desirability of the Scientific Committee continuing its work,

<u>Concerned</u> about the potentially harmful effects on present and future generations, resulting from the levels of radiation to which man is exposed,

<u>Conscious</u> of the continued need to examine and compile information about atomic and ionizing radiation and to analyse its effects on man and his environment,

1. <u>Commends</u> the United Nations Scientific Committee on the Effects of Atomic Radiation for its excellent substantive report and for the valuable contribution it has been making in the course of the past twenty-seven years, since its inception, to wider knowledge and understanding of the levels, effects and risks of atomic radiation and for fulfilling its original mandate with scientific authority and independence of judgement;

2. <u>Notes with satisfaction</u> the continued and growing scientific co-operation between the Scientific Committee and the United Nations Environment Programme;

3. <u>Requests</u> the Scientific Committee to continue its work, including its important co-ordinating activities, to increase knowledge of the levels, effects and risks of ionizing radiation from all sources;

2/ Official Records of the General Assembly, Thirty-seventh Session, Supplement No. 45 (A/37/45).

3/ For the report together with its scientific annexes, see <u>Ionizing</u> <u>Radiation: Sources and Biological Effects</u> (United Nations publication, Sales No. E.82.IX.8). 4. <u>Welcomes and endorses</u> the Scientific Committee's intentions and plans for its future activities of scientific review and assessment on behalf of the General Assembly;

5. <u>Requests</u> the Scientific Committee to review at its next session the important problems in the field of radiation and to report thereon to the General Assembly at its thirty-eighth session;

6. <u>Requests</u> the United Nations Environment Programme to continue providing support for the effective conduct of the Scientific Committee's work and for the dissemination of its findings to the General Assembly, the scientific community and the public;

7. Expresses its appreciation for the assistance rendered to the Scientific Committee by Member States, the specialized agencies, the International Atomic Energy Agency and non-governmental organizations, and invites them to increase their co-operation in this field;

8. <u>Invites</u> Member States and the United Nations agencies and non-governmental organizations concerned to provide further relevant data about doses, effects and risks from various sources of radiation, which would greatly help in the preparation of the Scientific Committee's future reports to the General Assembly.
